Chapter 11 in the fifth edition, which covered the Choice Management - Change Management model, has been divided into two chapters, now Chapters 12 and 13. The new Chapter 13, which is solely devoted to an expanded discussion of the Change process, draws especial attention to the importance of behavioural change.

Managing Change in Organizations

Managing Change By Burnes 5th

"Managing Change" examines the concept and practice of change within the broader context of the history, literature and theories of management. The main approaches on strategy development, management and leadership are linked to the

processes of organisational change. A wide-ranging selection of case studies provides illustrations of change in a real-world context. This fourth edition reviews ...

Burnes, *Managing Change*, 6th Edition | Pearson
Managing Change: A Strategic Approach to Organizational Dynamics, 5th Edition. Bernard Burnes. *Managing Change* examines the concept and practice of change within the context of the history, literature and theories of management. In particular, it links the process of change to the strategic development, management and leadership of organisations. The reader is encouraged to reflect critically on areas such as post-modernism, realism and complexity theory, and explores in depth the influence ...
