"I've broken him, bent him, and
burned him, and each fevered
moment was worth every ounce of
pain." Auburn Lawrence has loved
her English teacher, Reed West,
since she was sixteen. Through
brainstorming stories, reading
classic literature, and plenty of
fiery banter, they've forged a
bond that neither of them
expected. Propelled by a chance
encounter after her graduation,
they discover just how deep their
connection runs, but love requires
more than chemistry to flourish.
They spend three electrifying
summer months discovering each
other under a veil of forbidden
passion and desperate lust before
they learn that the unattainable

is often destined to remain exactly
that. By the time temperatures dip
and snowflakes fly, their
relationship will face a deep
freeze that threatens to snap the
bond they thought they shared,
shattering their lives one secret
at a time. Intended for mature

This richly orchestrated novel, which won a national literary prize in the author's native land, Venezuela, also earned international recognition when the William Faulkner Foundation gave it an award as the most notable novel published in Ibero America

between 1945 and 1962. Cumboto's disturbing story unfolds during the early decades of the twentieth century on a Venezuelan coconut plantation, in a turbulent Faulknerian double world of black and white. It records the lives of Don Federico, the effete survivor of a once vigorous family of landowners, and his Negro servant Natividad, who since the days of their mutual childhood has been his only friend. Young Federico, psychologically impotent and lost to human contact, lives on as a lonely recluse in the century-old main house of "Cumboto," surrounded by descendants of African slaves who still manage, despite his apathy, to keep the plantation on its feet. Natividad's heroic and selfless struggle to redeem his friend by awakening him to the stirrings of the earth and life about him sets in

motion a series of events that are to shatter Federico's childlike world: a headlong love affair with a voluptuous black girl, her terrified flight in the face of the bitter condemnation of her own people, and the unexpected appearance, twenty years later, of their extraordinary son. Throughout the novel runs a recurring theme: neither race can survive without the other. Black and white, Díaz S á nchez suggests, embody contrasting aspects of human nature, which are not inimical but complementary: the languid intellectualism of European culture must be tempered with the indestructible vitality and intuition of the African soul if humanity is ever fully to comprehend the living essence of the world.

In his view Krishna cannot be judged by the moral yardstick set for others. Krishna's magical charm has always appealed to people of all generations. People from different lifestyles have interpreted his ideologies based on their values. He

exists in the imagination of the Indian people as the fountainhead of eternal energy, pranks and wisdom. His godfather-like relationship with the Pandavas, his political strategies and his solutions to various problems continue to impress us even in the twenty-first century. Narada, the narrator of the novel, begins the story with Jara the hunter shooting an arrow at Krishna's feet in the aftermath of the Kurukshetra war. Narada's witticisms enhance the spirit of the story. He unfolds to us the life of Krishna as revealed to Jara by Krishna himself. The pranks young Krishna played on the gopikas, his battle with various evil forces, his role in the lives of the Pandavas and the part he played in

the Kurukshetra war all these form interesting episodes in Krishna's life. Indira Parthasarathy's Krishna Krishna is more than the the lord's story as told in the Harivamsam, Sri Bhagavatam, Vishnu Purana and the Mahabharata. Here he is the hero, the central figure around whom things happen unlike the Krishna of the epics. The novel gives us the essence of the Krishnavatara, revealing the surpassing love and compassion with which Krishna blesses all living things. The tale is told in a contemporary idiom, sparkling with references to events and personalities across aeons.

Love is the highest

value. From our experience we can surmise that the feeling of love is the most pleasing and gives us ecstasy and pleasure. The feeling of love is cherished by all and the exchange of feelings of love is remembered fondly within our hearts. Love nourishes us and really love is our life. Without love life is meaningless. Indeed the meaning of life is love. Our present education system does not teach students the meaning of life. The tragedy of life is that, consequently, a person may go through life without ever knowing the meaning of life or why he came to this world in the first place.

"An extraordinary book. This dignified, just and unbearable account of the dark heart of Sri Lanka needs to be read by everyone." — Roma Tearne, author of *Mosquito*

The tropical island of Sri Lanka is a paradise for tourists, but in 2009 it became a hell for its Tamil minority, as decades of civil war between the Tamil Tiger guerrillas and the government reached its bloody climax. Caught in the crossfire were hundreds of thousands of schoolchildren, doctors, farmers, fishermen, nuns, and other civilians. And the government ensured through a strict media blackout that the world was unaware of their suffering. Now, a UN enquiry has called for war crimes investigation, and Frances Harrison, a BBC correspondent for Sri Lanka during the conflict, recounts those crimes for the first time in sobering, shattering detail.

Beautiful Burn Berrett-Koehler Publishers
The eeriness of Jayakanthan's two
novellas in this volume isoverwhelming

and disturbing. The protagonists are helpless victims of psychological maladies. Their suppressed libido and Oedipus complex are areas Tamil writers generally dared not enter - at any rate in the 1960s, when they were written. The brilliant introvert Rajaraman is the quintessential good boy. The play of circumstances kindles oedipal fancies in him. The incandescent consummation with Sarada Mami is a catharsis. A rishi is born looking at the world with a disdain at once benignly distant and compellingly personal. Well-educated and well-employed Janaki lives under the protective cover of her paranoid, possessive, puritanical mother. Her healthy friendship with a collegemate of yesteryear promises liberation. Her short-lived taste of freedom is stamped out and she is sucked back into her

mother's bizarre, overwhelming orbit. The success of Jayakanthan lies in evoking in the reader a profound empathy with the tragically deviant characters of the two stories.
