After two devastating defeats and the utter annihilation of two armies, the hideous Vlagh still vows to invade the land of Dhrall. A voracious insectile overmind, she can breed millions of soldiers in mere days and even evolve entire new species in just a week. At first, Dhrall's mortal defenders—a motley bunch of mercenaries, pirates, horse lords, and lone heroes like the archer Longbow—are certain they'll prevail again. Most are now battle-hardened veterans, and the natives of Dhrall are fierce bison hunters and bear slayers, ready to fight. But while the Vlagh's past servants were giant, venomous, and mindless bugs, it has now created perfect spies: new minions with a man's appearance and intelligence. Corrupted by the agents of the Vlagh, the human tribes are soon at one another's throats. Far, far worse for mortals is the fact that the Gods can no longer be trusted. For, nearing the end of their 25,000 year cycle, the Elder Gods are doddering toward senility and dementia. And to add to mankind's plight, a strange mysterious entity is manipulating the forces in the

upcoming strife and neither gods nor mortals know its true intentions. Now, beset by astonishing, dire challenges, Longbow and his fellow mortals must wage a bitter war against a supernatural enemy—one that has evolved in ways they could have never imagined...
Castle Of Wizardry Del Rey
The beloved Sparhawk undertakes a perilous new quest in the Tamuli series from New York Times bestselling author David Eddings. Danger stalked Queen Ehlana 's realm. It began with peasants whispering that the bloody heroes of old would rise again. Soon outlaw bands were ravaging the hill country, while the Trolls disappeared from their icy northern haunts—and none could say where they had gone. Then came an ambassador from the far-off Tamul empire, begging aid. Monsters, ancient warriors, and foul magics were tearing their empire apart. Sparhawk, Ehlana 's champion and Prince Consort, was the Emperor 's last hope, for surely the knight who had killed the evil God Azash could prevail against the terror in Tamuli. Thus did Sparhawk and his Queen begin the perilous trek to the far-distant empire of the east.

With them journeyed a handful of trusted companions: the stalwart champions of the four Militant Orders, the knight Berit, Mirtai the giantess, Princess Danae, and the young thief Talen. At the journey's end waited a glittering court seething with corruption, treachery—and the greatest danger Sparhawk would ever face!

High Hunt Del Rey

An edgy, realistic debut novel praised by the New York Times bestselling author of *Between Shades of Gray*, Ruta Sepetys, as “a beautiful reminder that amid our broken pieces we can truly find ourselves.” Alexi Littrell hasn't told anyone what happened to her over the summer by her backyard pool. Instead, she hides in her closet, counts the slats in the air vent, and compulsively scratches the back of her neck, trying to make the outside hurt more than the inside does—and deal with the trauma. When Bodee Lennox—“the Kool-Aid Kid”—moves in with the Littrells after a family tragedy, Alexi discovers an unlikely friend in this quiet, awkward boy who has secrets of his own. As their friendship grows, Alexi gives him the strength to deal with

his past, and Bodee helps her summon the courage to find her voice and speak up about the rape that has changed the course of her life.

Then Sparhawk, Knight and Queen's Champion, learned that the cure for the poison was the Bhellion, the great jewel lost when Sarak of Thalesia had died in battle, five hundred years before. Sparhawk and his companions set forth to find King Sarak's grave by raising ghosts of those who had perished in that ancient battle. The Seeker, an insectile monster spawned of the evil God Azash, hounded their every step. Still Sparkawk pressed on, driven by desperate need. They had to find Bhellion before his queen could perish. Domes of Fire Aspect David and Leigh Eddings were mythmakers and world builders of the first order. With *The Redemption of Althalus*, the authors of the *Belgariad* and *Malloreon* sagas created a thrilling stand-alone epic—boldly written and brilliantly imagined. It would be sheer folly to try to conceal the true nature of Althalus, for his flaws are the stuff of legend. He is, as all men know, a thief, a liar, an occasional murderer, an outrageous braggart, and a man devoid of even the slightest hint of honor. Yet of all the men in the world, it is Althalus, unrepentant rogue and scoundrel, who will become the champion of humanity in its desperate struggle against the forces of an ancient god determined to return the universe to nothingness. On his way to steal *The Book* from the *House at the End of the World*, Althalus is confronted by a cat—a cat with eyes like emeralds, the voice of a woman, and the powers of a goddess. She is Dweia, sister to *The Gods* and a greater thief even than Althalus. She must be: for in no time at all, she has stolen

his heart. And more. She has stolen time itself. For when Althalus leaves the *House at the End of the World*, much wiser but not a day older than when he'd first entered it, thousands of years have gone by. But Dweia is not the only one able to manipulate time. Her evil brother shares the power, and while Dweia has been teaching Althalus the secrets of *The Book*, the ancient God has been using the dark magic of his own *Book* to rewrite history. Yet all is not lost. But only if Althalus, still a thief at heart, can bring together a ragtag group of men, women, and children with no reason to trust him or each other. Praise for *The Redemption of Althalus* “ Highly recommended . . . Featuring a cast of engaging characters, some fanciful plot twists, and a light-hearted atmosphere that should appeal strongly to fans and first-time readers alike. ” —Library Journal “ The story takes off. The interactions between characters, straightforward plotting, and doses of wry humor keep the tale humming. ” —Booklist “ An engaging young reprobate hero . . . [A] magical realm of good-natured fun. ” —Publishers Weekly “ A compelling, involving

story. ” —Science Fiction Chronicle

Demon Lord of Karanda Aspect Sparhawk ’ s epic quest comes to a riveting conclusion in Book Three of The Tamuli. The Pandion Knight Sparhawk had bested the massed forces of the God Cyrgon upon the field of battle. But victory turned to ashes when the foul God ’ s minions kidnapped Sparhawk ’ s wife, the beautiful Queen Ehlana.

Sparhawk must surrender Bhelliom, the awesome jewel of power—or Ehlana would die. But Cyrgon ’ s lackeys had misjudged their foe. Sparhawk fought on, and none of his companions flinched from the awesome struggle, though each must vanquish forces of evil from Tamuli ’ s dark past, and from fetid places beyond human ken. Still, the full magnitude of their peril was yet to be revealed . . .

Cyrgon had dared the unthinkable: He had called forth Kleal, Bhelliom's opposite, to rend the very world asunder. Thus, as it had ever been decreed, would Bhelliom and Kleal contend for the fate of this world—even as the man Sparhawk must finally face the God Cyrgon, in mortal combat and alone . . .
