[Making Friends with your Fertility: A clear, comforting ...](#)

Make Friends With Your Fertility One of the main questions I ask a woman trying to get pregnant is does she know her fertility signs via her vaginal discharge. Now before you scrunch your nose and turn away, our bodily fluids all have a reason and the visuals are indicators of what is happening internally.

Ovulation Calendar by Fertility Friend - Fertility Tracker ...

If your local government attempts

to pass laws that would negatively impact those with fertility or those considering adoption, make your voice heard. Write letters, make phone calls. Consider attending Advocacy Day. This is an event put on by RESOLVE, where anyone can come and talk to their congressional representative about the needs of the fertility community. Can't attend Advocacy Day? Write a letter that your friend or family member can hand deliver when/if they attend.
