The Random House Book of Old Roses Minotaur Books Moke and Poki in the Rain ForestHarperCollins Publishers [Oral History in Your Library: Create Shelf Space for Community Voice](#) Cornell University Libraries, Department of Manuscripts & University Archives

From the Pulitzer Prize-winning author of *Battle Cry of Freedom*—an impressive scholarly tour de force and a lively, highly accessible account of the sentiments of both Northern and Southern soldiers during the national trauma of the Civil War. In *Battle Cry Of Freedom*, James M. McPherson presented a fascinating, concise general history of the defining American conflict. With *What They Fought For*, he focuses his considerable talents on what motivated the individual soldier to fight. In an exceptional and highly original Civil War analysis, McPherson draws on the letters and diaries of nearly one thousand Union and Confederate soldiers, giving voice to the very men who risked their lives in the conflict. His conclusion that most of them felt a keen sense of patriotic and ideological commitment counters the prevailing belief that Civil War soldiers had little or no idea of what they were fighting for. In their letters home and their diaries—neither of which were subject to censorship—these men were able to comment, in writing, on a wide variety of issues connected with their war experience. Their insights show how deeply felt and strongly held their convictions were and reveal far more careful thought on the ideological issues of the war than has previously been thought to be true. Living only eighty years after the signing of the Declaration of Independence, Civil War soldiers felt the legacy and responsibility entrusted to them by the Founding Fathers to preserve fragile democracy—be it through secession or union—as something worth dying for. In *What They Fought For*, McPherson takes individual voices and places them in the great and terrible choir of a country divided against itself. *The Mask of Ra* Harvard Ukrainian

Most people are asking, "Where are the skunks?" Have they disappeared? If so, then there is no such report. But, we find that the skunks seem to be here and doing well. This book seeks to groom the reader with facts that demonstrate that skunks are far more than stinky. Skunks are quite successful and elusive, and there are some reasons we are not seeing them about. Read and enjoy the full-color photos, timely fact, and how these kind and cuddly critters are more than just a bad odor.

The Symphonic Poem in Britain 1850-1950 aims to raise the status of the genre generally and in Britain specifically. The volume reaffirms British composers' confidence in dealing with literary texts and takes advantage of the contributors' interdisciplinary expertise by situating discussions of the tone poem in Britain in a variety of historical, analytical and cultural contexts. This book highlights some of the continental models that influenced British composers, and identifies a range of issues related to perceptions of the genre.

Richard Strauss became an important figure in Britain during this time, not only in terms of the clear impact of his tone poems, but the debates over their value and even their ethics. A focus on French orchestral music in Britain represents a welcome addition to scholarly debate, and links to issues in several other chapters. The historical development of the genre, the impact of compositional models, issues highlighted in critical reception as well as programming strategies all contribute to a richer understanding of the symphonic poem in Britain. Works by British composers discussed in more detail include William Wallace's *Villon* (1909), Gustav Holst's *Beni Mora* (1909-10), Hubert Parry's *From Death to Life* (1914), John Ireland's *Mai-Dun* (1921), and Frank Bridge's orchestral 'poems' (1903-15).

[Vehicle Maintenance Log Book](#) Macmillan

This harrowing tale of a young girl in the slums is a searing portrayal of turn-of-the-century New York, and Stephen Crane's most innovative work. When published, it broke new ground with its vivid characters, its brutal naturalism, and its empathic rendering of the lives of the poor. It remains both powerful, severe, and harshly comic (in Alfred Kazin's words) and a masterpiece of modern American prose. This edition includes Maggie and George's Mother, Crane's other Bowery tales, and the most comprehensive available selection of Crane's New York journalism. A very little boy stood upon a heap of gravel for the honor of Rum Alley. He was throwing stones at howling urchins from Devil's Row who were circling madly about the heap and pelting at him. His infantile countenance was livid with fury. His small body was writhing in the delivery of great, crimson oaths. "Run, Jimmie, run! Dey'll get yehs," screamed a retreating Rum Alley child. "Naw," responded Jimmie with a valiant roar, "dese micks can't make me

run." Howls of renewed wrath went up from Devil's Row throats. Tattered gamins on the right made a furious assault on the gravel heap. On their small, convulsed faces there shone the grins of true assassins. As they charged, they threw stones and cursed in shrill chorus. The little champion of Rum Alley stumbled precipitately down the other side. His coat had been torn to shreds in a scuffle, and his hat was gone. He had bruises on twenty parts of his body, and blood was dripping from a cut in his head. His wan features wore a look of a tiny, insane demon. On the ground, children from Devil's Row closed in on their antagonist. He crooked his left arm defensively about his head and fought with cursing fury. The little boys ran to and fro, dodging, hurling stones and swearing in barbaric trebles. From a window of an apartment house that upreared its form from amid squat, ignorant stables, there leaned a curious woman. Some laborers, unloading a scow at a dock at the river, paused for a moment and regarded the fight. The engineer of a passive tugboat hung lazily to a railing and watched. Over on the Island, a worm of yellow convicts came from the shadow of a building and crawled slowly along the river's bank. A stone had smashed into Jimmie's mouth. Blood was bubbling over his chin and down upon his ragged shirt. Tears made furrows on his dirt-stained cheeks. His thin legs had begun to tremble and turn weak, causing his small body to reel. His roaring curses of the first part of the fight had changed to a blasphemous chatter. In the yells of the whirling mob of Devil's Row children there were notes of joy like songs of triumphant savagery. The little boys seemed to leer gloatingly at the blood upon the other child's face.
