Nude bodies painted white, faces turned away from the viewer: this is how Nadav Kander (\*1961 in Israel) photographed the sitters in his latest series. Accessories are minimal, as is the aesthetic, yet at the same time the arrangement makes the mostly voluptuous bodies seem Baroque. One is reminded of the portraits of Elizabeth I with their white lead "masks." In Kander's precisely lit images, with their exquisite colors, white mice run across white skin, a small bird seems tiny perched next to an

odalisque. Red hair plays a role, flowing down over doll-like bodies as if it had a life of its own. Despite the abundance of flesh on display, the images do not have a superficial sense of the erotic. The lack of eye contact and the white makeup function as barriers, and the massiveness of the limbs recalls the works of Hans Bellmer or Lucian Freud. Exhibition: Philips de Pury & Company, London, UK (11.2012-).

From the Pulitzer Prize-winning author of *Battle Cry of Freedom*—an impressive scholarly tour de force and a lively, highly accessible account of the sentiments of both Northern and Southern soldiers during the national trauma of the Civil War. In *Battle Cry of Freedom*, James M. McPherson presented a fascinating, concise general history of the defining American conflict. With *What They Fought For*, he focuses his considerable talents on what motivated the individual soldier to fight. In an

exceptional and highly original Civil War analysis, McPherson draws on the letters and diaries of nearly one thousand Union and Confederate soldiers, giving voice to the very men who risked their lives in the conflict. His conclusion that most of them felt a keen sense of patriotic and ideological commitment counters the prevailing belief that Civil War soldiers had little or no idea of what they were fighting for. In their letters home and their diaries--neither of which were subject to censorship--these men were able to comment, in writing, on a wide variety of issues connected with their war experience. Their insights show how deeply felt and strongly held their convictions were and reveal far more careful thought on the ideological issues of the war than has previously been thought to be true. Living only eighty years after the signing of the

Declaration of Independence, Civil War soldiers felt the legacy and responsibility entrusted to them by the Founding Fathers to preserve fragile democracy--be it through secession or union--as something worth dying for. In *What They Fought For*, McPherson takes individual voices and places them in the great and terrible choir of a country divided against itself.

Superstar singer, bestselling cookbook author, and cooking show host Patti LaBelle shares her favorite dessert recipes and kitchen memories. Her New York Times bestseller *LaBelle Cuisine: Recipes to Sing About*, which sold more than 300,000 copies, established her as a cooking star. Today, Patti's baking skills have the country buzzing. In Fall 2015, a fan's YouTube review of her sweet potato pie became a viral sensation, with over 20 million views. In just one weekend, her pies were completely sold out at Wal-Mart stores across the

country. Now, for the first time, fans of Patti's pie can make their own, as well as other amazing sweets! Filled with her favorite recipes for pies, cakes, cookies, and puddings, as well as a chapter on diabetic-friendly recipes, moving personal stories from her career and life, this is the most personal cookbook LaBelle has written. Every fan of soul and sweets will want to own it.

The second book in the sizzling THE SOUL SEEKERS series from the phenomenally successful author of THE IMMORTALS Daire Santos has already saved her grandmother's life - and her soul. But at a cost: the Richter family has been let loose in the Lowerworld. Daire and her boyfriend Dace Richter must work together to find them before chaos ensues and the balance between good and evil is destroyed. As their relationship deepens, Dace's evil brother Cade grows stronger than ever, building his power and forcing Daire and Dace to confront the horrifying prophecy that has brought them all together. It will leave Daire no choice but to claim her true destiny as Seeker, but only by making an unthinkable sacrifice.

This is the ninth in the 300 series of circuit design books, again contains a wide range of circuits, tips and design ideas.

The book has been divided into sections, making it easy to find related subjects in a single category. The book not only details DIY electronic circuits for home construction but also inspiring ideas for projects you may want to design from the ground up. Because software in general and microcontroller programming techniques in particular have become key aspects of modern electronics, a number of items in this book deal with these subjects only. Like its predecessors in the 300 series, "308 Circuits" covers the following disciplines and interest fields of modern electronics: test and measurement, radio and television, power supplies and battery chargers, general interest, computers and microprocessors, circuit ideas and audio and hi-fi.

