English Journal Independently Published

The New Cambridge Shakespeare appeals to students worldwide for its up-to-date scholarship and emphasis on performance. The series features line-by-line commentaries and textual notes on the plays and poems.

Introductions are regularly refreshed with accounts of new critical, stage and screen interpretations. This second edition of *The Merchant of Venice* retains the text and Introduction prepared by M. M. Mahood and features a new introductory section by Charles Edelman. Where Mahood focuses in her Introduction on the expectations of the play's first audience and on our modern experience of seeing and hearing the drama performed, Edelman explores the play's sexual politics. He also foregrounds recent scholarship on the position of Jews in Shakespeare's time and surveys the international scope and diversity of theatrical interpretations of the text in the 1980s and 1990s. He pays particular attention to the ways in which directors and actors tackle the troubling figure of Shylock.

The Oxford Handbook of Tudor Drama Penguin UK

This practical coursebook introduces all the basics of semantics in a simple, step-by-step fashion. Each unit includes short sections of explanation with examples, followed by stimulating practice exercises to complete in the book. Feedback and comment sections follow each exercise to enable students to monitor their progress. No previous background in semantics is assumed, as students begin by discovering the value and fascination of the subject and then move through all key topics in the field, including sense and reference, simple logic, word meaning and

interpersonal meaning. New study guides and exercises have been added to the end of each unit to help reinforce and test learning. A completely new unit on non-literal language and metaphor, plus updates throughout the text significantly expand the scope of the original edition to bring it up-to-date with modern teaching of semantics for introductory courses in linguistics as well as intermediate students. ### **Teaching Macbeth in High School** Routledge

This revision of Bloom's taxonomy is designed to help teachers understand and implement standards-based curriculums. Cognitive psychologists, curriculum specialists, teacher educators, and researchers have developed a two-dimensional framework, focusing on knowledge and cognitive processes. In combination, these two define what students are expected to learn in school. It explores curriculums from three unique perspectives-cognitive psychologists (learning emphasis), curriculum specialists and teacher educators (C & I emphasis), and measurement and assessment experts (assessment emphasis). This revisited framework allows you to connect learning in all areas of curriculum. Educators, or others interested in educational psychology or educational methods for grades K-12.

### **Teaching Literacy through Drama** Novel Units

Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath....Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. The Third Witch is a brilliantly imagined, wonderfully satisfying novel. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

*A Taxonomy for Learning, Teaching, and Assessing* Xlibris Corporation

Most pre-service education students are enthusiastic about the progressive, constructivist, and student-centered theory and practice advocated in many teacher education programs and by the National Council of Teachers of English. Yet in actual day-to-day practice, teachers often have trouble thinking of ways in which such student-centered and constructivist practices in literacy instruction can be implemented in classrooms which are increasingly driven by high stakes tests, increased accountability, and mandated and even 'teacher proof' scripted curricula. *Teaching Authentic Language Arts in a Test-Driven Era* provides a powerful and much-needed counterargument to the assumption that test-driven curricula preclude meaningful instruction and authentic student engagement within a Language Arts curriculum. Providing teachers with the theoretical stances and pedagogical tools to develop a Language Arts practice which can be personally rewarding as well as beneficial to students, *Teaching Authentic Language Arts in a Test-Driven Era* empowers teachers to be effective even within the confines of a testing- and accountability-driven curriculum.

Three boys struggle to come to terms with the death of a friend in a drunk-driving auto accident in which all four were involved, in a story told through newspaper stories, diary entries, school announcements, telephone conversations, and classroom assignments.

[Macbeth for Murderers](#) Houghton Mifflin Harcourt

*The Oxford Handbook to Tudor Drama* is the authoritative secondary text on Tudor drama. It both integrates recent important research across different disciplines and periods and sets a new agenda for the future study of Tudor drama, questioning a number of the central assumptions of previous studies. Balancing the interests and concerns of scholars in theatre history, drama, and literary studies, its scope reflects the broad reach of Tudor drama as a subject, inviting readers to see the Tudor century as a whole, rather than made up of artificial and misleading divisions between 'medieval' and 'renaissance', religious and secular, pre- and post-Shakespeare. The contributors, both the established leaders in their fields and the brightest young scholars, attend to the contexts, intellectual, theatrical and historical within which drama was written, produced and staged in this period, and ask us to consider afresh this most vital and complex of periods in theatre history. The book is divided into four sections: Religious Drama; Interludes and Comedies, Entertainments, Masques, and Royal Entries; and Histories and political dramas.

*Macbeth* Henry Holt and Company (BYR)

Retells in rhyming couplets the Shakespearean tragedy about the eleventh-century Scottish king.

**Problem-Based Learning** Simon and Schuster

King Lear is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth's pseudohistorical History of the Kings of Britain (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

#1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom

had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.
