Fundamentals of Management, Eighth Canadian Edition Pearson

Management is a student-friendly text that incorporates solid management practices. With its accessible writing style, this tenth Canadian edition shows how management concepts are applied to students' everyday lives in an integrated way. Management distinguishes itself from other books by its strong coverage of small business and entrepreneurial ventures, as well as great visual delivery of material through effective application of charts, diagrams, and tables.

Management, Eleventh Canadian Edition Pearson College Division

Introduces students to the fundamental concepts of computer programming languages and provides them with the tools necessary to evaluate contemporary and future languages. An in-depth discussion of programming language structures, such as syntax and lexical and syntactic analysis, also prepares students to study compiler design. The Eleventh Edition maintains an up-to-date discussion on the topic with the removal of outdated languages such as Ada and Fortran. The addition of relevant new topics and examples such as reflection and exception handling in Python and Ruby add to the currency of the text. Through a critical analysis of design issues of various program languages, Concepts of Programming Languages teaches students the essential differences between computing with specific languages. Robert W. Sebesta is Associate Professor Emeritus, Computer Science Office, UCCS, University of Colorado at Colorado Springs. -- Publisher's note.

Organizational Behavior John Wiley & Sons

The Truth About Managing People offers real solutions for the make-or-break problems faced by every manager. Readers will discover: how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve hiring and employee evaluations; how to heal layoff survivor sickness; even how to learn charisma. This isn't someone's opinion; it's a definitive, evidence-based guide to effective management: a set of bedrock principles to rely on

throughout an entire management career. The Rules of Management: They're surprisingly easy to learn and live by. Now, Richard Templar's brought them all together in one place. Templar covers everything from setting realistic targets to holding effective meetings; finding the right people to inspiring loyalty. Learn when and how to let your people think they know more than you (even if they don't) -- and recognize when they really do The first edition of The Rules of Management became a global phenomenon, topping bestseller charts around the world. This new, even better edition contains 10 brand new rules to take you further, faster. In Wired to Care, top business strategist Dev Patnaik tells the story of how organizations of all kinds prosper when they tap into a power each of us already has: empathy, the ability to reach outside of ourselves and connect with other people. When people inside a company develop a shared sense of what's going on in the world, they see new opportunities faster than their competitors. They have the courage to take a risk on something new. And they have the gut-level certitude to stick with an idea that doesn't take off right away. People are Wired to Care, and many of the world's best organizations are, too.

Management Management : Concepts and Applications

This bestselling principles text vividly illustrates management theories by incorporating the perspectives of real-life managers.

Principles of Management Scarborough, Ont. : Prentice-Hall Canada

CD-ROM based, the unique resource includes 45 exercises divided into three parts: What About Me? Working With Others. Life in Organizations. Each exercise is automatically graded. Exercises are self scoring and generate individual analysis that can be saved for future reference, or printed as a homework assignment.

Management Wiley

A NEW YORK TIMES Notable Book of the Year “ In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. ‘ I ’ m not going to hide behind you anymore, ’ she says. ‘ Who are you anyway? You're not me. ’ Sure she is. The woman in the book is cocky, fearless, smart, capable, and human, on screen and off. ” —Anna Quindlen, The New York Times Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. “ It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn. ” —The New York Times Book Review NOTE: This edition does not include photographs.

Fundamentals of Management, Loose-leaf Version Financial Times/Prentice Hall

Principles of Management is designed to meet the scope and sequence requirements of the introductory course on management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Contributing Authors David S. Bright, Wright State University Anastasia H. Cortes, Virginia Tech University Eva Hartmann, University of Richmond K.
