Away from the handful of mega-resorts, discover the bustle of Mallorca's capital, Palma, the craggy mountains and medieval monasteries of the north coast, and the charming towns of the central plain. Menorca, lying to the east, boasts an interior of rolling fields and wooded ravines in between its capital Mao and the beautifully preserved town of Ciutadella, while a chain of conservation areas protect the pristine coves and beaches that are Menorca's real treasures. Stunning photos, suggested itineraries, day-hike routes, color-coded maps, trustworthy reviews, "Top Five" boxes, and all the practical information you need will help you enjoy the very best of these islands. The island of Mallorca (Majorca) is the most famous of the Balearic Islands and is known for its brilliant sunsets, scenic mountains, sandy beaches, rocky coves and rugged coastline. Its medieval architecture stands in the shadows of the islands modern infrastructure. With around 10 million visitors a year - a rising figure ever since the 1950's - tourists touch down on Mallorca for some fun in the sun. While the majority are young Brits, Germans, and Scandinavians heading to the tourist resorts there is much more to the Balearics largest island.
