The goal of Thomas and Maurice's Managerial Economics is to teach students the economic way of thinking about business decision and strategy. This edition continues to develop critical thinking skills and provides students with a logical way of analysing both the routine decisions of managing the daily operations of a business as well as the longer-run strategic plans that seek to manipulate ...

managerial economics is to provide economic terminology and reasoning for the improvement of managerial decisions. Most readers will be

familiar with two different conceptual approaches to the study of economics: microeconomics and macroeconomics.

Microeconomics studies phenomena related to goods and services

Managerial Economics 13th Edition, Kindle Edition

In a clear and engaging writing style, Christopher Thomas carries on the tradition he and Charles Maurice shepherded for eight previous editions in the 9th edition. The 9th Edition explores the current market forces that create

both opportunities and constraints for business enterprises. The book has enjoyed success in part because of its mid-level of rigor, clarity of presentation, and end-of-chapter material. Note: The title of the Student CD, Managerial Accounting, 9/e is a print error.
