Presenting a managerial approach to the study of organisational behaviour, with an emphasis on improving working performance through a better understanding

of human resources, this book contains summaries, review questions, and assignments.
Organization al Behavior, 13th Edition
Pearson UK
Taking a managerial approach and demonstrating the application of behavioural science within the workplace, this text focuses on the essential topics of organisational behaviour.

The Essentials text is a new concise version of the long established market leader Management & Organisational Behaviour which has set standards in pedagogy and authorship that few texts have matched. The accessibility of writing style and clarity of presentation makes unfamiliar theory

relevant, easily understood and logically applied to the world of work. In 12 chapters, the Essentials version focuses on the core topics of the discipline in a recognisable sequence, starting from the level of individual, though to the group, and finally the

organisation. *Hospitality Management and Organisational Behaviour* Cengage AU This text is written for those studying management for the first time. Written in an accessible style and illustrated with a wide variety of diagrams and examples, it encourages its audience to engage in a critical discussion of key themes and concepts of management

.The second editionThe text retains all the strengths of the first edition within a more concise and refined structure. The foundations of management, its origins and context, are examined in the light of contemporary themes such as globalisation, social responsibility, quality and enterprise. Practical applications

and examples taken from many sectors, nations and organisations of all sizes and types both illustrate and challenge taken-for-granted management assumptions and prescriptions .
Management and Organisational Behaviour PHI Learning Pvt. Ltd.
Comments on the previous edition: 'This book is the best of its kind''Laurie Mullins is to be congratulated on producing

an engaging text on human resource management in the hospitality industry.' 'It is nice to see a textbook in this field that has theoretical concerns as well as vocational ones.' 'The writing style is accessible and free from technical jargon' 'Managing People in the Hospitality Industry is the third edition of a best-selling text previously called *Hospitality Management: A Human Resources Approach*. It provides a detailed study

of the ways performance can be improved in the hospitality industry through the effective management of people. It is designed to instil in readers a greater awareness of the organisational factors influencing the behaviour and performance of people at work. The approach focuses on the critical analysis of the relevance and applications of general management theory and practice to the hospitality industry. The

text recognises the diverse nature of the hospitality industry with many real-life case studies and examples. It is written in a clear and easy to understand style, and develops an understanding of key concepts which are then applied to
