Law, Policy, and Perspectives Wolters Kluwer

Written for sixth form and college students, AS Law covers the content of AS Law for AQA and OCR students in a lively and reader-friendly style. Topics are broken down into manageable parts, with clear headings and are illustrated throughout with photographs, diagrams, boxes and illustrations. Each chapter includes: an introduction outlining learning objectives relating to the subject specifications 'developing the subject' sections explaining a particularly important or difficult point in more detail, designed to challenge more able students a list of useful websites enabling students to access primary law materials intended to support chapter-by-chapter reading 'it's a fact!' sections highlighting interesting and contemporary applications of the legal principle under discussion dedicated sections providing detailed examination of key cases, within the context of the chapter discussion hints and tips for revision topics and strategies helping students to prepare for the types of questions that are most likely to come up in exams. The book contains a wealth of opportunities to test and apply knowledge, with revision quizzes, quick tests and sample questions and answers within each chapter and there are additional opportunities for self-testing and revision available via the Companion Website. This third edition has been revised and updated to take into account the new 2008 AQA specifications and contains a new chapter on contract liabilities, as well as expanded material on sentencing and court procedures. It also addresses recent legal developments such as the establishment of the Ministry of Justice, changes in the legal profession and the constitution, and the reform of the House of Lords. AS Law provides a stimulating and exciting approach to the subject, profiling famous legal figures and examining law in films, fiction, non-fiction and on the internet whilst offering comprehensive coverage of the AQA and OCR subject specifications fulfilling all syllabus requirements.

Strategic Management, Loose-Leaf Print Companion American Bar Association

Law Office Management for Paralegals John Wiley & Sons

Hailed when it was first published in 1985 as the bible of U.S. collections management, *A Legal Primer on Managing Museum Collections* offers the only comprehensive discussion of the legal questions faced by museums regarding collections. This revised and expanded third edition addresses the many legal developments—including a comprehensive discussion of stolen art and the international movement of cultural property, recent developments in copyright, and the effects of burgeoning electronic uses—that have occurred during the past twenty-five years. An authoritative, go-to book for any museum professional, *Legal Primer* offers detailed explanations of the law, suggestions for preventing legal problems, and numerous case studies of lawsuits involving museum collections.

A Guide to Hiring, Managing, and Firing for Employers and Employees
American Bar Association

Rev. ed. of: *Organizational behavior and management in law enforcement* / Harry W. More ... [et al.]. 2nd ed. 2006.

NASCLA Contractor's Guide to Business, Law and Project Management, Oregon Construction Contractors Wiley Global Education

Employment Law: A Guide to Hiring, Managing, and Firing for Employers and Employees, Fourth Edition is a practical text for undergraduate, graduate, and paralegal employment law,

human resources, and business school courses. This unique book approaches each area from the perspective of both employees and employers. The balanced approach is organized to track the employer-employee relationship focusing on day-to-day hiring, managing, and firing practices. After an overview of discrimination laws and a discussion of different types of employment relationships the text moves chronologically from the recruitment of candidates through all aspects of employment to the conclusion of the employment relationship. Each chapter begins with clear chapter objectives. A list of key terms ends the chapter followed by basic questions to ensure students master the key concepts and fact patterns, which test student's ability to apply the concepts to workplace matters. These fact-based scenarios promote critical thinking and develop analytical skills. New to the Fourth Edition: New coverage of the balancing of employer and employee interests in regard to political expression and social media use Expanded discussion of employer and employee rights with respect to medical marijuana Focus on the heightened attention paid to policies related to workplace romances due to the #MeToo movement Enhancement of the materials related to the prohibition of sex discrimination and compensation discrimination materials, including the comparing and contrasting of employee rights under Title VII and the Equal Pay Act Introduction of Check it out! —a teaching tool based on real-life scenarios. These sidebars raise thought-provoking questions designed to initiate both legal and policy discussions and reinforce legal concepts and stakeholder considerations. Professors and students will benefit from: Materials are chronologically organized and track the employer–employee relationship. Complicated information is presented in a clear and concise manner. Guidance from the very agencies that are ultimately responsible for the laws that regulate the employment relationship is included. Tackling of serious workplace matters is paired appropriately with the injection of humor to increase the attention of students and the likelihood that they retain the knowledge related to key concepts. Students who work in human resources, employment law are provided with sample forms, enforcement guidance, and workplace posters that they need to know. Practical information within the context of interviewing provides students with a wealth of information and issues that help them frame interview questions that are legally compliant. References to the most significant legal cases, as well as some lesser-known cases represent common themes. End-of-chapter questions ensure students master key concepts. Numerous fact patterns test whether students not only understand these concepts but also can apply them to workplace matters. These fact-based scenarios promote critical thinking and develop analytical skills so that the knowledge can be used by students. Key terms appear in the margins where a term is first introduced and in the glossary at the end of the book. This comprehensive glossary of key terms provides students with an additional opportunity to review important terms.

