Managerial Economics, 7th Edition - Pearson

Managerial Economics and

Strategy uses real-world

issues and examples to

illustrate how economic principles impact business

decisions. Emphases on

agency and contract theory,

managerial behavioral

economics, game theory,

and pricing are especially

valuable to future managers. In-text examples and boxed mini-cases use actual data to illustrate the use of basic economic models, while Q&As pose important managerial or economic problems and demonstrate a step-by-step approach to solving them.
