The Diamond Thief Moonshell Books, Inc. Bodie, California. A town so dangerous that the question every morning is, "Has there been a man for breakfast?" This time, it's a woman. Daisy and Frederica Linden have tracked their missing father to Bodie, the most dangerous town in the Wild West, where bad men murder without guilt and single ladies are as rare and valuable as gold. Here they must depend upon the help of the society of absent friends, that secret network of boardinghouse keepers who know everyone's business—and make secrets their stock in trade. But some secrets are fatal, and when the local matchmaker pays the price with her life on the night of the Autumn Ball, the ladies of the society beg Daisy and Freddie to help them find the killer of their fallen sister. Aided by Miss Peony Churchill, an intrepid family of aeronauts, and a Rocky Mountain Detective, the Linden sisters must see justice done and unmask a deadly conspiracy. But in a town where murder is more common than spiked absinthe, will they find themselves in the killer's sights instead? "I finished reading the last page and found myself craving the next mystery in this addictive series. This time, we traveled to Bodie, California - and I knew adventure, mystery and murder couldn't be far behind.." Lori Alden Holuta, author of the Brassbright

Building Her Majesty's new airship for the Engineers World Gathering is no small matter. Especially when a groundbreaking discovery is at stake, and dark secrets are lurking in the shadows. In a Neo-Victorian London of mechanical horses and aerial gondotrams, airship engineer Jasper Kendall Asher has a bright future ahead as the youngest member of the Engineers Order and a secret agent in Her Majesty's service. But a terrible accident brutally changes the course of his career, sending him instead to a dull life as a mechanic among the poor of St. Giles. Three years later, unusual circumstances give him the opportunity to return into service as the main engineer for the Queen's new airship—and a chance to uncover the truth behind the unfortunate event that changed his life. Along with an outlandish woman navigator, a reckless female agent, and his taciturn brother, Jasper resumes his work. From his workbench, to London's airharbour, to remote Scottish villages, he follows the trail of a scientific discovery that promises to reveal much darker plots than he initially imagined in his search for answers.

But when Emmeline gains magical insight into a disastrous future battle, she weaponises her wild reputation in order to draw trouble and death away from her adopted home – risking everything and everyone she loves in the process. Iron Lights is a steam-powered tale of honour, love, magic, adventure, and mechanical spiders.

Magnificent Devices: A steampunk adventure novel with smart women inventors Simon and Schuster

Will a daring rescue put a wedding and a future at risk? Lady Claire Trevelyan and renowned scientist Andrew Malvern are looking forward to domestic felicity in London—until a desperate and fugitive Alice Chalmers turns up seeking help. Her ship has been seized in the Duchy of Venice and worse, her navigator Jake has been thrown into the dreaded underwater prison from which no one ever escapes. Even the innocent. Lady Claire is about to embark on her career in Munich at the Zeppelin Airship Works. The Mopsies are beginning their final year at school. Andrew Malvern begins to despair of his fiancée ever choosing a wedding gown. But when help is denied from official quarters, the close bonds of friendship and shared adventure demand that they set sail in the airship Athena. There is a brooding evil waiting for them in Venice ... an evil that would put an end to the flock's interference once and for all. With an innocent friend's unexpected return and a pair of secret agents who don't want their help ... the situation clearly calls for the inner resources of a lady of integrity. "It's another element I love about these books; from Claire to Gloria to Alice to Lizzie and Maggie to Lady Dunsmuir, the women in this series generally like and respect each

other. Other women are not required to be lesser—weaker, more cowardly, less intelligent—in order for Claire to be awesome. She is not an exceptional woman, she is an awesome woman among awesome women." —Fangs for the Fantasy, on A Lady of Integrity A Lady of Integrity is the seventh novel in the Magnificent Devices steampunk cozy fantasy series. The Madonna of the Future Henry James - American author Henry James often grappled with weighty topics in his work, and the story "The Madonna of the Future" -- longer than a typical short story, but shorter than a novella -- is no exception. Framed as an anecdote related among a group of men engaged in post-dinner chitchat, the story deals with an artist whose outsize ambitions and perfectionism have frozen him in a kind of creative paralysis. It's a profoundly thought-provoking tale that prompts important questions about the role of art in the world.

Murder in the Bowery Indiana University Press

Until the late 1960s, the authorities on abortion were for the most part men—politicians, clergy, lawyers, physicians, all of whom had an interest in regulating women's bodies. Even today, when we hear women speak publicly about abortion, the voices are usually those of the leaders of women's and abortion rights organizations, women who hold political office, and, on occasion, female physicians. We also hear quite frequently from spokeswomen for anti-abortion groups. Rarely, however, do we hear the voices of ordinary women—women whose lives have been in some way touched by abortion.

Their thoughts typically owe more to human circumstance than to ideology, and without them, we run the risk of thinking and talking about the issue of abortion only in the abstract. Without Apology seeks to address this issue by gathering the voices of activists, feminists, and scholars as well as abortion providers and clinic support

staff alongside the stories of women whose experience with abortion is more personal. With the particular aim of moving beyond the polarizing rhetoric that has characterized the issue of abortion and reproductive justice for so long, Without Apology is an engrossing and arresting account that will promote both reflection and discussion.

The Professor Wore Prussian Blue: A steampunk adventure mystery with amateur women sleuths A&C Black Dragons have taken up residence at Lowestoft and Queen Victoria is not amused. The queen is on the warpath and to protect the mythical beasts from treasure hunters, Cara needs to find the foundation stone from the Great Wall of China. To add to her problems, there's a strange box hidden deep under the Lowestoft estate that makes her skin crawl and steals the air from her lungs. Nate is trying to find a way to make it reveal its secrets, but Cara would rather drop it in the deepest, darkest part of the ocean. Quite apart from arguing with the monarch and catching those who hunt her dragons Cara faces a far more terrifying trial--impending motherhood. Childbirth always ends in tragedy for her maternal line and even her bond with Nate might not be strong enough to battle Mother Nature...

