Surf Is Where You Find It Harlequin

In the 1970s, a decade before bumper stickers and T-shirts bearing the phrase Eddie Would Go began popping up

all over the Hawaiian islands and throughout the surfing world, Eddie Aikau was proving what it meant to be a "waterman." As a fearless and gifted surfer, he rode the biggest waves in the world; as the first and most famous Waimea Bay lifeguard on the North Shore, he saved hundreds of lives from its treacherous waters; and as a proud Hawaiian, he sacrificed his life to save the crew aboard the voyaging canoe Hokule'a. Eddie Would Go is the compelling story of Eddie Aikau's legendary life and legacy, a pipeline into the exhilarating world of surfing, and an important chronicle of the Hawaiian Renaissance and the emergence of modern Hawaii. "Splendid...clear and fascinating."--Greg Ambrose, San Francisco Chronicle "Enlightening...an impressive

history...of surfing...of Hawaiian culture both at home and across the world."--Matt Walker, Surfing Magazine "Eddie Aikau's life is a story waiting to be told, and it could not have been told any better than in Stuart Coleman's Eddie Would Go. This is a bestseller in the same way as the The Perfect Storm."--Peter Cole, Big-Wave Surfing Pioneer "It's amazing the impact Eddie had on the surfing world and Hawaii. It touches the community at a real grass-

roots level."--Kelly Slater, World Champion Surfer "A meaningful biography of a surfing hero...extraordinary." -Terry Rogers, The San Diego Union-Tribune "Coleman, a surfer himself, does an admirable job of demystifying this remarkable man." -Terry Tomalin, The St. Petersburg Times "Fantastic...a treat to read."-Mark Cunningham, Honolulu Weekly **Saltwater in the Blood** Random House Australia In the summer of 1978, twenty-one-year-old Paul Wilson jumps at the chance to join

two local icons on a dream surf trip to mainland Mexico, unaware their ultimate destination lies in the heart of drug cartel country. Having no earthly idea of where he'll get the money to pay his share, and determined to prove his mettle, he does the only thing he can think of: He robs a supermarket. And, if karma didn't already have enough reason to doom the trip, he soon learns one of his companions is a convicted killer on the run, and the other an unscrupulous cad. Mishap and misfortune rule the days, and mere survival takes precedence over surfing. Original photographs (including

pre-kingpin El Chapo), and Wilson's strong narrative style, combine to make this true story personal--in the tradition of *Into The Wild* by Jon Krakauer, and *Barbarian Days, A Surfing Life* by William Finnegan--except this tale had to wait for the statute of limitations to expire before it could be told.

Welcome to Paradise, Now Go to Hell, is surfer and former war reporter Chas Smith 's wild and unflinching look at the high-stakes world of surfing on Oahu 's North Shore—a riveting, often humorous, account of beauty, greed, danger, and crime. For two months every winter, when Pacific storms make landfall, swarms of mainlanders, Brazilians, Australians, and

Europeans flock to Oahu 's paradisiacal North Shore in pursuit of some of the greatest waves on earth for surfing 's Triple Crown competition. Chas Smith reveals how this influx transforms a sleepy, laid-back strip of coast into a lawless, violent, drug-addled, and adrenaline-soaked mecca. Smith captures this exciting and dangerous place where locals, outsiders, the surf industry, and criminal elements clash in a fascinating look at class, race, power, money, and crime, set within one of the most beautiful places on earth. The result is a breathtaking blend of crime and

adventure that captures the allure and wickedness of this idyllic golden world.

Chasing Waves Simon and Schuster

Powerful feminist nature writing by the pioneer of women's big-wave surfing in Ireland. Easkey Britton provides a rare female perspective on surfing, exploring the mental skills it fosters, and the need to recognize the value of the ocean and of nature's cycles in our lives. This is an incredibly inspiring exploration of the sea's role in the wellness of people and the planet,

beautifully written by Easkey Britton — surfer, scientist and social activist. She offers a powerful female perspective on the sea and surfing, explaining what it 's like to be a woman in a man's world and how she promoted the sport to women in Iran, surfing while wearing a hijab. She speaks of the undiscussed taboo around entering the water while menstruating — and of how she has come to celebrate her own bodily cycles. She has developed her own approach to surfing, which instead of seeking to dominate the waves,

works in tune with the natural cycles of her body, the moon and the seasons. In a society that rewards busyness, she believes that understanding the influence of cycles becomes even more important — and we all have them, men and women. For Easkey, the sea is a source of mental and physical wellbeing. She explores the mental toughness needed in big-wave surfing, and presents surfing as an embodied mindfulness practice in which we can find flow and connect with the movement of the waves. She

stresses the need to recognize the ocean as our most powerful ally when addressing our greatest global challenge: the climate crisis. Above all, Easkey ' s relationship to the sea has taught her about the need to meet life and evolve with it, rather than seeking to control it. By such wisdom our planet might just survive and thrive.