***Hospitality Law* Routledge**

The Legal Aspects of Doing Business Cengage Learning

In its First Edition, this classic treatise called attention to the duty of reasonable care, the duty of loyalty and the public duty of fiduciaries to the marketplace. Grounded in the idea that prudent investing is to be defined by professional practices accepted as appropriate at the time of investment by the management, thereby permitting such practices to adapt to changing conditions and insights, the field of investment management law and regulation has at its center the goal of a common standard of care for investment. Now in its Second Edition, this definitive guide to investment management law and regulation helps you to profitably adapt to today's new and changing conditions and anticipate tomorrow's regulatory response. Here are just a few of the reasons why Investment Management Law and Regulation will be so valuable to you: Explains and analyzes all the ins and outs of the law, clarifies the complexities, answers your questions, points out pitfalls and helps you avoid them Covers the entire field in one volume, saves you valuable time and effort in finding information and searching through stacks of references Ensures compliance with all relevant regulations, makes sure nothing is overlooked, protects you against costly mistakes Updates you on the latest important changes, tells you what is happening now and what is likely to happen in the future Investment Management Law and Regulation is the only up-to-date volume to offer a comprehensive examination of the field of investment management law, covering everything from financial theory and legal theory to the various aspects of hands-on fund management. It's the only resource of its kind that: Identifies and explains the financial theories that control the development of investment management law across management activities Gives critical judicial, legislative, and regulatory history that makes recent law and regulation more comprehensible Covers all areas of regulation governing the activities of investment managers, including marketing, suitability, advisory contacts, fees, exculpation and indemnification, performance, fiduciary obligations, conflicts of interest, best execution Provides the practical tools that help predict more effectively how regulators will respond to new marketplace developments and products Integrates investment management law and regulation for all institutional investment managers And more Whether you are a manager, broker, banker, or legal counsel, a seasoned professional or just starting out, this treatise will quickly become your most trusted guide through the intricacies of this complex, critical, and closely scrutinized area

Case Studies in Sport Law SAGE Publications

A Legal Primer on Managing Museum Collections, Third Edition Wolters Kluwer

The primary focus of this book is on criminal violence of both mentally disordered and criminal inmates, whose histories of criminal violence raise serious societal concerns about the commission of future acts of violence. It is difficult for legal experts, psychologists, and policy makers to make decisions that strike the proper balance between an offender's civil liberties and community safety. Such a balance requires an accurate assessment of the likelihood that an individual offender will commit a new violent or sexual offense. On the basis of their research on mentally disordered offenders, sex offenders, fire setters, and psychopathic offenders, the authors have devised an actuarial assessment instrument, the Violence Risk Appraisal Guide. The authors argue that risk management can be improved by combining what is already known about predicting violence, clinical decision making, and program evaluation. They conclude that the results of their applied research have implications for our understanding of the etiology of violent criminal behavior.

Survival Tools for Law Firms Prentice Hall

Legal Aspects of Public Procurement, Third Edition provides a glimpse into the relationships between the legal, ethical, and professional standards of public procurement, outlining not only the interconnections of federal, state, and local law but also best practice under comprehensive judicial standards. The book addresses the ever-changing legal structures that work in conjunction and define the public procurement profession, providing recommended guidance for how practitioners can engage in the function while staying ethically aligned. Instead of trying to address every issue at the heart of public procurement, however, the book seeks to establish the history and spirit of the law, outlining how practitioners can engage proactively and willingly to not only perform their function, but to also become advocates for procurement law modernization. This third edition features new chapters on competitive sealed proposals and contract administration, as well as a thoroughly revised and updated chapter on procurement of information technology to better relate to an increasingly digital world.

Promoting a start-to-finish guidance of the procurement process, Legal Aspects of Public Procurement explores the relationships between solicitation, proposals, contract administration, and the cutting-edge aspects of technology procurements, providing a theoretical and case-study driven foundation for novice and veteran practitioners alike.

A Legal Guide to Homeland Security and Emergency Management for State and Local Governments Routledge

Case Studies in Sport Law, Second Edition, provides students with specific examples and perspectives of some of the most significant cases in sport law in an accessible tone that is free of legal jargon. The text is an ideal companion for non-law students who are seeking clarity and context for legal issues commonly encountered in sport management and sport law settings. The 87 cases provide real-life applications for students and scholars of sport management. This updated second edition of Case Studies in Sport Law contains one new case study to provide a more contemporary example while maintaining the most significant precedent cases. The text is easily incorporated as a supplement to course studies, especially for its recommended companion text, Introduction to Sport Law, Second Edition. These two texts were designed with the other in mind, and the structures match each other in order of topics presented so that students can easily cross-reference the two to obtain the best understanding of sport law. The 87 cases in Case Studies in Sport Law have been carefully curated by a team of experts in the field and represent many of the multifaceted aspects of sport law. Some of the areas covered in the text are school districts, colleges and universities, interscholastic and recreational programs, professional sport franchises, sporting goods manufacturers and trademarks, and governing bodies. This broad approach encourages students to understand the impact of legal issues on the sport industry, including many of the areas that students are hoping to pursue as a career. Case Studies in Sport Law offers condensed versions of each case as opposed to the full legal proceedings, which enables students to grasp key concepts of the case instead of wading through legal jargon. The cases are divided into the main topics that are most prevalent in sport law courses: agency law, antitrust law, constitutional law, contract law, employment law, intellectual property, labor law, products liability, risk management, statutory law, Title IX, tort law, and the U.S. legal system. This is an easy-to-follow format that allows instructors and readers easy selection of cases based on the topic at hand. In addition to the abridged court cases, each section provides introductory information to prepare students on the type of law that will be examined and key concepts to bear in mind while reading. Further, each case study ends with review questions that can test student comprehension, be used for review, and prompt in-class discussions. Answers to these review questions are in the instructor guide, which is free to course adopters and available at www.HumanKinetics.com/CaseStudiesInSportLaw. Litigation and lawsuits in sport are increasing; therefore, managers and operators must maintain a thorough understanding of legal practices. Case Studies in Sport Law is the ideal text to supplement a sport management or sport law class and bolster student comprehension of sport law issues,

