Specifications
Is the early 2008
Pro different from
the late release?
There are
differences
between the early
release of the 2008
MacBook Pro and
the late 2008
release. The most
striking difference
between early and
late 2008 model
MacBook Pros is
the absence of a
single block of
aluminum trim,
giving the later

release the Unibody
distinction from
Apple.
