By following an approach to macroeconomics that is consistent with current macroeconomic research, students become better prepared for advanced study in economics. The 6th Edition captures the latest developments in macroeconomic thinking, applied to recent economic events and developments in macroeconomic policy. With the financial crisis receding, new challenges that macroeconomists and policymakers currently

need to address are covered in the text.

Macroeconomics Principles 6th Edition

Recently, I was browsing on Amazon and found "LOOK INSIDE" available for the more expensive hardback of "Principles of Economics by Gregory Mankiw 6th edition". As I was reading some of the "LOOK INSIDE" text, many phrases brought on memories of that wonderful book I read in 1988. At last, I found it.
