Ever had a dream so real it feels like a memory? I've had those kinds of dreams since I was a kid. Each one of a beautiful girl, who is my best friend. We grow up together on a sunny island surrounded by water that's as blue as her eyes. We share all our

hopes and fears until we realize we belong to each other in every way one person claim another. She is my own personal serenity. Sweet story, eh? Well forget about it. The cold, harsh reality is that I'm a twenty-year-old, Manhattan bred, manwhore, who uses his fists to solve his problems. The only comfort I find is inside a bottle... and the dreams. But the dreams are my illness not my cure. Just when things look the darkest, the sun slaps me square in the jaw. I spot a picture of a scenic island surrounded by the bluest water – my island. If the island exists then so must the girl, right? So I'm headed to Serenity, Texas to find my girl and make some sense out of the chaos that is my life. Feel free to tag along, but this journey comes with a steep warning — dreams can turn into nightmares in the blink of an eye. My name is Jason Flynn and this is our story.
