John Dos Passos, the distinguished American

novelist and historian has been personally interested in Brazil for the last fifteen years. He first visited the country in 1948, and returned again in 1956 and 1962. This book, which is based on his experiences in Brazil, presents the people and landscapes of a young country on the move. Here you will find several extraordinary reports on Brasilia, first in the planning stage, second in the wildly frantic period when it was a half-finished group of buildings, and, finally, as it appeared to Mr. Dos Passos in the summer of 1962 when it was at last beginning to function as a city. Here, too, is the story of Brazil ' s great road building program designed to unify the country, and of the political battles in this enormous country which totters on the verge of a Communist takeover. From traveling the length and breadth of the land and from interviewing all kinds of people: politicians like Carlos Lacerda and religious leaders like Bishop Sales, Mr. Dos Passos has been able to transmit some of the flavor of the most important of Latin American nations. Mr. Dos Passos himself is of Portuguese descent, and he speaks Portuguese as well as Spanish. He begins this readable and fascinating book with a much needed short sketch of the history of Brazil and how the Portuguese tradition differs from the Spanish in South America. *Manhattan Transfer* Cambridge University Press After meeting for the first time on the front lines of World War I, two aspiring writers forge an intense twenty-year friendship and write some of America's greatest novels, giving voice to a "lost generation" shaken by war. Eager to find his way in life

and words, John Dos Passos first witnessed the horror of trench warfare in France as a volunteer ambulance driver retrieving the dead and seriously wounded from the front line. Later in the war, he briefly met another young writer, Ernest Hemingway, who was just arriving for his service in the ambulance corps. When the war was over, both men knew they had to write about it; they had to give voice to what they felt about war and life. Their friendship and collaboration developed through the peace of the 1920s and 1930s, as Hemingway's novels soared to success while Dos Passos penned the greatest antiwar novel of his generation, *Three Soldiers*. In war, Hemingway found adventure, women, and a cause. Dos Passos saw only oppression and futility. Their different visions eventually turned their private friendship into a bitter public fight, fueled by money, jealousy, and lust. Rich in evocative detail -- from Paris cafes to the Austrian Alps, from the streets of Pamplona to the waters of Key West -- *The Ambulance Drivers* is a biography of a turbulent friendship between two of the century's greatest writers, and an illustration of how war both inspires and destroys, unites and divides.

Streets of Night University of Texas Press
Manhattan Transfer is an

American novel by John Dos Passos published in 1925. It focuses on the development of urban life in New York City from the Gilded Age to the Jazz Age as told through a series of overlapping individual stories. It is considered to be one of Dos Passos' most important works.

Manhattan Transfer

Everyman's Library
A record of his childhood, young adulthood, and twenties, *The Best Times* is a collage of cherished memories. He reflects on the joys of an itinerant life enriched by new and diverse friendships, customs, cultures, and cuisines. Luminary personalities and landscapes abound in the 1920s literary world Dos Passos loved. F. Scott Fitzgerald, Ernest Hemingway, E.E. Cummings, Gerald and Sara Murphy, Horsley Gantt—they are his beloved friends. Spain, the French Riviera, Paris, Persia, the Caucasus—they are his beloved footpaths.

a mirror of the metropolis : a thematic approach Da Capo Press Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 2,0, Ernst Moritz Arndt University of Greifswald (Institute of Anglican and American Studies - English Literature and Cultural Studies), course: Fragments shored against ruins: T.S. Eliots frü he Lyrik und die Entstehung der modernistischen Avantgarde, 9 entries in the bibliography, language: English, abstract: Manhattan Transfer is one of the earliest of that type of novels which has come to be known as „collectivistic“. The idea is to present a cross-section of the social structure, the social organism; an “over-view” of the subject in which details of individual lives merge in the general picture of society” (Belkind 1971:61). This quotation by Allen Belkind shows that the American author John Dos Passos is not