and it is a supreme reference in the professional library of all practitioners in college, high school, professional, and recreational sport settings.

Nonprofit Governance and Management Sagamore Publishing

This well-established textbook offers an in-depth view of law for students of estate and land management, commencing with the English legal system, the law of contract, the law of tort, and land law, leading to closing sections on the law of landlord and tenant and planning law, taking into account recent statutory provisions on the way. These include the Human Rights Act 1998, the Contract (Rights of Third Parties) Act 1999, and the Land Registration Act 2002.

A Guidebook for Managing Deals Efficiently and Effectively Holcomb Hathaway Publishers

This text takes the view that the study of equality needs to consider not only issues of discrimination, but also the needs of people in relation to their diverse cultures and identities. It therefore takes a different approach to the issues of quality and diversity in the world of employment. The Dynamics of Managing Diversity discusses diversity as recognition of the differences and similarities between and among social groups, and how resulting policies must reflect these. This new edition has been extensively revised and up-dated to incorporate new conceptual, theoretical and empirical work now available in this growing subject area.

Public Health and Disaster Management American Bar Association

This updated third edition of Legal Aspects of Corrections Management provides a current, informative, and reader-friendly discussion of the contemporary legal issues impacting corrections management. Through the use of case law, this text provides readers with a practical understanding of how the First, Fourth, Fifth, Eighth and Fourteenth Amendments relate to the day-to-day issues of running a prison, jail, and other corrections programs, such as probation and parole. The authors' combined corrections experience included such positions as General Counsel, Regional Counsel, and Correctional Program Officer, as well as working within corrections facilities. Their work involved advising corrections staff and management on the legal issues associated with policies and procedures. The authors also have extensive teaching experience in corrections law, the criminal justice system, and criminology.

Concepts and Cases Human Kinetics

This is a comprehensive introduction to law office management, written specifically for paralegal students taking a stand-alone office management course. Unique among textbooks of its kind, it provides thorough coverage of all aspects of law office management and organization, including ethics

and soft skills such as communications and critical thinking that are key to successful office management. Assignments are drawn from real-world law office management situations and supported by innovative visual aids and learning tools, such as Clio, Tabs, and PracticeMaster, which gives students hands-on practice with timekeeping systems. Features: Supported by visual aids and innovative learning devices, this book offers complete coverage of principles of management; employment and compensation; personnel structure of different types of law offices; billing and accounting methods; administrative systems; technology; and the tasks, responsibilities, and roles of lawyers and paralegals. Every chapter includes an ethics assignment. A new chapter walks students through exercises using Clio, Tabs III, and PracticeMaster software (available online to users of this text) for time-keeping, conflicts checks, entering contacts, entering dates in the docket system, trust accounting, generating a form letter, and other client-file tasks. The chapter also directs students through creation of a pdf portfolio, redacting documents, and creating bookmarks. New career profiles emphasize the importance of involvement in professional organizations, advancement in the legal field without obtaining a law degree, and that the legal profession is populated by men and women of all ages and backgrounds.

Stress Management in Law Enforcement Kluwer Law International B.V.

Health Care Management and the Law-2nd Edition is a comprehensive practical health law text relevant to students seeking the basic management skills required to work in health care organizations, as well as students currently working in health care organizations. This text is also relevant to those general health care consumers who are simply attempting to navigate the complex American health care system. Every attempt is made within the text to support health law and management theory with practical applications to current issues.

The Legal Aspects of Doing Business Aspen Publishers

To meet the increasing demands for transparency and efficiency in the deal process and predictability of legal costs in M&A, this new guidebook contains tools to help M&A lawyers streamline and manage transactions, without overlooking important matters or compromising the quality of their legal services. Complete with practical guidance from veteran M&A practitioners, this valuable resource outlines each step of the M&A process, from "Pre-Deal," "Deal," to "Post-Closing," offering insight to help deal lawyers effectively scope, plan, manage, and execute M&A deals. It contains downloadable checklists, forms, and tools that lawyers can customize to implement legal project management in their M&A practice.
