Managerial Accounting for

Managers, 2nd Edition by

Noreen/Brewer/Garrison is

based on the market-

leading text, Managerial

Accounting, by Garrison,

Noreen and Brewer. The

Noreen book was created

to serve customers who do

not wish to teach the

financial accounting-

oriented content that is

included in the Garrison

book. Of our three books

(the Brewer book, the

Garrison book, and the

Noreen book), the Noreen

book is the most pure

management accounting

textbook. The other two

books have greater

amounts of financial

accounting content.

Managerial Accounting for

Managers, 2nd Edition is

geared towards professors

who love Garrison's market-

leading managerial

accounting content, but

have been bothered by the

debits and credits included

in the book. It includes the

same coverage of

managerial accounting

topics such as Relevant

Costs for Decision Making,

Capital Budgeting

Decisions, and Segment

Reporting and

Decentralization without the

journal entries. The job-

order costing chapter has

been extensively rewritten

to remove all journal entries.

Furthermore, the chapters

dealing with process

costing, the statement of

cash flows, and financial

statement analysis have

been dropped to enable

professors to focus their

attention on the bedrocks of

managerial

accounting--planning,

control, and decision

making.

As the long-time #1 best-seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it.

Garrison's *Managerial Accounting* is known for its relevance, accuracy, and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual, and study guide – making them both of high quality and extremely consistent with the textbook.

Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian

eighth edition of *Managerial Accounting* by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. Garrison is your guide through the challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. *Managerial Accounting* focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! As seafarers look to the lighthouse for direction

along unfamiliar shore, so too can Garrison act as a compass for students seeking to master this course.
