"Let us make love as we make philosophy" is the theme of Plato's revisionist final dialogue--the imaginative core of the novel. Plato's Last Love transports the reader from today's France and England to medieval Provence and Spain as well as ancient Greece of the fourth century, setting of the dialogue, The Erotic. The work has been lost for centuries but resurfaces in Provence and today's world "like a submarine in mid-ocean," creating a chain of events related to three spectacular love stories. The action involves the brilliant, amorous professor, Philip Platner, the stunning but love-shy doctoral candidate, Dora von Neubeck, the dynamic, ambitious lecturer Adele Mansfield, and special forces major Lawrence Hunter, who constitute a motley but undefeatable investigative team in search of the lost Plato manuscript. They tangle with dangerous criminal elements in the South of France as well as the shadowy head of a mysterious, fanatical monastic order. This tale--involving non-stop action, passion, medieval romance, and a philosophical dialogue with Plato, Aristotle, and Hippocrates, as well as a love potion and the bewitching philosophy student, Kyniska--beloved of Plato--unfolds at a swift pace and culminates in a magical hymn to love.

The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called "Double Consciousness," a sensitivity that every African American possesses in order to survive.

Since childhood, Ailey Pearl Garfield has understood Du Bois's words all too well. Bearing the names of two formidable Black Americans--the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers--Ailey carries Du Bois's Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother's family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that's made all the more difficult by a hovering trauma, as well as the whispers of women--her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries--that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family's past, uncovering the shocking tales of generations of ancestors--Indigenous, Black, and white--in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story--and the song--of America itself.

Welcome back to Juniper Springs, home of gay ducks and the LOLS. Okay, so here's the thing. I'm Liv, the normal O'Bryan sister. I have two kids I'm raising on my own, and I even have what people think is a boring job. Going to Vegas with my insane sisters is out of character for me, but I take that chance because of my new job. And let's face it. I lost my husband over five years ago and I just haven't...well...there's been no one. But an altercation with some drunken idiots has me almost falling on my butt, until a set of very strong hands save me. Mason Spencer is younger, beyond sexy, and interested in me. So, I give in for one night. Can't hurt, right? He goes above and beyond my wildest expectations. The next morning, I say thank you and head back to my life. Until I move in next door to him, and my insane dog Houdini keeps showing up on his doorstep so I can't even avoid him. Worse, Mason tells me he wants more than that one night stand. Worse, he seems to fit right in with my kids and me and I discover that being with him makes me happier than I've been in years. But remember, I'm the normal sister, and there's nothing normal about an older woman with two kids snatching up a young man like Mason. Of course, I've realized that there is nothing normal about the town, so maybe I would fit right in. Author Note: Yep, it's that time again to jump back into Juniper Springs. Home of Little Old Ladies, the Juniper Springs Express, and a seriously younger man with his mind set on his sexy neighbor. There's a rescue dog with a mohawk who lives up to his name, and a meddling younger sister determined to help Liv find love.

"Wine was free, but we had to pay for water." Joe Chiriaco and his thirteen siblings heard this from their Italian immigrant father as he recounted his ocean journey to America. In the face of limited water and rudimentary dirt roads, Joe and his Norwegian wife, Ruth Bergseid, founded Chiriaco Summit in the 1930s, a desert travel oasis on today's Interstate 10 between Phoenix and Los Angeles, promising to serve the world on wheels. The twenty-four-seven challenges are lightened with the courtship of two feisty lovers, the frolicking of youngsters in the desert, more loves, and the juxtaposition of some very imposing personalities, including those of Joe Chiriaco and General Patton. After moving through new aqueducts and highways, military camps, societal upheavals, and a welcome new set of hard-working immigrants, the twenty-first century brings provisions for electric cars, modern aircraft, and ATV facilities outside Joshua Tree National Park from whence the first Summit waters flowed.

If you decide you're finally going to find the perfect place to live and put the house of your dreams on that spot, you'd never do it without the best possible construction techniques, methods, materials, and finishes. Yet when it comes to your dream relationship, it's rare that any of that happens. Your average couple doesn't stop to design their relationship. Instead they get mesmerized by intense attraction and desire, believing that love will be enough to get them through and keep them happy over the long haul. Banking on this is, no doubt, a significant factor in why marriage rates are going down and divorce rates remain discouragingly high. Relationship Architect Geoff Laughton has spent the last 20 years helping individuals and couples design, build, and learn to maintain their ideal relationship, based on time-tested techniques, perspectives, and ways of communicating, many of which were learned in the course of Geoff doing those exact steps with his own marriage of over three decades. Based on that experience, as well as wisdom gained from working with over 1000 people, Geoff has noticed that men,

in particular, are extremely challenged in knowing how to be masters of co-creating conscious, sacred relationships, while their partners struggle to understand how their partner could be so challenged in that regard. With *Built To Last: Designing & Maintaining a Passionate, Loving and Lasting Relationship*, Geoff has created a book that synthesizes over 30 years of experience, techniques, tools, and instructional stories from his practice that will allow men and their partners to no longer grope in the dark for solutions to their frustrations and confusions. This book will help you learn how you can proactively avoid traps that fell the average relationship, how to have your best chance of restoring a near-crumbling relationship, and ways to design a relationship in a conscious way so that you're each able to be inter-dependent allies and champions for your needs and dreams. Better still, this book lays it out in a real, pragmatic, and straight-talking way that doesn't require a Ph.D. in psychology to understand the possibilities.

Revelation is addressed to the churches in chapter one and for the churches in the last chapter. One would expect God 's last love letter to be a favorite book among Christians, but it isn 't. It isn 't because it isn 't understood. This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India. " From the first, I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times, and not as a text to figure out the sequence of the end times. This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation. So, I had to read his manuscript to see if in fact he had come upon something I had missed. I am convinced that he has. I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers, and the resources available to us to do just that as the end approaches. And the book is more than that, for it does not side-step the questions that are raised as one reads the book of Revelation. " —Stephen R. Bradley, Director of Field Education, Columbia Bible College. Columbia, South Carolina
