Human female reproductive system cloze work, Students work docs, The female section 3 reproductive system the female, Human body series female reproductive system, Male ... male reproductive system fill-in-the-blank Flashcards ... Reproductive system Teacher reference sheet Male reproductive body parts Term Description and function Foreskin A wrinkly skin that covers the end of the penis. Some boys are circumcised (at birth, when young or in their teens) for cultural/religious/medical reasons. It was a popular

thing to do for many years.

### **Male Reproductive System Unlabeled Diagram | Reproductive ...**

The dog reproductive system, also called canine genital system, is an interlinked system of sex organs within an organism which work together for the purpose of sexual reproduction. Such system includes obvious body parts such as the male's penis and the female's uterus, but also requires several hormones and other smaller but very functional organs.

Knowledge of the organ systems  
involved in human sexual  
reproduction helps you learn  
about the reproduction process.

The following figure illustrates  
the male reproductive system:  
The egg-shaped male gonads,  
called testes, rest in a sac called  
the scrotum. Sperm don't  
develop normally at the human  
body's core temperature, so  
keeping them cooler outside the  
body [...]
