How to make a clock out of a paper plate Cut out the hands from contrasting card, making one longer than the other for the minute hand. Place the numbers round the clock, this is easier if you to the 12, 3, 6 and 9 first. Make a small whole in the center of the plate for the hands and use the split ...

Use a bit of tape to secure the pencil with the pointed end standing up. For best results you want your pencil to be straight up and down (perpendicular to the paper plate). Check the clock. A few minutes before the clock strikes the next hour, take your materials outside and place your plate in a flate area that gets plenty of sunshine. (This will allow you to start marking the hours on your sundial right away.)
