The Kids' Guide to Being Outside Scholar Publishing House
All societies have their own myths and legends, but they're much more than just stories. Myths and legends tell us about a people's history, science, and cultural values—the things they knew, the things they believed, and the things they felt were important. *World Myths and Legends* retells tales from the Middle East, Europe, Africa, Asia, Australia, and the Americas. From the Greek myths to ancient epics like Gilgamesh and the trickster tales of Anansi the Spider, it helps readers think about why the same themes, characters, and events may show up in different parts of the globe. Along the way kids will also find lots of fun and interesting projects that let them experience the stories first-hand. *World Myths and Legends* unveils wonders of the ancient world as it takes readers on a fascinating adventure of mystery and imagination.

All Occasion Craft and Gift Book Everything for Spring
Complete Activity Book for Teachers of Young Children : Activities for March, April, and May
Over the past generation, kiteflying has evolved beyond a childhood rite of passage into a mainstream adult activity. The kite's popularity skyrocketed at a time when kite makers adopted modern synthetic materials developed for other industries. A new breed of sport kites appeared and kite artists emerged, dazzling onlookers with three-dimensional aerial sculptures. Inventors perfected new designs and accessories

while entrepreneurs created a multimillion-dollar kiting industry. Yet, the kitefliers themselves have remained largely anonymous. Drawing on the World Kite Museum's audio archives, this book brings together firsthand stories from the community of devoted enthusiasts who pull the strings.

Pappy the Paper Bag Ivy Kids

Encourages children to experiment with art techniques and styles, discussing painting, collage and paper, drawing, craft and construction, and clay and dough projects.
