The 7th Bandung Creative Movement conference presented the theme "Dynamics of Industrial Revolution 4.0" which discussed how the digital world and connectivity changed human culture in various aspects of life, and transformed in accordance to human needs and social culture. Digital technology has transformed society to serve people from manufacturing needs to smart cities, from network connectivity to people connectivity. The application of information technology has helped in improving live quality and environmental sustainability. Digital transformation is revolutionizing how businesses and workers interconnect to be more productive and efficient. The result is improved collaboration, faster processes and time-to-market, lower costs and better products. Devices are getting smarter, meaning they are able to perform more and more tasks without human intervention; moreover, these devices generate data that provide insights to further improve processes and gain greater efficiencies. Moreover, with the Internet of Things (IoT), all these smart devices are interconnected in ways that not only help make them even smarter, but also enhances the intelligence of the overall system. Digital technology is a formidable driver for the transformation of a highly carbon-dependent world into one that is more ecologically 'smart.' We are entering a new era of environmental innovation that is driving better alignment between technology and environmental goals. Since its first announcement in 2011, industrial revolution 4.0 has dynamically changed and transformed to adjust itself to the human needs and to serve more efficiency and effectiveness of everyday life as well as environmental enhancement. The 7th Bandung Creative Movement has brought forward discussions on dynamic changes, ups and downs, innovations, relations of industrial revolution of the internet of thing, data, automation, to human physical world, new art and aesthetic, business, product innovation, built environment, and education.

[Marvels and Mysteries of the Mahabharata](#) Tempo Publishing

"THE MAHABHARATA ENDURES AS THE GREAT EPIC OF INDIA. While Jaya is the story of the Pandavas, told from the perspective of the victors of Kurukshetra, Ajaya is the tale of the Kauravas, who were decimated to the last man. From the pen of the author who gave voice to Ravana in the national bestseller, ASURA, comes the riveting narrative which compels us to question the truth behind the Mahabharata. THE DARK AGE OF KALI IS RISING and every man and woman must choose between duty and conscience, honour and shame, life and death... o The Pandavas, banished to the forest following the disastrous games of dice, return to Hastinapura. o Draupadi has vowed not to bind her hair till she washes it in the blood of the Kauravas. o Karna must choose between loyalty and gratitude, friend and Guru. o Aswathama undertakes a perilous mission to the mountains of Gandhara, in search of the Evil One. o Kunti must decide between her firstborn and her other sons. o Guru Drona has to stand with either his favourite disciple or his beloved son. o Balarama, having failed to convince his brother about the adharma of violence, walks the streets of Bharatavarsha,

spreading the message of peace. o Ekalavya is called to make the ultimate sacrifice to uphold a woman's honour. o Jara, the beggar, sings of Krishna's love while his blind dog, Dharma, follows. o Shakuni can almost see the realization of his dream to destroy India. As the Pandavas stake their claim to the Hastinapura throne, the Kaurava Crown Prince, Suyodhana, rises to challenge Krishna. As great minds debate dharma and adharma, power hungry men prepare for an apocalyptic war. The women, highborn and humble, helplessly watch the unfolding disaster with deep foreboding. And greedy merchants and unscrupulous priests lie in wait like vultures. Both sides know that beyond the agony and carnage the winner will take all. But even as gods conspire and men's destinies unfold, a far greater truth awaits. ***** One of the six most remarkable writers of India. DNA An Amazing read. The WEEK Unique voice of a rebellious author telling the story from the other side, a feat a few have dared or managed so well. Bihar Times"

The Mahabharata of Vyasa One Point Six Technology Pvt Ltd

Centuries have passed since the Great War of Kurukshetra, but her name is still uttered in hushed whispers – eunuch, hijra, neither man nor woman... But was this all there was to Shikhandini, Princess of Panchala? Was this her only identity? The firstborn of King Drupada, Shikhandini was trained to be a warrior from early childhood. She became a Rathii, and then an Athirathi, a warrior of unmatched valour and skill, who singlehandedly defeated the hundred Kaurava brothers in battle. All her life she strove to fulfil one goal – to slay the Maharathi of Hasthinapur, in a trans-generational act of vengeance. But was this her final destiny? At the Battle of Kurukshetra, when the Pandava brothers seem to have lost all hope and are facing defeat, it is Shikhandini who joins them and turns the battle in their favour. If not for her, history would have been written differently. But what was the price she paid? How far did she go in order to prove herself and accomplish her goal? What did she sacrifice along the way? Was she just a pawn in the game between the Kurus? Or was she a true hero, conveniently forgotten because she was not born a man? In this retelling of epochal events, Shikhandini's transformation from woman to man, based on ancient medical science, is what makes this story both riveting and real in its validity, human intensity, driven purpose and ultimate sacrifice. In this new dawn, when the third gender is finally gaining acceptance and identity, it is perhaps time Shikhandini's story was retold in all its tragic glory.

