'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

teacher's edition : the British tradition Walch Publishing

Rebecca Reisert's mesmerizing first novel re-imagines Macbeth,

Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by

---

peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert

demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

Selections from English Literature University of New Mexico Press

The Way to Rainy Mountain recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me ' s people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty

years since its 1969 release, this new edition offers a moving new preface and invites a new generation of readers to explore the Kiowa myths, legends, and history with Pulitzer Prize – winning author N. Scott Momaday.

When tragedy strikes we want to know: Why did this happen? How could it have happened? Where is life's justice and fairness? When tragedy strikes we need to know: What still makes sense. What paths lead to healing. How to deal with the timeless questions. When Rabbi Richard Agler's twenty-six-year-old daughter Talia was struck and killed by a motor vehicle, his understanding of tragedy failed him. This book is an account of a journey, one he had no

---

choice but to take, leading from unimaginable grief to (at least partial) recovery. In clear and compelling language, with references to both ancient and modern sources of wisdom, Rabbi Agler offers insight for everyone who has, or who one day might, experience painful loss. The Tragedy Test may give you enhanced clarity on some of humanity's most profound questions. It may lead you to reimagine the nature of our universe. It may fundamentally challenge your understanding of the God you thought you knew. It will not leave you unmoved or unchanged.

In 1590 three hundred Scottish 'witches' were tried for plotting the murder of their King, James VI of Scotland (soon to be James I of England). James is known to have suffered from a morbid fear of violent death, and the trial heightened his anxiety over this apparently treasonous 'un-Christian' sect, and stimulated him to study the whole subject of witchcraft.

'Daemonologie' is the result of this royal research, detailing his opinions on the topic in the form of a Socratic dialogue between

the sceptic Philomathes and witch-averse Epistemon, who reveals many aspects of witch-craft. The book consists of three sections, on magic, on sorcery and witchcraft, and on spirits and ghosts, and ends with a lurid account of the North Berwick witch trials, based on the evidence of Dr John Fian, the alleged head of the coven, whose 'confession' was obtained with the aid of thumbscrews, the Boot, and by the ripping out of his fingernails.
