The show was great. I think it was bigger than last year. Great attendance and I have some good ideas on what I want to purchase. Right now I am looking between Kioti DK45SE HST Cab and the Mahindra 5010 HST Cab. My opinion is the Cab on the Mahindra is a little better build than Kioti's, but both tractors have their positives and negatives.

I was raised running JD
model A's, massey
harris 44's, Case
western style platform
900 series and no
cabs! It took me a
while to get familiar
with all the new
language used in
modern tractors. I had
several brands near me

looked at the closest
brand Mahindra. The
dealer is only 20
miles from my farm, so
he got the first look.