interested in individual characters and their lives in Manhattan Transfer but in how the characters solve the problems and their everyday life in a metropolis, in the city of New York. I would like to deal with Manhattan Transfer by John Dos Passos which was first published in 1925. I will start with some autobiographical facts about Dos Passos to show how he grew up and how his life influenced his works. A short summary and the numeration of stylistic features of Manhattan Transfer will lead to the depiction of the city New York as the actual protagonist of this novel. There are different social groups such as immigrants or poor and rich people described in the book. I want to deal with Ellen Thatcher and Jimmy Herf as the protagonists, and I want to show how they perceive the world. This part is the main topic of this paper. There are numerous essays about the novel Manhattan Transfer and

how it deals with New York. I am going to point out the images of New York and their effects on Ellen Thatcher and Jimmy Herf. John Rodrigo Dos Passos was born in Chicago/ Illinois on January 14th 1896. He studied at Harvard University and in Spain. He used the experiences he made as ambulance driver and medic in the Great War (1914-1918). For his first novel called One Man ' s Initiation (1917). It was first published in 1920. His breakthrough came in 1921 with his second war novel Three Soldiers. In 1925, he published the most significant big town novel of Modernism: Manhattan Transfer. In this novel he portrays an extensive image of New York ' s social classes between 1890 and 1925. In the paper Facing the Chair, Dos Passos fought for the anarchists Nicola Sacco and Bartolomeo Vanzetti who were executed after their political lawsuits. In his epochal masterpiece, USA, John Dos Passos

Wikepedia: Three
Soldiers is a 1921
novel by the American
writer and critic John
Dos Passos. It is one of
the key American war
novels of the First
World War, and
remains a classic of the
realist war novel genre.
The disillusionment
John Dos Passos felt
for the Great War
forms the core of
THREE SOLDIERS,
which stands as a
denunciation of the
military and its
exploitation of young
men. The novel
chronicles the wartime
experiences of a trio of
American privates from
different backgrounds:
Andrews, a gifted
musician and Harvard
graduate from New
York; Fuselli, a store
clerk who hopes to
impress a girl back
home in San Francisco;
and Chrisfield, an
easygoing farm boy
from Indiana.

Recognized as a masterpiece when first published more than seventy-five years ago, **THREE SOLDIERS** still stands as a testament to the dehumanizing effects of war.

“ It is not simply that [Dos Passos] has a keen eye for people, but that he has a keen eye for so many different kinds of people. ” —The New York Times Marking the end of “ one of the most ambitious projects that an American novelist has ever undertaken ” (Time), *The Big Money* brings us back to America after the Great War, a nation on the upswing. Industrialism booms. The stock market surges. Lindbergh takes his solo flight. Henry Ford makes automobiles. From New York to Hollywood, love affairs to business deals, it is a country taking the turns too fast, speeding toward the crash of 1929.

Ultimately, whether the novels of John Dos Passos ' s classic USA Trilogy are read together or separately, they paint a sweeping portrait of collective America—and showcase the brilliance and bravery of one of its most enduring and admired writers. *The Big Money*, focusing on a passionate pilot whose compromises culminate

in despair and an actress led astray by her ambitions, completes this “ fable of America's materialistic success and moral decline ” (American Heritage).

The image of the city in *Manhattan Transfer* by John Dos Passos Warbler Classics John Dos Passos's *Manhattan Transfer* follows the overlapping lives of four principal characters in a sweeping multi-faceted tale set to the soundtrack of the booming, rhythmic pulse of New York City in the 1920s. Peopled with wealthy professionals, struggling immigrants, actors, cab drivers, chefs, and shopkeepers, a portrait of New York City bursts into view with all the force of the city itself. Through a narrative collage of descriptions, snatches of conversations, music, flashbacks, streams of consciousness, and shifting perspectives, Dos Passos vividly portrays the profits and perils of the American

