Brother & Sister ASHA Press

Raina Telgemeier's #1 New York Times bestselling, Eisner Award-winning companion to Smile! Raina can't wait to be a big sister. But once Amara is born, things aren't quite how she expected them to be. Amara is cute, but she's also a cranky, grouchy baby, and mostly prefers to play by herself. Their relationship doesn't improve much over the years, but when a baby brother enters the picture and later, something doesn't seem right between their parents, they realize they must figure out how to get along. They are sisters, after all. Raina uses her signature humor and charm in both present-day narrative and perfectly placed flashbacks to tell the story of her relationship with her sister, which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado.

Sisters: A Graphic Novel Capstone

Special Brothers and Sisters is a collection of real-life accounts from the brothers and sisters of children with special needs, disability or serious illness, ranging in age from 3 to 18 years. They explain, in their own words, what it's like to live with their siblings. There is a lot of advice available for parents of a child with a disability or illness, but very little about the important issue of educating their siblings about how they feel, and why they may behave differently from other children. These stories - from 40 different families - come with related tips to help siblings deal with some of the things that happen in their family lives. The book also provides a helpful glossary to explain, in child-friendly language, the disabilities and medical conditions mentioned, including: * ADHD * autism * cerebral palsy * cystic fibrosis * Down syndrome Special Brothers and Sisters is an engaging and educational collection that will enable young people and adults to share in the extraordinary experience of being a sibling of a child with special needs, a disability or serious illness.

Brothers & Sisters W Publishing Group

This book is different A delightfully illustrated book for school friends or brothers and sisters aged 8-13 of children with autism, it explains the characteristics of autism, explores what it feels like to be a brother or sister of someone with an autistic spectrum disorder, and suggests some approaches to making life more comfortable. This book is different A new, delightfully illustrated book for school friends or brothers and sisters aged 8-13 of children with autism by Fiona Bleach, an accomplished artist and art therapist who has worked in a National Autistic Society school. It explains the characteristics of autism, investigates what it feels like to be a brother or sister of someone with an autistic spectrum disorder, and suggests some approaches to making life more comfortable for everyone. Written with insight and charm, this book offers real and accessible support.

Mazes and Labyrinths of the World Houghton Mifflin Harcourt

Big brothers and big sisters are just like superheroes! This fun and simple activity book, designed for new big siblings, shines the light on the importance of big sisters and brothers and highlights many of the ways they can help with a new baby. From coloring images of superhero kids and designing their very own superhero emblem to coming up with things they can teach baby and making a "welcome home sign," big sisters and brothers will get some fun attention on their new role. Great for young kids - toddler approved. Great gift idea for new big sisters or big brothers, grandsons, granddaughters, nieces, nephews, friends expecting a new arrival - or from the baby! Also a fun gift for baby shower or pregnancy announcement.

Sisters & Brothers GENERAL PRESS

Living with a Brother or Sister with Special Needs focuses on the intensity of emotions that brothers and sisters experience when they have a sibling with special needs, and the hard questions they ask: What caused my sibling's disability? Could my own child have a disability as well? What will happen to my brother or sister if my parents die? Written for young readers, the book discusses specific disabilities in easy to understand terms. It talks about the good and not-so-good parts of having a brother or sister who has special needs, and offers suggestions for how to make life easier for everyone in the family. The book is a wonderful resource, not just for siblings and their parents but also for teachers and other professionals who work with children with special needs. This revised and updated edition includes new sections on attention deficit hyperactivity disorder, fetal alcohol syndrome, fragile X syndrome, traumatic brain injuries, ultrasound, speech therapy, recent legislation on disabilities, and an extensive bibliography.

A Wrinkle in Time House of Anansi

Little sisters and little brothers all long for the same few things when it comes to their older siblings: a turn to play, a place on the team, a chance to shine. Little Brothers & Little Sisters starts with four pairs of siblings in and around an apartment complex, each expressing through play and daily life the many gripes and pitfalls of younger siblings. Subtly, the narrative shifts to reflect the good things that come with having an older sibling: a helping hand, a partner in crime, a friend for life. The book ends on a high note when it comes to brothers and sisters, the good outweighs the bad, and both big and little siblings have a special place in each others' hearts. Minimal text paired with impressionistic, full-spread illustrations creates weight and emotion in this lovely book that will help kids feel understood in all the

pains and joys of siblinghood.

