With a classification system that has every parenting style down to a 't', *The Perfect Parents Handbook* is unputdownable reading for anyone who's ever forked

over major three figures for the "must have" stroller or agonized over what their children's school says about them as parents. The real facts and details in this book gently skewer modern mothers and fathers and will at the same time delight them with dead-on accuracy in describing the habits and accouterments of nine types, including: --The Neo-Trads: Dad makes the cupcakes and kids' artwork is everywhere (not just on the fridge); the family's taste always exceeds its wallet --The Martyr

Parents: They've sacrificed so much for the kids that the kids have taken over the asylum --The Power Parents: The IV sessions that led to triplets were coordinated on mom and dad's Blackberries and the real British nanny swabs the babies' Burberry button-downs on the way to their five bedroom Park Avenue apartment --The Classic Parents: Everybody's in LL Bean and their 2.3 children all climb into a little red wagon to get to the SUV Laced with titillating facts about our child-centric

culture (unique baby announcements! nursery decorators! mandatory volunteering at preschool!), The Perfect Parents Handbook decodes the complex and terrifying (smothering doulas! educational vacations to the rainforest!) world of raising kids., *Potty Train Your Child in Just One Day* Harlequin Finally...a fun, easy-to-use guide to potty training any child in just ONE DAY Just think, from the time babies are born until they are toilet

trained, they use an average of 4,000 diapers! *Potty Train Your Child in Just One Day* is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child. Teri guides parents to the successful one-day potty training of their child by teaching them how to:

- Look for the signs that your child is ready to be potty trained
- Make the potty connection by using a

- potty-training doll
- Create incentive through consistent positive reinforcement
- Use charts, quizzes, and checklists to help with every step of potty training
- Know when it's time to bring in a potty pinch hitter
- Complete your potty training -- no more accidents

Once Teri teaches you her techniques, she shares her secret -- potty parties! She has carefully designed twelve imaginative themes for parties, such as a seriously silly circus, a cartoon character carnival, or a magic carpet express, and

supplies parents with everything they will need. Teri has proven that a potty party day engages a child in potty training in a way that no other method has before -- by speaking a toddler's language. A party may translate to fun, games, cake, candy, presents, and prizes to a child, but with Teri's expertise, parents can use it as a tool to motivate their child to want to go to the bathroom -- and to keep on going. That's why it works in just one day!

Going Down Fighting Ty
Covington likes to keep things as
uncomplicated as possible. By
day, all that matters to him is his
horse and winning in the rodeo
ring. At night, all he wants is a
deliciously hot, no-strings affair
with his rival, Kenzie Malone.
Then everything changes in one
heart-stopping split second. The
accident should have killed both
Ty and his horse. Instead, they're
both on the road to a hard
recovery—but only thanks to
Kenzie's family connections and
fortune. Which means he owes
her. He owes a woman who is
both everything he despises and
his deepest desire. As

need—hungry and demanding—takes them both over, Ty knows that this time, uncomplicated isn't an option. And this cowboy always pays his debts...
