Amphibians Macmillan

The magnum opus of one of the world's leading origami artists, the second edition of Origami

Design Secrets reveals the underlying concepts of origami and how to create original origami designs. Containing step-by-step instructions for 26 models, this book is not just an origami cookbook or list of instructions—it introduces the fundamental building blocks of origami, building up to advanced methods such as the combination of uniaxial bases, the circle/river method, and tree theory. With corrections and improved illustrations, this new

expanded edition also covers uniaxial box pleating, introduces the new design technique of hex pleating, and describes methods of generalizing polygon packing to arbitrary angles. With coverage spanning the foundations of origami construction and advanced methods using both paper and pencil and custom-built free software, Origami Design Secrets helps readers cultivate the intuition and skills necessary to develop

How to Make a Paper Frog

Independently Published

Renowned origami artist Peter Engel first astounded origami enthusiasts and the lay person alike with his popular Origami from Angelfish to Zen. Since that book, published in 1989, Engel has gone through a personal change in his philosophy of origami design, honed through decades of elevating what is often viewed as simple paper folding into a fine art. In *Origami Odyssey*, Engel takes paper crafters on a journey to the edge of paper folding, providing instruction for exquisite and original origami designs,

including several that have been shown in galleries and museums throughout the world.

Experienced folders will delight in the chance to grow as artists as they master the projects in this book, and new comers to origami will find the author's journey so inspiring that they'll be ready to begin an odyssey of their own.

This unique do-it-yourself paper craft book includes: Full-colored photos and step-by-step instructions and diagrams 21 fun-to-do projects like the Green Horned Owl, Ginkgo Leaf, Stingray and many more!