Little Brothers and Little Sisters New York : Magination Press

Making Brothers and Sisters Best Friends Twirl

This Wall Street Journal and USA Today bestseller is filled with true stories about how one small deed can make a world of difference. "Elegant and wise" (Deepak Chopra). "The most uplifting and life-affirming book in years" (Forbes). "This might be the most beautiful book I've ever read. It's lifted my soul and brought me to tears in all the right ways."—Jane Green, author of 18 New York Times bestsellers Named best inspirational book of the year by the Independent Book Publishers Association and chosen as an International Book Awards winner, HumanKind is the heartwarming, feel-good book we all need right now. These inspiring stories will open your heart and rekindle your faith in humanity. You'll meet the mentor who changed a child's life with a single lesson in shoe-tying and see the far-reaching ripple effects of that seemingly small deed. You'll also meet the six-year-old who launched a global kindness movement; the band of seamstress grandmothers who patch clothes and mend hearts for homeless people; the puppy, given as a gift, that touched the lives of thousands of children; and many other heroes. There are also practical tips for making a difference with your own words and deeds, and the resource section lists organizations where you can channel your efforts to create your own ripples of kindness. HumanKind is a great gift to yourself and anyone who's been a source of kindness in your life. It will leave you grateful for what you have, provide a refuge from the negativity that surrounds us, and remind you of what really matters. All author royalties are donated to Big Brothers Big Sisters.

Big Brothers Are the Best University of Washington Press

New York Times bestseller! Artemis Fowl meets Men in Black in this exhilarating debut middle grade fantasy, the first in a trilogy filled with #blackgirlmagic. Perfect for fans of Tristan Strong Punches a Hole in the Sky, the Percy Jackson series, and Nevermoor. Amari Peters has never stopped believing her missing brother, Quinton, is alive. Not even when the police told her otherwise, or when she got in trouble for standing up to bullies who said he was gone for good. So when she finds a ticking briefcase in his closet, containing a nomination for a summer tryout at the Bureau of Supernatural Affairs, she's certain the secretive organization holds the key to locating Quinton—if only she can wrap her head around the idea of magicians, fairies, aliens, and other supernatural creatures all being real. Now she must compete for a spot against kids who've known about magic their whole lives. No matter how hard she tries, Amari can't seem to escape their intense doubt and scrutiny—especially once her supernaturally enhanced talent is deemed "illegal." With an evil magician threatening the supernatural world, and her own classmates thinking she's an enemy, Amari has never felt more alone. But if she doesn't stick it out and pass the tryouts, she may never find out what happened to Quinton. Plus don't miss the thrilling sequel, Amari and the Great Game!

Amari and the Night Brothers Jessica Kingsley Publishers

A poignant novel of heartbreak, adoption and family secrets Emma, a nurse and busy mother of three, has always dreamed of having a sister. Michelle, at 46, wonders if it's too late to fall in love and find her birth parents. Sarah, career woman and perfectionist homemaker, struggles to keep up with the Joneses. Bill, 72, feels left behind after the death of his adored wife. Adam can't stop thinking about the father he never had. These five very different people are all connected but separated by secrets from the past. SISTERS AND BROTHERS will both break and warm your heart in a way that only bestselling Australian storyteller Fiona Palmer can. 'Her books are tear-jerkers and page-turners' Sydney Morning Herald 'Fiona Palmer just keeps getting better' RACHAEL JOHNS 'Heartbreak, love and sibling relationships' New Idea

WINNER of the Annie McHale Debut Novel Award 2018.

John Wiley & Sons Incorporated

Laura experiences conflicting emotions when her brother becomes seriously ill. Includes suggestions for parents to help their well children cope with a chronically ill sibling.

3 Sisters and a Brother Chronicle Books

A provocative and surprising exploration of the longest sustained relationships we have in life—those we have with our siblings. Nobody affects us as deeply as our brothers and sisters. Our siblings are our collaborators and co-conspirators, our role models and cautionary tales. They teach us how to resolve conflicts and how not to, how to conduct friendships and when to walk away. Our siblings are the only people we know who truly qualify as partners for life. In this perceptive and groundbreaking book, Jeffrey Kluger explores the complex world of siblings in equal parts science, psychology, sociology, and memoir. Based on cutting-edge research, he examines birth order, twins, genetic encoding of behavioral traits, emotional disorders and their effects on sibling relationships, and much more. With his signature insight and humor, Kluger takes science's provocative new ideas about the subject and transforms them into smart, accessible insights that will help everyone understand the importance of siblings in our lives.
