2 Managerial Accounting,
15th Edition separates the
differences between the
actual results and the static
planning budget that are
due to changes in activity
(the activity variances) from
the differences that are due
to changes in prices and the
effectiveness with which
resources are managed (the
revenue and spending
variances).

Managerial Accounting,
15th Edition the
manufacturing process
where joint products can
be recognized as
individual products. 12-14
Joint costs should not be
allocated among joint
products for decision-
making purposes. If joint
costs are allocated among
the joint products, then
managers may think they
are avoidable costs of the
end products.
