Key to Self-Realization: Paramahansa Yogananda Collection Courier Corporation

Among prominent leaders of the twentieth century, perhaps no one is more highly regarded than Mahatma Gandhi. He is revered by the vast majority of Hindus as the hero of Indian independence, and many people throughout the world consider him to be a modern saint. In this explosive, intriguing, and provocative investigation, Colonel G. B. Singh charges that the popular image of Gandhi is highly misleading. Despite his famous philosophy of nonviolent resistance (satyagraha), Colonel Singh's analysis of the evidence leads him to conclude that Gandhi's ideology was in fact rooted in racial animosity, first against blacks in South Africa and later against whites in India. The author also finds evidence of multiple cover-ups designed to hide Gandhi's real history, including even collusion to cover up the murder of an American. This provocative thesis is sure to be controversial.

A Comprehensive, Annotated Bibliography on Mahatma Gandhi SUNY Press
Gone are the days when India was seen as a country of snake charmers. The second most Progressive economy of the world, India is also home of world class Industrialist like Ratan Tata. The Story of My Experiments with Truth Prabhat Prakashan

It is not my purpose to attempt a real autobiography. I simply want to tell the story of my numerous experiments with truth, and as my life consists of nothing but those experiments, it is true that the story will take the shape of an autobiography. But I shall not mind, if every page of it speaks only of my experiments.

Gandhi's Ascetic Activism Prabhat Prakashan

Discusses Gandhi's creative use of ascetic practice, particularly his practice of celibacy, for nonviolent activism.

Postmodern Traces and Recent Hindi Novels All India Radio

(AIR), New Delhi

Mohandas K. Gandhi is one of the most inspiring figures of our time. In his classic autobiography he recounts the story of his life and how he developed his concept of active nonviolent resistance, which propelled the Indian struggle for independence and countless other nonviolent struggles of the twentieth century. In a new foreword, noted peace expert and teacher Sissela Bok urges us to adopt Gandhi's "attitude of experimenting, of testing what will and will not bear close scrutiny, what can and cannot be adapted to new circumstances," in order to bring about change in our own lives and communities. All royalties earned on this book are paid to the Navajivan Trust, founded by Gandhi, for use in carrying on his work.

India of My Dreams Oswaal Books and Learning Private Limited

Paramhansa Yogananda was an Indian yogi and guru who introduced millions of westerners to the teachings of meditation and Kriya Yoga through his book.

Biography of PARAMHANSA YOGANANDA Read Books Ltd

This is a life story of Paramahansa Yogananda, a yogi and writer, whose work has become one of the most important books on spirituality. Through the events and practices of his life, the author gives a profound entry into the ancient science of yoga and meditation. Although the book is very informative of what the science of yoga is, it is written in a light and, sometimes, humorous manner. A reader learns about the author's uneasy life, his personal search through India for a spiritual teacher, then 10 years of education with guru and thirty years of yoga practicing and teaching in America. A book is full of inspiring experiences and interesting personalities like Mahatma Gandhi, Rabindranath Tagore, Luther Burbank, Therese Neumann, and others. By reading the book, any person can find explanations to the reasons of the ordinary events of the life and miracles. This interesting read was translated into more than 50 languages and was sold in millions of copies worldwide. Steve Jobs, the former Apple CEO has ordered 500 copies of this book to be spread among his guests. Today, the regularly reprinted book is known as the book that has changed the lives of millions.

An Autobiography Beacon Press

Gandhi's Use of the Term Satya ke Prayoga ke Hind anuvada Satya ke Prayoga ke Tulana tmaka adhyayana Vernon Press

As a young man Paramahansa Yogananda embarked on a quest to find his spiritual master, which he did in the form of Swami Sri Yukteswar - together they achieved 'a oneness of silence, words seemed the rankest superfluities'. A mixture of biography and scholarly reflections on the deepest mysteries of life, this is the classic text which introduced millions in the West to the teachings of meditation and kriya yoga.

Conquest of Self Good Press

On his passport he was Mohandas Karamchand Gandhi. The poet Rabindranath Tagore gave him the title 'Mahatma' - the great soul - but he was rather uncomfortable with that. Nelson Mandela calls him a 'sacred warrior'; others describe him as the 'the saint of the spinning wheel' and we now declare him as our 'Father of the Nation'. A courageous freedom fighter; a shrewd politician; a passionate social reformer and a staunch nationalist; Mahatma Gandhi was all this and much more. He was the most unusual leader this country has seen; and one of the most influential personalities whose name is synonymous with India's independence. He was the one who touched the lives of millions; whose ideals of satyagraha and ahimsa inspired great leaders of the world; and who could make the entire country come to a halt by going on a fast. Through a vivid narrative; author Subhadra Sen Gupta recreates the life and legacy of this phenomenal leader to portray the man beneath the simple handspun clothes; who ate saltless vegetables and bitter neem chutney; who greeted kings and paupers alike; who walked 240 miles at the age of sixty to break the Salt Law; and whose entire life was dedicated to truth and to peace. Even today as we read inspirational accounts of Gandhiji's life and talk of gandhigiri; we know that his ideals are alive and relevant to today's generation.

