Making a good script great (1994 edition) | Open Library

Complicating your plot structure is not the place to start when you want to make your script engaging. A strong start captures and holds the audience's attention; a thrilling conclusion makes your script memorable. If there is too much going on, the general population won't get it.

[Making a good script great \(1987 edition\) | Open Library](#)

All of these elements are important in making a great film, but let's highlight the one thing that I personally think can make or break your movie: storytelling. Cinema is all about storytelling, and pretty much everything you put into your film, dialog, props, lighting, a song, or even an edit, communicates something to your audience.

It means following suggestions that are designed to get the script on track, not off. It means holding back on a new creative stamp because the writer's original creative stamp is "just fine, thank you." If it ain't broke, don't fix it! And if it is broke, do something!" ? Linda Seger, Making a Good Script Great
