### **best OS for Mac Pro early 2008 - Apple Community**

The MacBook's number pad was eliminated to make it resemble the MacBook Pro? But the MacBook Pro has the embedded numeric keypad! Mine does, anyway, and it's a fairly recent model (July 2007), and the Apple Tech Specs still have it listed. It's true though; I don't use it much.

### Mac Pro Early 2008 Service

The New York Times is pulling itself out from Apple News, citing a need to fight for "readers' attention and dollars" against not only other news organizations, but also tech companies like Apple.
