Documents and Essays Major Problems in American His

MAJOR PROBLEMS IN AMERICAN POPULAR CULTURE follows the highly successful Major Problems format. Each chapter comprises essays and documents that focus on a particular aspect of American popular culture. These essays and documents will prompt students to think about the centrality of popular culture in American life and its powerful role in forging identity, historical memory, and relationships among consumers, producers, citizens, and the state. They reinforce the idea that popular culture is the ground on which cultural and social transformations are worked. Race and class are at the center of the analysis, and these categories, along with gender and nationalism, thread through the chapters. They all argue for seeing popular audiences as active creators rather than passive receivers of popular culture. Major Problems in the Era of the American Revolution, 1760-1791 Wadsworth Publishing Company

This second edition builds on the first, while making significant changes that reflect new trends in the study of American immigration history. The field was first centrally defined in the mid-twentieth century by the study of immigrants from Europe. Asians and Latinos were not considered "immigrants"--People who settled permanently in the United States. They were considered "birds of passage"--people who did not experience the same social processes of incorporation and assimilation as did Europeans. As immigration from Asia and Latin America to the United States surged in the last third of the twentieth century, scholars began to pay more attention to their experiences, both historical and contemporary. A much more diverse and inclusive portrait of the American immigration experience has emerged.

Major Problems in American Colonial History D C Heath & Company

Designed to encourage critical thinking about history, the MAJOR PROBLEMS IN AMERICAN HISTORY series introduces students to both

primary sources and analytical essays on important topics in U.S. history.
