Don't know what to write in your journal? We've got that covered for you. This is an invitation to be courageous and trust your truth inside. Real transformation can happen then! As you move through this inner journey, you'll be prompted with coaching questions and

---

provocative journaling exercises. You're invited to take inventory, explore your buried dreams and re-awaken your true voice. Laurel's 22 years as a life coaching and therapist are distilled into these eight chapters in which you learn the lessons she teaches again and again. You'll be posed many questions that her clients have been asked that led them to find their own inner strength and wisdom. Live Your Inner Power, the Journal invites you to adventure inward and

discover the wisdom of your life lived so far. While you dedicate time to this sacred journey, you can lovingly return to a basic trust of your authentic impulses. These impulses are personal signposts that can lead to taking the next steps for your growth and fulfillment. As you learn the transformational practices of the Inner Power Wheel, you begin the integration of these new habits into your life. Through this process you have the opportunity to turn heartache into wisdom,

anxiety into clarity, and dreams into reality. You have the power to craft a life that will fulfill your special and unique dreams! The first step is coming home to your authentic nature and true voice. Live Your Inner Power, the Journal can reveal to you the heroic story of your life and the deepest callings from your soul. This is a treasure of coaching wisdom brought right into your hands to move through at your own pace. Additional resources are available upon purchase that include guided audio

meditations, video extras and support connections.

Color Guard Dad Disney Books for Young Readers

This harrowing tale of a young girl in the slums is a searing portrayal of turn-of-the-century New York, and Stephen Crane's most innovative work. When published, it broke new ground with its vivid characters, its brutal naturalism, and its empathic rendering of the lives of the poor. It remains both powerful, severe, and harshly comic (in Alfred Kazin's words) and a masterpiece of modern American prose. This edition

includes Maggie and George's Mother, Crane's other Bowery tales, and the most comprehensive available selection of Crane's New York journalism. A very little boy stood upon a heap of gravel for the honor of Rum Alley. He was throwing stones at howling urchins from Devil's Row who were circling madly about the heap and pelting at him. His infantile countenance was livid with fury. His small body was writhing in the delivery of great, crimson oaths. "Run, Jimmie, run! Dey'll get yehs," screamed a retreating Rum Alley child. "Naw," responded

Jimmie with a valiant roar, "dese micks can't make me run." Howls of renewed wrath went up from Devil's Row throats. Tattered gamins on the right made a furious assault on the gravel heap. On their small, convulsed faces there shone the grins of true assassins. As they charged, they threw stones and cursed in shrill chorus. The little champion of Rum Alley stumbled precipitately down the other side. His coat had been torn to shreds in a scuffle, and his hat was gone. He had bruises on twenty parts of his body, and blood was dripping from a cut in his head. His wan

---

features wore a look of a tiny, insane demon. On the ground, children from Devil's Row closed in on their antagonist. He crooked his left arm defensively about his head and fought with cursing fury. The little boys ran to and fro, dodging, hurling stones and swearing in barbaric trebles. From a window of an apartment house that upreared its form from amid squat, ignorant stables, there leaned a curious woman. Some laborers, unloading a scow at a dock at the river, paused for a moment and regarded the fight. The engineer of a passive tugboat

hung lazily to a railing and watched. Over on the Island, a worm of yellow convicts came from the shadow of a building and crawled slowly along the river's bank. A stone had smashed into Jimmie's mouth. Blood was bubbling over his chin and down upon his ragged shirt. Tears made furrows on his dirt-stained cheeks. His thin legs had begun to tremble and turn weak, causing his small body to reel. His roaring curses of the first part of the fight had changed to a blasphemous chatter. In the yells of the whirling mob of Devil's Row children there were notes of joy

like songs of triumphant savagery. The little boys seemed to leer gloatingly at the blood upon the other child's face.

