Jesus was a master storyteller, and the parables He told were ingeniously simple word pictures. Some of them were no more than fleeting remarks about commonplace incidents, objects, or persons. In fact, the most compact of all Jesus' short stories does not even fill a complete verse of Scripture. Yet the all were filled with profound spiritual lessons that He wanted His listeners to hear and understand. Jesus told these parables so they would clearly comprehend His message about the kingdom of God and the reason He had come to earth. In the Parables Workbook, master expositor and Bible commentator John MacArthur draws on his years spent studying and explaining the Word of God to guide readers through some of the most famous and influential short stories that Jesus told. Each session contains the following: Biblical focus: the primary passages on which the session draws Another look: questions to facilitate review of content in the book Biblical connections: questions that focus on the main Bible passage Highlighting the lesson: questions that focus on the central teaching points Lasting implications: questions to help draw out personal conclusions Daily assignments: five sets of questions that reflect on the parable, the point, the purpose, the principles, and the practical application This workbook has been designed to enhance readers' experience of reading the book and is intended both for individual use and for study in a small-group setting.

**Ways to Beg** J.D. Rockefeller

We are born with the natural ability to attract a mate. But we have to learn the art of attracting a boyfriend. Males, including human males, are generally ready to mate at any and every opportunity. But mating to a male is just that. It is a physical act that feels good and is a natural bodily function. To the male, the act itself is the entirety of the mission. So, he is quite surprised when the act is completed and the female is still around. In our evolved state, he will normally find a way to "excuse" himself from the situation. Basically, he has two options. He can state, "that's all there is." Or he can run. He will run. Before we learn how to make a man "want" to be our boyfriend, we must define the term "boyfriend". A boyfriend is a "male companion that you have a deep relationship that sometimes includes a sexual nature". But let's explain what a boyfriend is not. He is not just a mating partner. If the entirety of the relationship is

mating, that is what it is. He is not your boyfriend. He is just your sex buddy. (This is the big one). A boyfriend is NOT your husband. A husband has a legal and moral obligation to care for you. He is required by society to hold you up when you can't stand. He promises to remain with you through whatever life throws your way. He is your protector, partner, friend and lover (and you are his). Being a husband is hard work. It takes dedication, commitment, and much effort. When a man moves from boyfriend status to husband status, he is in essence saying, he will put your needs before his own and build a life with you. It is not easy, which is why it comes with a legally binding license of marriage, which has no expiration date. If you want a man to beg to be your boyfriend, you must want a boyfriend. You must be honest with yourself. You want more than a sex buddy, but less than a husband. You want the closeness of a relationship, but understand it stops short of becoming a lifelong commitment. You want him to want to be with you and care for you, but you understand that you are required to care for yourself and be responsible for your own well-being. In essence being in a boyfriend/girlfriend relationship is digging deep into each other to determine if this is something you want to take to the next level. But keep those boundaries clear. Neither of you has the right to expect the benefits of "spouse". And, both of you have the right (and responsibility) to walk away if it is not the right balance. Okay so now we know what a boyfriend is and what it is not, and hopefully you still want one. So, how do we prepare ourselves to attract one? This book will show you how, so let's get started!

Make Him Desperate Quick, Easy Ways to Make Him Chase You and Beg to be Your Boyfriend We have all experienced the pain of meeting someone that we are romantically interested in, only for them to not reciprocate those feelings. But what if we could do things slightly differently in future and, as a result, get these same men to be the ones who are chasing us? Well that thought is precisely what we are going to explore over the course of this book. There's no need to feel like you need to be perfect in every way to attract any man you want. As long as you have the basics down, if there are a couple of things here and there that you don't get right then it shouldn't matter too much at all. The changes that we are going to talk about in this book, don't mean that you need to change who you are, what you like, or what you're interested in. You won't be pretending to be someone you're not. By following these simple changes in the way we act around men and talk to men, you will get them to not only be romantically interested in you far more often, you will also get them to actively crave your attention and chase you. This may sound a bit too good to be true, but it's incredible what the practical application of basic psychology can do and how much it can affect your interactions with the opposite sex. In fact, the things I am going to cover in this book are so simple, that you will be able to apply most of them on day one. So even if you already have a man who you're interested in and he's not giving you enough attention, you can begin to repair the damage and alter the way you are acting as soon as you finish this book.

The world knows me as the Demon's Daughter. He's a famous serial killer. And I may have been his accomplice. But no one knows for sure except for me. The dangerous, cruel men of the Sphinx secret society intend to uncover my secrets...and break me. Stellan, my childhood crush who lost his sister to the Demon. Cain, the boy with the face of an angel to who manipulation comes as easy as breathing; Remington, the playboy soccer star full of secrets. Pax, the dark psycho who hides behind his fists. I hoped for a second chance at Darkwood University, only to have my dream ripped away the first time I kissed one of the handsome bastards. They know who I am. And they're determined to make me pay. They should have thought twice about who they were playing with. Because I am the demon's daughter. And just because they have the power, the connections, the faces and bodies of gods... do they really think they'll win? I wanted a new life, not a war. But if they insist, we'll see who ends up playing.