Disciple IV St. Martin's Griffin

'For the sake of argument, one must never let a euphemism or a false consolation pass uncontested. The truth seldom lies, but when it does lie it lies somewhere in between.' The global turmoil of the last few years has severely tested every analyst and commentator. Few have written with such insight as Christopher Hitchens about the large events - or with such discernment and with about the small tell-tale signs of a disordered culture. For the Sake of Argument ranges from the political squalor of Washington, as a beleaguered

Bush administration seeks desperately to stave off disaster and Clinton prepares for power, to the twilight of Stalinism in Prague; from the Jewish quarter of Damascus in the aftermath of the Gulf War to the embattled barrios of Central America and the imperishable resistance of Saralevo, as a difficult peace is negotiated with ruthless foes. Hitchens' unsparing account of Western realpolitik in the end shows it to rest on delusion as well as deception. The reader will find in these pages outstanding essays on political assassination in America as well as a scathing review of the evisceration of politics by pollsters and spin-doctors. Hitchens' knowledge of the tortuous history of revolutions in the twentieth century helps him to explain both the New York intelligentsia's flirtation with Trotskyism and the frailty of Communist power structures in Eastern Europe. Hitchens' pointed reassessments of Graham Greene, P.G. Wodehouse and C.L.R. James, or his riotous celebration of drinkiness and smoking, display an engaging enthusiasm and an acerbic wit. Equally entertaining is his unsparing rogues' gallery, which gives us unforgettable portraits of the lugubrious 'Dr' Kissinger, the comprehensively reactionary 'Mother' Teresa, the preposterous Paul Johnson and the predictable P.J. O'Rourke.

"As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket.

For the Sake of Argument  
Macmillan

When the chance to run arrives, Beldon doesn't think twice about escaping into the shadows of an enchanted castle locked in an eternal winter. He just wants to bury a secret. But the castle is a cold, cruel place and his host is less than welcoming. The sparks that fly between them are icy and aggressive; the tension building until one night it almost costs Beldon his life. Then things change. Beldon's attention turns to the shadowy Beast and the mystery that surrounds him. There is a curse to be broken after all and Beldon promised to help find a mysterious figure known as Beauty. However, Beldon did not expect his secret to resurface within this frozen

---

castle and as such he is forced to confront himself and answer one question. As he and The Beast grow closer, does he want this Beauty found?~~~~ The original draft for the community who wanted a physical copy~

**DISCIPLE IV UNDER THE TREE OF LIFE** is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week

study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times. Wig Out! Elsevier His great battles against the sea raiders in the Nile Delta have left Pharaoh Tuthmosis II weak and frail, but he finds solace in victory and the welcome he is sure to receive on his return to Thebes. Across the river from the

Egyptian capital, however, not all take pleasure in his homecoming. Reunited with his wife, Hatusu, and his people, Tuthmosis stands before the statue of Amun-Ra, the roar of the crowd and the fanfare of the trumpets ringing in his ears. But within an hour the Pharaoh is dead, and his unfinished tomb ritually polluted by a witch. The people of Thebes cannot forget the murder and the desecration any more easily than they can forget the frightful omen of wounded doves flying overhead. Rumor runs rife, speculation sweeps the royal city, and Hatusu vows to uncover the truth. With the aid of Amerotke, a respected judge of Thebes, she embarks on a path destined to reveal the great secrets of Egypt. The Mask of Ra is a compelling and dramatic novel set against the background of Egypt's eighteenth dynasty--a time of great change, as warlike Pharaohs fought to control not only the tribes on their western and southern borders, but to bring their subjects firmly under their rule.

This book has been designed to be as a fundamental textbook on surveying, covering all aspects—theory and practical (cases, examples)—for civil engineering students at both degree and diploma level. Written with a student-friendly approach, the book contains solved examples and illustrations for easy understanding of the subject. First ten chapters are the essential concepts needed to be studied in the first semester and the next eight chapters include advanced topics on triangulation,

photogrammetry, remote sensing and astronomy that are meant for higher semesters. Details of survey camp work and extensive survey projects are also dealt with in the chapters and in an Appendix separately. Emphasis is given to the systematic and detailed presentation of topics in one volume to benefit the students in their course work. Key features Illustrative Figures exemplify the theories profoundly Exhaustive Solved Examples to help students grasp the concepts easily Analytical Exercises and Numerical Problems to judge students' comprehension on the subject
