A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936.

Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the

fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

Cost Management Cengage Learning
Prepare your students to perform at their best with the latest streamlined and reorganized

edition of this innovative managerial accounting text. Hansen/Mowen's MANAGERIAL ACCOUNTING, 8E reflects the latest developments in managerial accounting today with a strong decision-making approach that integrates unmatched coverage of contemporary topics, such as strategic cost analysis, ABC, and quality cost management, with traditional coverage of issues such as job order and process costing. Unique, full chapters on environmental accounting and lean accounting further highlight cutting-edge concepts. A wealth of actual business examples throughout this edition include more service-oriented situations to mirror the shift toward the service industry

in the economy today. A new emphasis on ethics prepares students for CPA and CMA exams. You'll find more variety and stronger end-of-chapter problems and exercises that correspond directly to AACSB and CMA standards to ensure student understanding in these important areas. A new, outcomes-driven CengageNOW online teaching and learning system saves you time and offers the ultimate flexibility in planning, managing, and grading your course with personalized learning paths to ensure stronger student performance and ongoing satisfaction with your managerial accounting course.

The authors have kept the text concise by focusing on the key concepts students need to master. Opening vignettes & 'in action' boxes show realistic applications of these concepts throughout. Comprehensive end-of-chapter problems provide students with all the practice they need to fully learn each concept.

Objectives of Management Accounting Leihar-Friedman

Managerial Accounting is characterised by a strong pedagogical framework and a dynamic and practical approach that directly demonstrates how students can develop their careers in real life. The text introduces students to the underlying concepts and applications of management accounting tools

based on the traditional allocation approach and absorption costing method, and uses 'Staircase' exercises in each chapter to build knowledge and help learners to link the content between chapters as they progress through the book. This title uses easy-to-understand, student-friendly language, uncomplicated examples, a logical discussion of concepts that matches student learning processes, and clear visual explanations that support student understanding.

Weygandt's Managerial Accounting Wiley
Global Education

Equip your students with the managerial accounting knowledge they need to become influential business leaders with the unique integrated learning system in **CORNERSTONES OF MANAGERIAL ACCOUNTING, 6E**. Based on extensive research, the **CORNERSTONES** approach presents materials the way today's students

learn. The step-by-step CORNERSTONES approach helps students establish a strong foundation before moving forward. Students master the basics more quickly so they can transition to analyzing and applying concepts. Rather than focusing on concepts in isolation, the text presents accounting as a system?emphasizing how the end result changes based on how the numbers affect each other. CORNERSTONES OF MANAGERIAL ACCOUNTING's well-rounded approach helps students master basic managerial accounting concepts, explore the interrelationships of key variables, make sound decisions based on careful analysis, and apply their skills to business situations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cornerstones of Financial Accounting McGraw-Hill College

Introduction to Managerial Accounting by Folk/Garrison/Noreen is based on the market-leading text, *Managerial Accounting*, by Garrison and Noreen. However, this is not simply a briefer book with chapters removed; it has been rethought and retooled to meet the needs demanded by the market: a more accessible, yet thorough student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course, cost accounting/cost management. Faculty and students alike will find this new text has retained the hallmark features of the Garrison/Noreen text: author-written supplements; excellent readability; terrific examples; thorough, relevant, and balanced end of chapter material. In sum, this is a book instructors can count on!

Managerial Accounting South Western College Publishing

Gain an understanding of the principles behind cost accounting and its importance in organizational decision making and business today with the unique, reader-friendly approach in Hansen/Mowen/Heitgers COST MANAGEMENT, 5E. This edition addresses functional-based cost and control and, then, activity-based cost systems - giving you the skills to navigate any cost management system. Updates address emerging developments, including the role of data analytics in cost management today. An entire new chapter also examines global issues, such as virtual currency and blockchain. This edition's approach is tailored to the way you learn. Structured

examples from familiar companies emphasize the real-world applications and relevance of what you are learning. Clear explanations review the concepts behind each equation or topic, detailing the "hows," "whys" and "what-ifs." Integrated CengageNOWv2 resources provide additional computerized exercises and problems for practice and review.

Cornerstones of Managerial Accounting
Cengage Learning

Lo/Fisher is praised for its readability and conversational writing style that helps students better understand difficult concepts in Accounting. Lo/Fisher presents the how and why of reporting accounting information from

within an easily-understood theoretical framework. Lo/Fisher has a clean layout that engages the reader with a clear writing style using plain English. This text is built on the current International Financial Reporting Standards (IFRS) and incorporates Accounting Standards for Private Enterprise (ASPE) where appropriate. Our philosophy is that when students understand the current standards, they will be able to analyze and interpret changes in the future.