How to Think about Weird Things Moonshell Books, Inc.

The latest Gaslight Mystery from the bestselling author of Murder in Morningside Heights finds Sarah Brandt and Frank Malloy searching for a connection between a murdered newsie and a high society woman with dangerous habits. Frank Malloy's latest client is the well-dressed Will Bert. He's searching for his brother, a newsboy named Freddie, so he can share his new financial good fortune. Frank makes quick work of the case and locates Freddie, but a happy reunion between brothers is not in the cards. When Will's name is mentioned, Freddie runs off—only to be found dead a short time later.

Suspicious, Frank tracks down Will who spins a tale of lust and deceit involving a young society woman, Estelle Longacre, also recently deceased. Frank can't be sure if Estelle's risky behavior and the company she kept was to blame, or if her own ruthless family had a hand in her death. Frank will need Sarah's help to unearth the dark secrets of the wealthy Longacres and to discover if there is a connection between Estelle and Freddie's death. Together they must navigate a perilous underground web of treachery to find the truth.

You can choose your friends, but you cannot choose your family ... or can you? Under normal circumstances, Maggie and Lizzie would be delighted to meet their long-lost relatives and be reunited with those who had believed them dead, but when are the Mopsies' circumstances ever normal? With her half-brother Claude Seacombe, Lizzie travels to Cornwall to meet her mother's parents. Maggie goes along, too, since she is part of the family ... or so one might assume. But the more time she spends in her grandparents' cliff-top mansion, the more she realizes that something is not right, and the events surrounding her own mother's death are more mysterious—and dangerous—than anyone alive suspects. For an old nemesis is preying on the weak and proud, and she cannot stand by and watch. Maggie must straighten her spine, plunge into danger for Lizzie's sake ... and prove that no matter the name she bears, she is first and foremost what the Lady of Devices believes her to be ... a lady of spirit. "Another excellent book in an excellent series. The world is wacky and immense fun, the stories exciting and all well written and well paced (and with chickens for even more fun). But the backbone of this great series is and has always been the characters—their issues, their layers, their complexity, their solid relationships and loyalties all elevate a good book to a really great one." —Fangs for the Fantasy, on *A Lady of Spirit*

A Lady of Spirit is the sixth novel

in the *Magnificent Devices* steampunk cozy fantasy series. Books 5 and 6 form a duet. No strong language, just a very proper kiss or two and a satisfying solution. If you like books by Gail Carriger, Lindsay Buroker, or Emma Jane Holloway, you're in the right place. Enjoy!

The Judge Wore Lamp Black: A steampunk adventure mystery with amateur women sleuths Cambridge University Press

For the sizeable Jewish community living in Greece during the 1940s, German occupation of Greece posed a distinct threat. The Nazis and their collaborators murdered around ninety percent of the Jewish population through the course of the war. This new account presents cutting edge research on four elements of the Holocaust in Greece: the level of antisemitism and question of collaboration; the fate of Jewish property before, during, and after their deportation; how the few surviving Jews were treated following their return to Greece, especially in terms of justice and restitution; and the ways in which Jewish communities rebuilt themselves both in Greece and abroad. Taken together, these elements point to who was to blame for the disaster that befell Jewish communities in Greece, and show that the occupation authorities alone could not have carried out these actions to such magnitude without the active participation of Greek Christians.

The essays in this collection work toward a larger goal of separating "globalization" from strictly economic considerations. The authors instead look at globalization as a force that produces profound social and cultural consequences, including migration, struggles for social change, and the transformations of aesthetic practices.

A Study in Silks Palgrave MacMillan

A vampire hive descending into

madness. A beautiful spy with a sparkly plan. And the man who must keep them from killing each other. New York Times bestselling author Gail Carriger brings you a charming story of love, espionage, and Gothic makeovers set in her popular Parasolverse. SPY Dimity Plumleigh-Teignmott, code name Honey Bee, is the War Office's best and most decorative fixer. She's sweet and chipper, but oddly stealthy, and surprisingly effective given the right incentives. VERSUS KNIGHT Sir Crispin Bontwee was knighted for his military service, but instead of retiring, he secretly went to work for the War Office. Mostly he enjoys his job, except when he must safeguard the Honey Bee. Neither of them are vampire experts, but when Nottingham Hive goes badly Goth, only Dimity can stop their darkness from turning bloody. And only Crispin can stop an enthusiastic Dimity from death by vampire. In a battle for survival (and wallpaper), Dimity must learn that not all that sparkles is good, while Crispin discovers he likes honey a lot more than he thought. "This intoxicatingly witty parody will appeal to a wide cross-section of romance, fantasy and steampunk fans." ~ Publishers Weekly, starred review (Soulless) Spinning off from the *Finishing School* series, featuring deadly ladies of quality, this story stands alone but chronologically follows *Poison or Protect*. It's *Cold Comfort Farm* meets *Queer Eye* meets *What We Do In The Shadows* from the author of the *Parasol Protectorate* books, perfect for fans of Julia Quinn, Jodi Taylor, or Meljean Brook. *Delicate Sensibilities?* Contains fraternizing vampires and one very curious young lady, who asks about it, sometimes in detail but mostly in retrospect. May also involve excessive use of velvet, melodramatic poetry, and the strategic application of interpretive ballet.