[AJAYA - RISE OF KALI \(Book 2\)](#) One Point Six Technology Pvt Ltd

Shadows of Empire explores Javanese shadow theater as a staging area for negotiations between colonial power and indigenous traditions. Charting the shifting boundaries between myth and history in Javanese Mahabharata and Ramayana tales, Laurie J. Sears reveals what happens when these stories move from village performances and palace manuscripts into colonial texts and nationalist journals and, most recently, comic books and novels. Historical, anthropological, and literary in its method and insight, this work offers a dramatic reassessment of both Javanese literary/theatrical production and Dutch scholarship on Southeast Asia. Though Javanese shadow theater (wayang) has existed for hundreds of years, our knowledge of its history, performance practice, and role in Javanese society only begins with Dutch documentation and interpretation in the nineteenth century. Analyzing the Mahabharata and Ramayana tales in relation to court poetry, Islamic faith, Dutch scholarship, and nationalist journals, Sears shows how the shadow theater as we know it today must be understood as a hybrid of Javanese and Dutch ideas and interests, inseparable from a particular colonial moment. In doing so, she contributes to a re-envisioning of European histories that acknowledges the influence of Asian, African, and New World cultures on European thought--and to a rewriting of colonial and postcolonial Javanese histories that questions the boundaries and content of history and story, myth and allegory, colonialism and culture. Shadows of Empire will appeal not only to specialists in Javanese culture and historians of Indonesia, but also to a wide range of scholars in the areas of performance and literature, anthropology, Southeast Asian studies, and postcolonial studies.

The Mahabharata, Volume 1 Vision Books Pvt Limited

Sanskrit classical epic translated into English.

[Mah bh rata](#) Thomas Reed Publications

High above the sky stands Swarga, paradise, abode of the gods. Still above is Vaikuntha, heaven, abode of God. The doorkeepers of Vaikuntha are the twins, Jaya and Vijaya, both whose names mean 'victory'. One keeps you in Swarga; the other raises you into Vaikuntha. In Vaikuntha there is bliss forever, in Swarga there is pleasure for only as long as you deserve. What is the difference between Jaya and Vijaya? Solve this puzzle and you will solve the mystery of the Mahabharata. In this enthralling retelling of India's greatest epic, the Mahabharata, originally known as Jaya, Devdutt Pattanaik seamlessly weaves into a single narrative plots from the Sanskrit classic as well as its many folk and regional variants, including the Pandavani of Chattisgarh, Gondhal of Maharashtra, Terukkuttu of Tamil Nadu, and Yakshagana of Karnataka. Richly illustrated with over 250 line drawings by the author, the 108 chapters abound with little-known details such as the names of the hundred Kauravas, the worship of Draupadi as a goddess in Tamil Nadu, the stories of Astika, Madhavi, Jaimini, Aravan and Barbareek, the Mahabharata version of the Shakuntalam and the Ramayana, and the dating of the war based on astronomical data. With clarity and simplicity, the tales in this elegant volume reveal the eternal relevance of the Mahabharata, the complex and disturbing meditation on the human condition that has shaped Indian thought for over 3000 years.

Mahabharata Notion Press

The Story Of The Mahabharata Is Not Only Of The Great War Between The Kouravas And Pandavas For A Period Of Eighteen Days In The Battlefield Of Kurukshetra Near Delhi. As A Matter Of Fact The Supreme Lesson Held Out By The Great Epic Is The One With Which Vyasa Deva, The Author, Starts-Viz. When Men Live Together As One Family They Not Only Thrive, But They Exist As A Great Community Or Race. As Long As The Pandavas And Kauravas Lived Together They Not Only Thrived As Two Great Wings Of A Race But As One And The Same Race Of The Kurus. As We Proceed With The Story Of The Mahabharata We Notice How This Was Stabilised As Long As They Lived Together With Each Other. And We Have Noticed How The Great War Reduced The Powerful Kurus And Decimated Them To A Struggling Few To Call Themselves As Remnants Of The Great Kuru Race. This Holds Good Not Only In The Case Of Few Families Living Together In Small Units But Number Of Races Living In The World Culminating In The Truth Noticed In The Maxim " One World One Family " Which Is The Title Of The Next Work By The Same Author.

Shadows of Empire University of Chicago Press

William Buck's stirring retelling of a classic Indian epic--in its original Sanskrit, probably the largest epic ever composed.

Mahabharata Routledge

The genius of Vedvyasa as the author of the great epic The Mahabharata is evident by the way he interrupts his narratives at various places to introduce literary gems like Srimad Bhagwat Gita just before the commencement of the war. The Vana Parva, which contains many more gems like the stories of Nala-Damyanti, Satyavan-Savitri, Harishchandra, Ashtavakra Gita, etc., is another similar example. True to his genius of introducing gems by creating situations for their introduction, Vedvyasa follows this style throughout the various Parvas of The Mahabharata particularly the Vana Parva. A huge section of the Vana Parva covers the entire period of the Pandavas exile and could, very well, have existed as a separate book; but the way Vedvyasa inserts it immediately after the game of dice that results in the exile of Pandavas integrates it beautifully with the main text of The Mahabharata. Similarly all the other gems referred to above were introduced as a consequence to the questions asked by Yudhishtira to various Rishis who visited Padavas during the course of their long exile. This book attempts to highlight this beautiful and captivating style of writing.