dream. Considered by many to be his greatest novel, *Manhattan Transfer* is a landmark work of modernist fiction and a masterpiece of American literature. *Manhattan transfer* Vintage Aliens kidnap Manhattan; read all about it. Manhattan is taken away and placed under a huge clear dome, through which the trapped residents can see dozens of similarly trapped alien cities. First published in 1993. Very much in the same spirit and scope as the 1996 film, *Independence Day*. Echoed in a small way by the 1996 *Star Trek: Voyager* episode "Displaced." Science Fiction Book Club selection. Reached the preliminary Nebula Award ballot. On the Science Fiction Chronicle best of year list. Rockies Award winner. HOMer Award nominee. Hugo Award Honorable Mention. Seiun Award nominee (Japan). La Tour Eiffel nominee (France). Reviews "Som

In most of his half century of writing, John Dos Passos consistently tried to capture and define the American character. The complete range of his work builds to Dos Passos' concept of "contemporary chronicle," his own name for his fiction. In this first study of all Dos Passos' writing, Linda W. Wagner examines his fiction, poetry, drama, travel essays, and history—a body of work that evokes a vivid image of America meant to be neither judgmental nor moralistic. From Manhattan Transfer to U. S. A. to District of Columbia to The Thirteenth Chronicle and Mid-century, Wagner illuminates Dos Passos' work with fresh readings

and new interpretations. She makes extensive use of unpublished manuscript material so that this is a casebook of Dos Passos' interest in craft and method as well as a thematic study. In addition, this volume chronicles the years during which Dos Passos wrote—the immediate post-World War I period through the twenties and thirties and well into the fifties. This is an important book both in literary criticism and in American social history.

rendering of its early 20th century New York setting.

U.S.A. GRIN Verlag

Abstract: John Dos Passos was a modernist writer who employed modernist techniques in a fictional work about New York City, arguably America's most fascinating city. In his 1925 novel *Manhattan Transfer*, Dos Passos sought to capture and channel the energetic life of New York City by utilizing Simultaneism and other techniques he learned from the European avant-garde. During the spring and summer of 1923, a few years before the novel was published, Dos Passos resided in France and cultivated relationships with avant-garde painters and writers that nurtured his writing talent. He mingled with such painters as Russian émigré Natalie Goncharova, her American pupil Gerald Murphy, and the French painter Fernand Leger. These painters impressed upon Dos Passos the primacy of developing a formal structure when approaching a work of art. French painters Robert and Sonia Delaunay showed the young writer that he could transform a static image into a dynamic work of art by utilizing Futurist techniques. While in France Dos Passos imbibed these techniques and incorporated them into *Manhattan Transfer*, his

first mature work of modernist literature, which he began writing when he returned to New York City in the late summer of 1923. This essay will first explore Dos Passos's introduction to modernist art that began as early as the Armory Show in 1913, but fixed itself into his thinking by 1916, his senior year at Harvard. Dos Passos began his travels abroad in the summer of 1916, but it was not until 1923 that his insatiable desire to learn the techniques of modernist art compelled him to seek out modernist artists that helped him to nurture his talent. Secondly, I will show that as a young writer and amateur painter, Dos Passos employed European avant-garde painting techniques for *Manhattan Transfer* that evinced a painter's vision of the city. To demonstrate this second point I will break the rest of the essay into three parts which correspond with how a painter approaches a canvas. In the first section, I will show that, like a painter, Dos Passos developed the city's formal shape by focusing on the city's size and space, demonstrating a city that was both expansive and confining. Secondly, in the Color section I will show that Dos Passos filled in the form by adding extensive color in order to draw attention to, and set apart, the numerous images in the

novel. Finally, in the third section I will argue that he employed techniques of Futurism to the shape and color to give the novel a sense of dynamic motion. [American Literature and Immediacy](#) Carroll & Graf Pub Demonstrates that the quest for immediacy, or experiences of direct connection and presence, has propelled the development of American literature and media culture.
