Managerial Decision Modeling: Business Analytics with ...
For courses on decision modeling through the use of spreadsheets. The perfect balance between decision modeling and spreadsheet use. It's important that textbooks support decision modeling courses by combining student's ability to logically model and analyze diverse decision-making scenarios with software-based solution procedures. Balakrishnan offers the perfect balance of the decision modeling process and the use of spreadsheets to set up and solve decision models.
Managerial Decision Modeling with Spreadsheets, 3rd Edition
Description. For undergraduate or graduate spreadsheet based courses in Management Science, Decision Modeling, Quantitative Methods, or Operations Research. This text emphasizes balancing the theory behind decision modeling and the use of spreadsheets to easily set up and solve these models. From a managerial perspective, the purpose of decision modeling is to gain insight into the problem, not the detailed mechanics of the solution process.
