Expanding on Proven Success with Horngren's Financial and Managerial Accounting Horngren's Financial and Managerial Accounting presents the core content of the accounting course in a fresh format designed to help today's learners succeed. The Eleventh Edition expands on the proven success of the significant revision to the Horngren franchise and uses what the authors have learned from focus groups, market feedback, and colleagues to create livelier classrooms, provide meaningful learning tools, and give professors resources to help students inside and outside the class. First, the authors ensured that content was clear, consistent, and above all, accurate. Every chapter is reviewed to ensure that students understand what they are reading and that there is consistency from chapter to chapter. The author team worked every single accounting problem and employed a team of accounting professors from across the nation to review for accuracy. This edition continues the focus on student success and provides resources for professors to create an active and engaging classroom. Through MyAccountingLab, students have the opportunity to watch author recorded solution videos, practice the accounting cycle using an interactive tutorial, and watch in-depth author-driven animated lectures that cover every learning objective. In addition, all instructor resources have been updated to accompany this edition of the book, including the PowerPoint presentations and Test Bank. Also available with MyAccountingLab @ MyAccountingLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Information for Decisions John Wiley & Sons

It is designed for a one semester managerial accounting course at both the undergraduate and MBA level.

Horngren's Financial & Managerial Accounting, the Financial Chapters Houghton Mifflin College Division

Upon its publication in 1963, Corley's Legal Environment of Business was the first and only business law textbook to emphasize public rather than private law, government regulation of business rather than contracts, and legal relationships rather than business transactions. A major innovation, it established a new course that the authors termed the legal environment of business. Over the years others have attempted to attain the success and stature of The Legal and Regulatory Environment of Business, but none has been able to match its timely, innovative coverage. Substantially updated, the 10th edition continues the text's reputation for ethics, authority and coverage of current areas of importance to business. Horngren's Financial & Managerial Accounting Cengage Learning

Weygandt, Managerial Accounting, 6th Edition gives students the tools they need to succeed, whether as accountants or in other career paths. The authors present the fundamental concepts of managerial accounting in an easy-to-understand fashion in a decision-making framework for a one semester, undergraduate managerial accounting course. With an expanded emphasis on student learning, Weygandt Managerial Accounting 6th Edition demonstrates how invaluable management accounting information is to business decision-making. The author team of Weygandt, Kimmel, and Kieso provide students with pedagogy that helps develop decision-making skills, so students can be successful as future business professionals. The decision making pedagogy, easy-to-understand writing style, and quality end of chapter material have been the hallmark features that have made Managerial Accounting, by Weygandt, Kimmel, and Kieso one of the most popular books for this course. Real-World Emphasis – the authors continue the practice of using numerous examples from real-world companies in chapter openers and in the Management Insight boxes. Accounting Across the Organization – gives students business context by showing how people, often in non-accounting functions, use accounting information to make decisions. Expanded Emphasis Service Company – prepares students for work in the service industry market, and shows that accounting is relevant to both service and manufacturing companies. Do IT! Exercises – teach students how to apply their knowledge quickly after they've learned it. Comprehensive Homework Material – each chapter concludes with Self-Test Questions, Questions, Brief Exercises, Do IT! Review, Exercises, and Problems. Broadening Your Perspective Section – is designed to help develop students' decision-making and critical thinking skills. New to this Edition Use of Current Designs (kayak-making company)–introduced in new Chapter 1 Feature Story, and is the basis for new Broadening Your Perspective problem– presents managerial accounting situations that are based on the operations of a real company. People, Planet, and Profit Insight Boxes, featuring sustainability approaches of real companies. New Broadening Your Perspective problem: Considering People, Planet, and Profit, which requires students to consider examples of real cases, such as the costs associated with an oil-refinery accident versus the costs of improving safety/work conditions. New Wiley Managerial Accounting Videos use real, successful companies to demonstrate and reinforce managerial accounting concepts. New easy-to-read spreadsheet illustrations improve readability as well as comparability to Excel. Bloom's taxonomy codes added to Brief Exercises, Do it! Review, Exercises and Problems, for quick assessment categorization. Updated End-of-chapter homework material.

Cornerstones of Managerial Accounting Wiley

Recognizing that most students will pursue careers as managers not accountants, Managerial Accounting, 6th edition by James Jiambalvo focuses on the fundamental topics of managerial accounting, and helps student make direction connections between techniques in the business world, and readers' future careers using real cases and real managers' comments on real company issues. Managerial Accounting, 6th edition helps students develop decision making through incremental analysis and stresses the fact that you Get What You Measure throughout the program. Managerial Accounting Wiley

Equip your students with the managerial accounting knowledge they need to become influential business leaders with the unique integrated learning system in CORNERSTONES OF MANAGERIAL ACCOUNTING, 6E. Based on extensive research, the CORNERSTONES approach presents materials the way today's students learn. The step-by-step CORNERSTONES approach helps students establish a strong foundation before moving forward. Students master the basics more quickly so they can transition to analyzing and applying concepts. Rather than focusing on concepts in isolation, the text presents accounting as a system—emphasizing how the end result changes based on how the numbers affect each other. CORNERSTONES OF MANAGERIAL ACCOUNTING's well-rounded approach helps students master basic managerial accounting concepts, explore the interrelationships of key variables, make sound decisions based on careful analysis, and apply their skills to business situations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Financial & Managerial Accounting for MBAs McGraw-Hill Education

No other management tool provides the operational direction that a well-planned budget can. Now in a new edition, this book provides updated coverage on issues such as budgeting for exempt organizations and nonprofits in light of the IRS' newly issued Form 990; what manufacturing CFOs' budgeting needs are; current technology solutions; and updated information on value-based budgets. Controllers, budget directors, and CFOs will benefit from this practical "how-to" book's coverage, from the initial planning process to forecasting to specific industry budgets.