Laird Hamilton offers
inspiration to anyone who wants
to elevate their ordinary,

landlocked lives to do extraordinary things. “ When Laird Hamilton surfs, you must watch. When he speaks, I listen. And when he writes a book, I ’ m damn sure gonna read it. Twice. ” —Eddie Vedder, Grammy Award – winning lead vocalist of Pearl Jam Millions of us increasingly seek happiness in fads and self-help books, reaching upward every day toward some enlightened state that we wish to attain. Laird Hamilton is more intent on looking inward and appreciating the brilliant creatures we already are. In *Liferider*, Laird uses five key pillars—Death & Fear,

Heart, Body, Soul, and Everything Is Connected—to illustrate his unique worldview and life practices. This is Laird Hamilton in his own words—raw, honest, and unvarnished—on topics he has rarely explored before. Based on extensive interviews and conversations between Laird and his coauthor, Julian Borra, with additional insights from Laird ’ s wife, pro-volleyball player Gabby Reece, *Liferider* takes on human resilience, relationships, business, technology, risk-taking, and the importance of respecting the natural world, all through the lens of Laird ’ s extraordinary

life both in and beyond the ocean. Praise for *Liferider* “ Laird is a hero, if you want him to be. That ’ s up to your perception. He challenges himself, and he challenges those around him. He shows us that the deeper we puncture into life, the more vibrant the colors get. The Laird Hamilton I know—real, faulty, moody, deeply loving, and communal—comes through on every page of *Liferider*. ” —Josh Brolin, Award-Winning Actor “ Laird Hamilton is a true individualist unafraid to carve his own path. These thoughtful mediations offer a unique

window — illuminating and inspiring — into one of America's great innovators. ” —Rory Kennedy, Documentary Filmmaker [Around the World in 80 Rounds](#) Macmillan

A Newbery Honor Book • BookPage Best Books • Chicago Public Library Best Fiction • Goodreads Choice Awards Nominee • Horn Book Fanfare • New York Times Notable Children ' s Book • School Library Journal Best Book • Today Show Pick • An ALA Notable Book “ A 10 out of 10 . . . Anyone interested in science, sibling relationships, and friendships will enjoy reading *We Dream of Space*. ” —Time for Kids Newbery Medalist and New York Times – bestselling author Erin Entrada Kelly transports readers to 1986 and introduces them to the unforgettable Cash, Fitch, and Bird Nelson Thomas in

this pitch-perfect middle grade novel about family, friendship, science, and exploration. This acclaimed Newbery Honor Book is a great choice for readers of Kate DiCamillo, Rita Williams-Garcia, and Rebecca Stead. Cash, Fitch, and Bird Nelson Thomas are three siblings in seventh grade together in Park, Delaware. In 1986, as the country waits expectantly for the launch of the space shuttle Challenger, they each struggle with their own personal anxieties. Cash, who loves basketball but has a newly broken wrist, is in danger of failing seventh grade for the second time. Fitch spends every afternoon playing Major Havoc at the arcade on Main and wrestles with an explosive temper that he doesn ' t

understand. And Bird, his twelve-year-old twin, dreams of being NASA's first female shuttle commander, but feels like she's disappearing. The Nelson Thomas children exist in their own orbits, circling a tense and unpredictable household, with little in common except an enthusiastic science teacher named Ms. Salonga. As the launch of the Challenger approaches, Ms. Salonga gives her students a project—they are separated into spacecraft crews and must create and complete a mission. When the fated day finally arrives, it changes all of their lives and brings them together in unexpected ways. Told in three alternating points of view, *We Dream of Space* is an unforgettable

and thematically rich novel for middle grade readers. *We Dream of Space* is illustrated throughout by the author.

I Surf, Therefore I Am Simon and Schuster

Scratching the Horizon presents a bitchin' love letter to sand and sea, and a spirited inside account of life with the "first family" of American surfing. In 1956, Dorian "Doc" Paskowitz stepped away from a successful medical practice and began a lifelong surfing odyssey that grew to include his wife Juliette, and their nine children. Together, the Paskowitz clan lived a vagabonding bohemian existence, eschewing material possessions in favor of intangible riches like health and good cheer . . . all the while careening along the world's coastlines in search of the perfect wave. In *Scratching the Horizon*, Izzy Paskowitz looks back at his unusual upbringing, and his lifelong passion for the sport that carries his

family's stamp. As the fourth-oldest child in a family of inveterate surfers, rock stars, and beach bums, he is uniquely qualified to shine a light on a childhood that has come to symbolize the surfing credo, a reckless young adulthood that nearly cost him his sanity, and a maturing sense of self and purpose that allows him to lift others on the back of his experience. As the father of a son with autism and the founder of "Surfers Healing," a foundation devoted to expanding the horizons of children with autism through surfing, Paskowitz has found a way to connect the surreal aspects of his childhood to the harsh realities of adulthood, and he shares these discoveries in this wickedly entertaining and

transforming memoir.

