Magento User Guide

This guide is intended for web storeowners  
and first-time users of Magento CE. It  
provides a quick guide through the most  
important steps for getting your web store up  
and running and ready for selling online. The  
options described in this user guide enable  
you to generate a feature-rich and attractive  
GitHub - magento/merchdocs: Magento User Guide  
User-Friendly: As a starting point, Magento is a user-  
friendly solution for those without the technical  
expertise to code a unique solution off their own  
back. The admin area is designed to be accessible to  
those without extensive knowledge or experience, so  
you should find it easy to piece together the basics of  
your online store yourself.

Magento Help Center User Guide – Magento Help  
Center

This document is a User Guide for CMS Display  
Rules module for Magento. It describes how work  
with the extension. CMS Display Rules allows setting  
visibility rules for CMS pages as well as static blocks.  
Visibility can be limited by user group (so that, for  
example, only wholesalers see certain CMS pages) as  
well as by a period of
