*From One Child to Two*  
Bloomsbury Publishing  
For families expecting a new baby, a book about expectations and acceptance, and about loving little sisters and little brothers.

The Pain and the Great One Special Needs Collection  
90 Brothers and Sisters could be one of the funniest and saddest books you have ever read. Two idealistic young people from Chicago move into a remote Appalachian area of Kentucky in the

1930s, and end up with a family of nearly 100 children, and not a cent to their names. Told from the astonished and sometimes indignant viewpoint of their only biological child, this rollicking tale has so much heartwarming goodness and chilling danger built into the plot that what began as a novel turned into a documentary because it was "too unbelievable".

Originally published by Harper and Row in 1978, this book is now going on line for a new generation of readers.

**How To Talk: Siblings Without Rivalry**

**Tomorrow's Forefathers Incorporated**

Kate DiCamillo meets Lemony Snicket in this darkly comic novel about two sisters who learn they are each others' most important friend! Imagine two twin sisters, Arabella and Henrietta--nearly identical yet with nothing in common. They're the best of friends . . . until one day they aren't. Plain and quiet Henrietta has a secret plan to settle the score, and she does something outrageous and she can't take it back. When the deed is discovered, Henrietta is sent to live with her eccentric great-aunt! Suddenly life with pretty, popular Arabella

---

doesn't seem so awful. And, though she's been grievously wronged, Arabella longs for her sister, too. So she hatches a plan of her own and embarks on an unexpected journey to reunite with her other half.

**Sisters: A Graphic Novel** Berkley  
From the bestselling horror author of *Within These Walls* and *The Bird Eater* comes a terrifying novel that follows a teenager determined to break from his family's unconventional—and deeply disturbing—traditions. Deep in the heart of Appalachia stands a crooked farmhouse miles from any road. The Morrows keep to themselves, and it's served them well so far. When girls go missing off the side of the highway, the cops don't knock on their door. Which is a good thing, seeing as to what's buried in the Morrows' backyard. But nineteen-year-old Michael Morrow isn't like the rest of his family. He doesn't take pleasure in the screams that echo through the trees. Michael pines for normalcy, and he's sure that someday he'll see the world beyond West Virginia. When he meets Alice, a pretty girl working at a record shop in the small nearby town of Dahlia, he's immediately smitten. For a moment, he nearly forgets about the monster he's become. But his brother, Rebel, is all too eager to remind Michael of his place...  
**Brothers and Sisters** Penguin  
A provocative and surprising exploration of the longest

sustained relationships we have in life—those we have with our siblings. Nobody affects us as deeply as our brothers and sisters. Our siblings are our collaborators and co-conspirators, our role models and cautionary tales. They teach us how to resolve conflicts and how not to, how to conduct friendships and when to walk away. Our siblings are the only people we know who truly qualify as partners for life. In this perceptive and groundbreaking book, Jeffrey Kluger explores the complex world of siblings in equal parts science, psychology, sociology, and memoir. Based on cutting-edge research, he examines birth order, twins, genetic encoding of behavioral traits, emotional disorders and their effects on sibling relationships, and much more. With his signature insight and humor, Kluger takes science's provocative new ideas about the subject and transforms them into smart, accessible insights that will help everyone understand the importance of siblings in our lives.

**The Sibling Effect** Rowman & Littlefield

Even the closest brothers and sisters don't always get along or understand each other. Add a disability like Down

syndrome to the mix, and that sibling relationship gets even more complicated, especially for teenagers. **Fasten Your Seatbelt** is the first book written exclusively for teens with a brother or sister with Down syndrome. In an easy-to-read, question & answer format, it tackles a broad range of their most common issues and concerns. Nearly 100 questions--all posed by teen siblings--are grouped into the following categories: Facts and stats about Down syndrome How people with Down syndrome learn Handling parent and family conflicts Dealing with your sibling's frustrating behaviors Managing uncomfortable situations Sorting out your feelings Becoming an advocate What the future holds for you and your sibling Finding local and national resources Thoughtful, knowledgeable answers are provided by Brian Skotko, the brother of a young woman with Down syndrome, and Sue Levine, a social worker focused on sibling issues for the past 30 years. **Fasten Your Seatbelt** gives teens the green light to explore their own feelings and questions about their sibling with Down syndrome and how their relationship may change in the future. Wondering what's on their

minds? Here are a few sample questions from the book: Why does my brother always have temper tantrums? How can one extra chromosome make someone so different? Can my sister with Down syndrome marry someday? Will my brother be able to live on his own as an adult?

90 Brothers and Sisters W. W. Norton & Company

This delightful board book by renowned author-illustrator team Laura Numeroff and Lynn Munsinger celebrates all the wonderful things sisters can do! Sisters can do lots of things, like teach you how to swim, start a game of tag, and be there when you need them. But what do they do best? The answer is clear in this irresistible celebration of sisters and the everyday things they do.

Brothers and Sisters Dog Ear Publishing

Writer and artist Heather Stillufsen elegantly captures the joys of sisterhood in this charming keepsake book that affirms what anyone who has a sister already knows is true... sisters really do make life more beautiful!