Autobiography of a Yogi Createspace Independent Publishing Platform

A highly original, stirring book on Mahatma Gandhi that deepens our sense of his achievements and disappointments—his success in seizing India's imagination and shaping its independence struggle as a mass movement, his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country's minorities, outcasts, and rural poor. Pulitzer Prize – winner Joseph Lelyveld shows in vivid, unmatched detail how Gandhi's sense of mission, social values, and philosophy of nonviolent resistance were shaped on another subcontinent—during two decades in South Africa—and then tested by an India that quickly learned to revere him as a Mahatma, or "Great Soul," while following him only a small part of the way to the social transformation he envisioned. The man himself emerges as one of history's most remarkable self-creations, a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action. Lelyveld leads us step-by-step through the heroic—and tragic—last months of this selfless leader's long campaign when his nonviolent efforts culminated in the partition of India, the creation of Pakistan, and a bloodbath of ethnic cleansing that ended only with his own assassination. India and its politicians were ready to place Gandhi on a pedestal as "Father of the Nation" but were less inclined to embrace his teachings. Muslim support, crucial in his rise to leadership, soon waned, and the oppressed untouchables—for whom Gandhi spoke to Hindus as a whole—produced their own leaders. Here is a vital, brilliant reconsideration of Gandhi's extraordinary struggles on two continents, of his fierce but, finally, unfulfilled hopes, and of his ever-evolving legacy, which more than six decades after his death still ensures his place as India's social conscience—and not just India's.

The Autobiography of a Yogi Prabhat Prakashan

A Top 100 Spiritual Book of the Twentieth Century This is a new edition, featuring previously unavailable material, of a true spiritual classic. Autobiography of a Yogi is one of the best-selling Eastern philosophy titles of all-time, with millions of copies published. New Bonus Materials added to this edition include: a) the last chapter that Yogananda wrote in 1951 covering the years 1946 – 1951 that was not originally available in the first edition (and without posthumous changes), b) the eulogy that Yogananda wrote for Gandhi,

and c) a new afterword by Swami Kriyananda, one of Yogananda's closest direct disciples. Yogananda's masterpiece has been named one of the greatest and most influential books of the twentieth century. This highly prized verbatim reprinting of the original 1946 edition is (unlike other publishers' editions) free from textual changes made after Yogananda's death. Yogananda was the first yoga master of India whose mission brought him to live and teach in the West. His firsthand account of his life experiences in India includes childhood revelations, stories of his visits to saints and masters in India, and long-secret teachings of yoga and Self-realization that he first made available to the Western reader.

An Autobiography : The Story Of My Experiments With Truth
Greenwood Publishing Group

Postmodernism is a notoriously elusive concept and still the object of critical debates among scholars across a range of different disciplines.

In literature, in particular, these debates are complicated by

“ postmodern ” styles emanating from outside the concept ’ s

Western origins. By analyzing contemporary Hindi novels, and drawing on both Western and Hindi literary criticism, "Postmodern Traces and Recent Hindi Novels" aims to understand some of the manifestations of postmodernism in contemporary Hindi fiction, including ways the latter might challenge the traditional parameters of postmodern literature. This book is essential reading for scholars and students specializing in South Asian studies and both postcolonial and comparative literature. It will also interest the general reader curious to know more about one of the less explored areas of world literature.

MAHATMA GANDHI Crystal Clarity Publishers

The first of three volumes, this comprehensive bibliography of more than 2,200 entries includes all English-language biographies of Gandhi, writings by Gandhi, and bibliographic sources. A unique aspect of the work is a section on books read by Gandhi, a useful list for those seeking insight on Gandhi. Pandiri has carefully examined the titles included and, unlike many earlier bibliographers, he has annotated all of Gandhi's voluminous writings. He also provides in-depth descriptive and evaluative annotations for the other works, noting content, scope, authority, use, and historical significance. A vital reference tool for scholars and researchers, this volume is the first comprehensive Gandhian bibliography since 1974. In addition to in-depth annotations, the entries include full bibliographic information. Many of the entries also include review notes of the work. Full indexes make the material easily accessible. Forthcoming volumes will include books on Gandhian topics and articles about Gandhi and Gandhian topics.
