A fresh, innovative, and streamlined approach to the LSAT, featuring techniques geared towards students aiming for top scores. Manhattan LSAT takes a fresh and innovative approach to the LSAT by featuring techniques geared toward students aiming for top scores. Our guides are true course materials, created and field-tested by the best teachers in the business. Included in this all-in-one set are books devoted to the test's three sections: Logical Reasoning, Reading Comprehension, and Logic Games. The Logical Reasoning Strategy Guide (9781935707851) teaches the essential strategies you'll need to understand the questions while also arming you with the skills needed to pick apart the answer choices. Avoiding an unwieldy and ineffective focus on memorizing sub-categories and steps, this guide instead reveals what top-scorers actually do, encouraging a more streamlined approach that engages and improves your natural critical-thinking skills. The Reading Comprehension Strategy Guide (9781935707868) goes well beyond the standard approach to reading comprehension. It trains you to approach the LSAT as a law student would approach a legal text, actively and with a purpose, leading you to faster and more effective reading. Furthermore, you'll learn how the LSAT creates tricky wrong answers so that you're better equipped to avoid them. The Logic Games Strategy Guide (9781935707844) is oriented towards the latest trends in LSAT logic games, making it truly cutting-edge. The logic games are neatly organized into different game types, and a strategy for approaching each type is presented, followed by drills designed to encourage mastery of the diagram system and the typical inferences for that game type. While arming students with a comprehensive system, this guide encourages a flexible approach that allows students to adapt to whatever curveballs the LSAT throws at them. Special features include online access to class recordings, online learning labs, and a downloadable study guide and progress-tracking tool.

GMAT Official Guide Verbal Review 2022 Simon and Schuster

Disrespecting the LSAT: The Fox Test Prep Guide to Logical Reasoning contains full explanations of over 550 actual LSAT Logical Reasoning questions... that's four times as many as Powerscore's LR Bible. In his down-to-earth, irreverent style, Nathan walks you through actual LSAT questions, demystifying the confusing world of logical reasoning and showing you how to dominate the test. He breaks down methods that will help you see through the BS and nail every single type of LR question, sharing approaches that stick with you when you finally sit down for the big day. By using the strategies that have garnered rave reviews from his students in San Francisco and from readers of the Fox Test Prep Guide to a Real LSAT series, Nathan will show you how to save time on the LSAT so you can focus your energy on the truly challenging questions. No nonsense. No made-up, trademarked buzzwords. No confusing jargon. And best of all, no pulled punches. Plus, you'll also find out how to contact Nathan directly with your questions. So grab a pencil and crack this book. Let's get it on.

LSAT Logical Reasoning John Wiley & Sons

Turbo-Charge Your Prep with Problem-Type Drilling

The LSAT is an exam which is full of patterns.

Because of this, using previously-administered LSATs is indisputably the most effective way to prepare for the test. The exam tests your ability to answer questions accurately and shift gears through distinct types of questions, all under tight time constraints. LSAC publishes five books of ten LSATs, and while they are quite reasonably priced, none of them break the problem-types into groups for targeted drilling. This book provides the tools to drill questions by problem type using the standard official LSAT books. Rather than sorting through tests manually, simply use our problem sets (with answer bubbles) to navigate the various types. The references even include page numbers, where available, so you can go straight to the problems without delay. For most students, problem-type drilling is essential for test mastery; this book in conjunction with LSAC's books of ten tests will enable you to drill as needed and save valuable time in the process.