What They Fought For  
1861-1865 Parragon Publishing  
India

His great battles against the sea raiders in the Nile Delta have left Pharaoh Tuthmosis II weak and frail, but he finds solace in victory and the welcome he is sure to receive on his return to Thebes. Across the river from the Egyptian capital, however, not all take pleasure in his homecoming. Reunited with his wife, Hatusu, and his people, Tuthmosis stands before the statue of Amun-Ra,

---

the roar of the crowd and the fanfare of the trumpets ringing in his ears. But within an hour the Pharaoh is dead, and his unfinished tomb ritually polluted by a witch. The people of Thebes cannot forget the murder and the desecration any more easily than they can forget the frightful omen of wounded doves flying overhead. Rumor runs rife, speculation sweeps the royal city, and Hatusu vows to uncover the truth. With the aid of Amerotke, a respected judge of Thebes, she embarks on a path destined to reveal the great secrets of Egypt. The Mask of Ra is a compelling and dramatic novel set against the background of Egypt's eighteenth dynasty--a time of great change, as warlike

Pharaohs fought to control not only the tribes on their western and southern borders, but to bring their subjects firmly under their rule.

Information on Tagalog grammar. A guide to pronouncing Tagalog correctly. Other books from this bestselling series you might enjoy are: Pocket Vietnamese Dictionary, Pocket Cambodian Dictionary, Pocket Thai Dictionary, Pocket Indonesian Dictionary, and Pocket Malay Dictionary.

### Beautiful Transfers

Minotaur Books  
From the Pulitzer Prize-winning author of *Battle Cry of Freedom*—an impressive scholarly tour de force and a lively, highly accessible account of the sentiments of

---

both Northern and Southern soldiers during the national trauma of the Civil War. In *Battle Cry Of Freedom*, James M. McPherson presented a fascinating, concise general history of the defining American conflict. *With What They Fought For*, he focuses his considerable talents on what motivated the individual soldier to fight. In an exceptional and highly original Civil War analysis, McPherson draws on the letters and diaries of nearly one thousand Union and Confederate soldiers, giving voice to the very men who risked their lives in the conflict. His conclusion that most of them felt a keen sense of patriotic and ideological commitment counters the prevailing belief that Civil War soldiers had little or no idea of what they were fighting for. In their letters home and their diaries--neither of which were subject to censorship--these men were able to comment, in writing, on a wide variety of issues connected with their war experience. Their insights show how deeply felt and strongly held their convictions were and reveal far more careful thought on the ideological issues of the war than has previously been thought to be true. Living only eighty years after the signing of the Declaration of Independence, Civil War soldiers felt the legacy and responsibility entrusted to them by the Founding Fathers to preserve fragile democracy--be it through secession or union--as something worth dying for. In *What They Fought For*,

---

McPherson takes individual voices and places them in the great and terrible choir of a country divided against itself. Organisational Culture for Information Managers FriesenPress "In 1980 Lucy Lippard argued that feminist art is "neither a style nor a movement" but rather "a value system, a revolutionary strategy, a way of life." New Time: Art and Feminisms in the Twenty-First Century takes Lippard's statement as a point of departure, examining the values,

strategies, and ways of life reflected in recent feminist art. Although artworks made since 2000 are the primary focus, the objects and installations discussed span several generations, mediums, geographies, and political sensibilities, conveying the heterogeneous, intergenerational, and gender-fluid nature of feminist practices. In keeping with Griselda Pollock's observation that "feminism is a historical project and thus is itself constantly shaped and remodelled in relation to the

living process of women's struggles," New Time argues that feminist art in the twenty-first century encompasses myriad issues and perspectives and therefore cannot be reduced to a single subject, style, or agenda. It further reflects the forms of resistance that are constantly emerging in response to developments in politics and society. This richly illustrated volume presents works by more than seventy artists and collectives, including Laura Aguilar, Louise Bourgeois, Andrea Bowers, Judy

---

Chicago, Ellen Gallagher, Luchita Hurtado, Lynn Hershman Leeson, Kalup Linzy, Goshka Macuga, Mai-Thu Perret, Carol Rama, Kiki Smith, Sturtevant, and Kara Walker. It examines their work through themes such as the problematic stereotypes associated with hysteria; the gendered gaze; the revisitation of historical subjects through a feminist lens; fragmented representations of the female body; shifting categories of gender; activism, domesticity, and labor; female anger; and

feminist utopias"--