Brothers and Sisters Clavis Following on from the success of Little One and Son, from the same creative team comes Brothers & Sisters. This lyrical, stunning picture book is a warm-hearted tribute to siblings and their magical bond, with stunning art by award-winning

illustrator Sonja Wimmer. It's true that sometimes we fight when we want to play with the same toys. But when night falls, we snuggle up together and fall asleep while we read fairy tales to each other. We're similar in so many ways! And we're different in others. But one thing is for sure, and that is that we'll always be there to help each other out. It doesn't matter if stormy nights or evening shadows come to visit us. As long as we are together, we will get through them. We've learned so many things together, and discovered that the day and the night, even though they seem so different, form a part of the same melody. Brothers & Sisters is an inclusive picture book, both for boys and girls, for brothers by blood and for brothers of life.

Both sisters and brothers appear in this magic tale that will delight the little ones in the house. Special Brothers and Sisters Tomorrow's Forefathers Incorporated Four women seeking the promise of salvation and prosperity in a new land.

Big Brothers Are the Best Little, Brown Books for Young Readers

Special Brothers and Sisters is a collection of real-life accounts from the brothers and sisters of children with special needs, disability or serious illness, ranging in age from 3 to 18 years. They explain, in their own words, what it's like to live with their

siblings. There is a lot of advice available for parents of a child with a disability or illness, but very little about the important issue of educating their siblings about how they feel, and why they may behave differently from other children. These stories - from 40 different families - come with related tips to help siblings deal with some of the things that happen in their family lives. The book also provides a helpful glossary to explain, in child-friendly language, the disabilities and medical conditions mentioned, including: \* ADHD \* autism \* cerebral palsy \* cystic fibrosis \* Down syndrome Special Brothers and Sisters is an engaging and educational collection that will enable young people and adults to share in the extraordinary experience of being a sibling of a child with special needs, a disability or serious illness.

Maybe One Day Capstone Will and Asheley have a troubled past. Their father left them when they were little, and their mother has just been carted off to an alcohol treatment center. Now, they have the house to themselves, and an endless California summer stretching out before them. Through alternating perspectives, they tell the story of how and why their lives spun violently out of control - right up to the impossibly shocking conclusion you'll have to read for yourself to believe.

True Sisters Macmillan  
NEW YORK TIMES  
BESTSELLER When they were kids in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions. But as they grew up, Randy became troubled, then reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn't hold on to full-time work—his life a world away from his sister's, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on “the other side of normal.” In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it Randy's own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart.

Brothers Make the Best Friends  
Simon and Schuster  
This delightful board book by renowned author-illustrator team Laura Numeroff and Lynn Munsinger celebrates all the wonderful things brothers can do! Brothers can push you on a swing, make music with you, and take you to the library. But what do brothers do best? The answer is clear in this appealing board book, celebrating

brothers and the everyday things they do.

Sisters and Brothers for Life  
Crown Books for Young Readers  
From the widely acclaimed HOW TO TALK series, discover how to cope with - and deflect - sibling rivalry. Full of humour and compassion, SIBLINGS WITHOUT RIVALRY challenges the idea that constant conflict between siblings is natural and unavoidable. With this book, you'll learn how to: - Avoid comparisons and the perils of equality. - Intervene helpfully and step away at the right time. - Encourage good feeling between your children.

Brothers & Sisters Cuento de Luz  
Winner of the Governor General's Award for Fiction, the Rogers Writers' Trust Fiction Prize, the Prix des libraires du Quebec and the Stephen Leacock Medal. Shortlisted for the Man Booker Prize, the Scotiabank Giller Prize, and the Walter Scott Prize. Hermann Kermit Warm is going to die: Eli and Charlie Sisters can be counted on for that. Though Eli has never shared his brother's penchant for whiskey and killing, he's never known anything else. On the road to Warm's gold-mining claim outside San Francisco — and from the back of his long-

suffering one-eyed horse — Eli struggles to make sense of his life without abandoning the job he's sworn to do. Patrick deWitt, acclaimed author of Ablutions, doffs his hat to the classic Western, and then transforms it into a comic tour-de-force with an unforgettable narrative voice that captures all the absurdity, melancholy, and grit of the West — and of these two brothers, bound to each other by blood and scars and love.

Brothers & Sisters Disney  
Electronic Content  
This celebration of the sibling relationship offers readers 100 reasons why brothers and sisters of all ages and combinations (including steps) share unique bonds that last for a lifetime.

Brothers and Sisters Houghton Mifflin Harcourt  
A six-year-old (The Pain) and his eight-year-old sister (The Great One) see each other as troublemakers and the best-loved in the family.

But I Wanted a Little Sister  
Jessica Kingsley Publishers  
In this daring new mission, a mean old witch has trapped Hansel and Gretel in a gingerbread house. It's up to the brave brother and sister duo, Annie and Leo, to follow the clues and rescue Hansel and Gretel from the witch's grasp. Preschoolers will enjoy learning to read in this exciting early reader.
