Bestselling author and Zen Master Thich Nhat Hanh transforms an ancient folktale into a timeless parable of a young woman who dares to risk her life for her faith. Born to an aristocratic family in rural Vietnam, Kinh Tam's uncommon beauty and intelligence were obvious to all she encountered. From an early age she was drawn to the teachings of Buddha and the rewards of a monastic life, but to please her family she agreed to walk the traditional path of marriage. Throughout her marriage, Kinh Tam's mind was devoted to her husband but her heart never waived from her true calling. She wanted to be a monk. And yet Buddhism was still new to Vietnam and temples accepted only men for ordination. Making a decision that would forever change her life, Kinh Tam left town, disguised herself as a man, and joined a monastery as a novice. Despite the many challenges of living as a man, Kinh Tam thrived and became a beloved member of the community. Years of profound joy and peace passed until a local woman accuses the novice of fathering her unborn child. Kinh Tam is torn between two impossible choices: keep her secret and endure brutal punishment or reveal the truth that would prove her innocence but put an end to her spiritual path. Facing the unbearable with the boundless heart of Buddha, her choice forever changes her life, her country, and her faith. In spare, elegant prose, Thich Nhat Hanh reminds us that we, too, face our own injustices and suffering, and by connecting with love, we can, like Kinh Tam, discover a mind and heart that are peaceful, happy, and free.

In her most famous novel, *The Mandarins*, Simone de Beauvoir takes an unflinching look at Parisian intellectual society at the end of World War II. In fictionally relating the stories of those around her -- Jean-Paul Sartre, Albert Camus, Arthur Koestler, Nelson Algren -- de Beauvoir dissects the emotional and philosophical currents of her time. At once an engrossing drama and an intriguing political tale, *The Mandarins* is the emotional odyssey of a woman torn between her inner desires and her public life. "Much more than a roman a clef . . . a moving and engrossing novel." -- New York Times

A language of Indic origin heavily influenced by European idioms for many centuries now, Romani provides an interesting experimental field for students of language contact, linguistic minorities, standardization, and typology. Approaching the language via its ever-surfacing character as a language in contact, the volume gives expression to part of the wide range of research represented in today's field of Romani linguistics. Contributions focus on problems in typological change and structural borrowing, lexical borrowing and lexicial reconstruction, the

Iranian influence on the language, interdialectal interference, language mixing, Romani influences on slang and argot, grammatical categories in discourse, standardization and literacy in a multilingual community, and plagiarism of data in older sources. The authors discuss dialects spoken in the Czech and Slovak Republics, Serbia, Macedonia, Germany, Poland, and Romania, as well as related varieties in Spain and the Middle East.

Featuring his famous literary detective Atticus Pund and Susan Ryeland, hero of the worldwide bestseller *Magpie Murders*, a brilliantly complex literary thriller with echoes of Agatha Christie from New York Times bestselling author Anthony Horowitz. Retired publisher Susan Ryeland is living the good life. She is running a small hotel on a Greek island with her long-term boyfriend Andreas. It should be everything she's always wanted. But is it? She's exhausted with the responsibilities of making everything work on an island where nothing ever does, and truth be told she's beginning to miss London. And then the Trehearnes come to stay. The strange and mysterious story they tell, about an unfortunate murder that took place on the same day and in the same hotel in which their daughter was married—a picturesque inn on the Suffolk coast

named Farlingaye Hall—fascinates Susan and piques her editor's instincts. One of her former writers, the late Alan Conway, author of the fictional *Magpie Murders*, knew the murder victim—an advertising executive named Frank Parris—and once visited Farlingaye Hall. Conway based the third book in his detective series, *Atticus Pund Takes the Cake*, on that very crime. The Trehearne's daughter, Cecily, read Conway's mystery and believed the book proves that the man convicted of Parris's murder—a Romanian immigrant who was the hotel's handyman—is innocent. When the Trehearnes reveal that Cecily is now missing, Susan knows that she must return to England and find out what really happened. Brilliantly clever, relentlessly suspenseful, full of twists that will keep readers guessing with each revelation and clue, *Moonflower Murders* is a deviously dark take on vintage English crime fiction from one of its greatest masterminds, Anthony Horowitz.

The Lord of the Rings Penguin

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank

Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

Waterfalls of Malaysia Bennett, Coleman and Co. Ltd

Indrajal Comics began publishing self-titled monthly issues in March 1964. Each of the first 10 issues had 16 pages of Phantom comics. The stories had to be edited to fit this short format. The remaining 12 pages were dedicated to other content, similar to Gold Key's style. In the next 19 issues it became 20-24 pages. As the series continued, different characters would share the spotlight. Characters such as Flash Gordon, Mandrake the Magician, Bahadur, Kerry Drake, Rip Kirby, Garth, Mike Nomad and Buz Sawyer appeared - as well as Disney characters Robin Hood and Mickey Mouse along with Goofy, but the majority of the series spotlighted The Phantom. So much so that the series is often erroneously referred to as "The Phantom" instead of the correct "Indrajal Comics". In due course the publication became fortnightly and then weekly by 1981. The numbering of books which was simply sequential in the beginning then changed to have the typical volume and a number. Indrajal Comics #444 was

labeled as Vol.20 and No.1. The front cover design changed with distinct banner containing the title "Indrajal Comics" with a small circle showing the face of the main character. A total of 803 Indrajal Comics were published, excluding #123 and #124 which were not printed due to industrial strike action. More than half of these issues contained Phantom stories. The publishing stopped in 1990. The cover artwork for the first 50 or so issues of Indrajal Comics was done by B.Govind, with the back cover featuring a pin-up poster. His artwork became very popular and even said to have matched the artwork on the covers of international phantom publications such as Gold key or Frew. To avoid confusion among Indian readers, there were some minor changes done to the name of the Phantom's location and some characters in stories published in Indrajal Comics. The term " Bengali" or "Bengalla" or "Bengal" was changed to "Denkali" and in some issues "Dangalla" as well. This was since there is a state called "Bengal" in India and this may lead the readers to wonder about the "Pygmy" people that don't exist in Bengal. The name of the "Singh Brotherhood" was changed to "Singa Brotherhood" and the killer of the father of the current (21st) Phantom was changed from "Rama" to "Ramalu" although the latter too is one of the common names in India. Apart from English, Indrajal Comics published the stories in at least a dozen other Indian languages including Hindi, Bengali, Tamil and Kannada. Contents: Indrajal Comics #15 The Unknown Commander May 1, 1965 Indrajal Comics #14 The Mystery Of The Rattle April 1, 1965 Indrajal Comics #13 The Phantom And Samaris March 1, 1965 Indrajal Comics #12 The Phantom Is Chained February 1, 1965 Indrajal Comics #11 The Phantom's Treasure January 1, 1965 Indrajal Comics #10 The Phantom's Ring December 1, 1964 Indrajal Comics #9 Thugs in Denkali November 1, 1964 Indrajal Comics #8 The Playmate October 1, 1964 Indrajal Comics #7 The Man-Eating Plant September 1, 1964 Indrajal Comics #6 The Lunar Cult August 1, 1964 Indrajal Comics #5 The Phantom's Isle Of Eden July 1, 1964 Indrajal Comics #4 The Phantom And The Impostor June 1, 1964 Indrajal Comics #3 The Challenge Of Cannibals May 1, 1964 Indrajal Comics #2 Prince Orq April 1, 1964 Indrajal Comics #1 The Phantom's Belt March 1, 1964 This collection was only possible thanks to all the comic fans around the world!