“ Takes us to a place of almost mythic power and tells a story that unfolds like a long ride on a killer wave . . . compellingly written. ” —Sebastian Junger, New York Times — bestselling author Rising from the depths of the North Pacific lies a fabled island, now submerged just fifteen feet below the surface of the ocean. Rumors and warnings about Cortes Bank abound, but among big wave surfers, this legendary rock is famous for one simple (and massive) reason: this is the home

of the biggest rideable wave on the face of the earth. In this dramatic work of narrative nonfiction, journalist Chris Dixon unlocks the secrets of Cortes Bank and pulls readers into the harrowing world of big wave surfing and high seas adventure above the most enigmatic and dangerous rock in the sea. The true story of this Everest of the sea will thrill anyone with an abiding curiosity of and respect for mother ocean.

“ A terrific, deeply researched tale about a truly wild place. You couldn ’ t make up Cortes Bank, or the characters who ’ ve tried to make it theirs. ” —William

Finnegan, Pulitzer Prize – winning author of *Barbarian Days: A Surfing Life* “ A first-rate account of an amazing phenomenon and the people who tried to conquer and exploit it. A great read. ”
—Winston Groom, *New York Times* – bestselling author of *Forrest Gump* “ After reading Chris ’ most excellent account of the monstrous waves of the mysterious Cortes Bank—the Bermuda Triangle of the Pacific—I never thought I would ever consider riding a wave like this. But after surviving a five-foot, head-first fall from the stage earlier this year, I think I might

be ready. ” —Jimmy Buffett

West Coast surfing legend Frosty Hesson shares his remarkable life story, the story of his extraordinary friendship with wunderkind Jay Moriarty, and his advice on how to be the best. When Richard “ Frosty ” Hesson was first approached by a young Jay Moriarty in 1990, the skinny kid with a sparkle in his eye only wanted one thing from the icon: his help in becoming a better surfer. Hesson, one of the first to conquer the huge waves off northern California known as *Mavericks*, recognized that the kid “ had a vision. ” Jay quickly demonstrated a resolve that

reminded Frosty of his younger self, pursuing his goal with a seriousness far beyond his years. His attitude and work ethic earned Frosty ’ s respect and, eventually, his friendship. *Making Mavericks* is the inspiring story of their father-son bond and of the challenges that made each of them who they were—surf legends, and the subject of the upcoming film *Chasing Mavericks*. In *Making Mavericks*, Frosty talks about his turbulent youth spent under difficult circumstances, with parents who tried to find a positive way to handle a child with a passion for water and a disregard for his own safety. Throughout his life he developed principles to live by, principles that would become the

core tenets of his teaching philosophy. Most significantly, Frosty talks about how one of his best students, Jay Moriarty, used his philosophy to become a surfing phenomenon, and whose life inspired the phrase, “ Live like Jay. ” Affecting and poignant, Making Mavericks is a celebration of Hesson ’ s determination to live with joy and purpose, and his desire to help others do the same.

With grit, poetry, and humor, Peter Heller, acclaimed author of *The River* and *The Whale Warriors* recounts his remarkable journey of discovery—of surfing, an entirely new challenge; of the ocean ' s beauty and power; of the strange surf subculture; of love; and, most of all, of how to seek adventure while crafting a meaningful life. Author of the New York Times bestselling novel *The Dog Stars* Winner of the National Outdoor Book Award for Literature Having resolved to master a big-hollow wave—that is,

to go from kook (surfer for beginner) to shredder—in a single year, Heller travels from Southern California down the coast of Mexico in the company of his girlfriend and the eccentric surfers they meet. Exuberant and fearless, Heller explores the technique and science of surfing the secrets of its culture, and the environmental ravages to the stunning coastline he visits. As Heller plumbs the working of his own heart and finds joy in both love and surfing, he affords readers vivid insight into this fascinating world, with all of its perils and pleasures, its absurdity and wonder. Exhilarating, entertaining, and moving, *Kook* is a love story between a man and his surfboard, a man and his girlfriend,

a not-so-old man and the sea.
