Pre-Intermediate/in Company 3.0 Longman

Ideal for teachers looking for an easy-to-use adult general English course, Straightforward, is flexible and simple to use, based around 12 topics per level. It always takes the most suitable methodological approach to what is being taught, resulting in the perfect balance of skills and language work.

Extra section including functional language, writing skills, grammar notes and word lists round off the Students Book. Key Features: Simple enough for new teachers to use; flexible enough for the Straightforward. Upper Intermediate. Student's Book. Con CD Audio. Per Le Scuole Superiori Macmillan Higher Education Like no other text for the intermediate microeconomics course, Goolsbee, Levitt, and Syverson's Microeconomics bridges the gap between today's theory and practice, with a strong empirical dimension that lets students test theory and successfully apply it. With carefully crafted features and vivid examples, Goolsbee, Levitt, and Syverson's text helps answer two critical questions students ask, "Do people and firms really act as theory suggests?" and "How can someone use microeconomics in a practical way?" The authors teach in economics departments and business schools and are active empirical microeconomics researchers. Their grounding in different areas of empirical research allows them to present the evidence developed in the last 20 years that has tested and refined fundamental theories. Their teaching and professional experiences are reflected in an outstanding presentation of theories and applications.

The Business 2.0, Upper Intermediate Palgrave

Business Advantage Intermediate Teacher's Book South Western Educational Publishing

Business Start-up is a two-level (CEF level A1/A2) Business English course for adults who need English for their work. This new Business English course takes beginners and false beginners from basic English up to the point where they can start preparing for the BEC Preliminary examination. Business Start-up brings reality to the most basic levels of language learning through the use of authentic material, real companies and credible communication scenarios, ensuring that adult learners remain interested and motivated. Communication skills are carefully prioritized, allowing learners to start working in English at the earliest opportunity. To complement the professional English syllabus, the final lesson in each unit deals with a 'Time Out' topic, focusing on essential language for travel and socializing, allowing learners to build important general vocabulary. The Business Start-up Workbooks provide self-study practice of the language from the Student's Books. In addition, the Workbooks come with a free CD-ROM/Audio CD containing extra grammar, listening and vocabulary practice. This version is available in German-speaking markets only.
