She’s running for her life. He’s the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It’s a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He’s charming, he looks way too good in a Santa hat, and, oh, yes, he’s her new landlord. The hits just keep coming. She can’t afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It’s purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that’s just sexy Spencer. Usually, Haley falls for the bad guy. It’s the whole reason she’s running for her life. She can’t help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can’t believe his luck. The most beautiful, fascinating woman he’s ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that’s a role that he’s happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh–um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don’t make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

Miss Julia Delivers the Goods Charisma Media
It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys ’ killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
The Aussie Next Door Ragged Bears USA
This short work is written with clarity and vigour. It carefully distinguished some kinds of charismatically-inclined Christians from others. It poses questions with which every Church member is faced. Chantry's answers tally with those of the greatest leaders of the Church during the Christian centuries. From Psalm 85 he outlines the true character of revival, and closes the book with material drawn from the Great Awakening of the 18th century.
Classic Set Theory Blackstone Publishing
Julie Clinton, author, speaker, and president of Extraordinary Women, has spoken to thousands of women across the nation and knows they are eager to break through ordinary busyness, discouragement, and distraction to embrace a meaningful life in Christ. With a practical, engaging 10-week format, Julie encourages women to experience this transforming life in and with Christ as she leads them to know God by spending time with Him and seeking His heart. Biblical and motivating, Julie awakens readers to inspired principles and life-changing priorities as they gather these and other riches of extraordinary faith: Refueled purpose and passion for their journey Healing of and release from past wounds Freedom from guilt with love and grace Relationships and connections that matter This exploration of God ’ s Word and His desire for each woman ’ s life reveals the remarkable, attainable picture of the godly significance she is made for. This book ’ s content can be enhanced by the companion DVD.

The Descendants Complete Series (Books 1, 1.5, 2, 3) WWW.MathNotion.com
The book of Proverbs is the world's greatest treasury of wisdom. It offers practical insights for day-to-day discussions and provides moral guidelines for living in an immoral world. As you unearth the riches of Proverbs, you will discover why "the fear of the Lord is the beginning of wisdom" for all the affairs of everyday life.
Castle on the Rise Penguin
Created by world-renowned programming instructors Paul and Harvey Deitel, Visual Basic 2008 How to Program, Fourth Editionintroduces all facets of the Visual Basic 2008 language hands-on, through hundreds of working programs.This book has been thoroughly updated to reflect the major innovations Microsoft has incorporated in Visual Basic 2008 and .NET 3.5; all discussions and sample code have been carefully audited against the newest Visual Basic language specification. The many new platform features covered in depth in this edition include: LINQ data queries, Windows Presentation Foundation (WPF), ASP.NET Ajax and the Microsoft Ajax Library, Silverlight-based rich Internet application development, and creating Web services with Windows Communication Foundation (WCF). New language features introduced in this edition: object anonymous types, object initializers, implicitly typed local variables and arrays, delegates, lambda expressions, and extension methods. A series of appendices provide essential programming reference material on topics ranging from number systems to the Visual Studio Debugger, UML 2 to Unicode and ASCII. AUDIENCE:Appropriate for anyone interested in learning programming with Visual Basic 2008.
A Life of Miracles John Wiley & Sons
“ This heartfelt, witty addition to women ’ s fiction will appeal to fans of Elizabeth Berg and Anna Quindlen. ” (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It ’ s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia ’ s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow ’ s fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, “ What is family, really? ”
One Hot Holiday Entangled: Amara
A Discovery of Witches meets Twilight in this mesmerizing paranormal romance... Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Alaric, a centuries-old vampire, lives a solitary life by choice. When he's assigned to protect Naomi, long dormant emotions stir to life. Pursued by a dangerous enemy and battling their growing attraction, Naomi and Alaric follow the mystery of the artifact from the museums of Athens, the streets of London, toward a confrontation that will decide the fate of two worlds... Fans of Charlaine Harris, Deborah Harkness, and Karen Marie Moning will love the Descendants series, where urban fantasy and paranormal romance collide. For a limited time, grab your copy of this series bundle deal at a discount compared to purchasing the individual books.

The People's Covenant and God's Hammer have raged a Cold War that has lasted for over twenty years. A war without armies, where battles are fought in the dark and information is the most dangerous weapon. In this world —which sometimes seems the Middle Ages, sometimes the Renaissance and sometimes the Nineteenth Century— lives Y á xtor Brandan, empirical adept at the service of the Queen of Albon é . A relentless, amoral and unscrupulous character, Y á xtor fights to recover his own past as he tries to prevent a new player in the espionage game to end the world, as he knows it. A fascinating fast-moving and complex plot, full of tension and surprises and excellently paced; a main character for whom it should be impossible to feel the slightest sympathy, and yet somehow we do, even as his cruelty disturbs us more and more -an extremely difficult feat to pull off so successfully; powerful secondary actors, who either leave you with a sense of uneasiness with regard to their motivations and loyalties, or make you want to shout out -as people did in the early days of cinema- "Look out, don't trust him!"; and a pervading atmosphere of tragedy, especially in a final unexpected and shocking, yet on reflection almost inevitable, scene. In short, a totally addictive and highly original novel set in a world that is at once both strangely familiar and disturbingly alien. —Steve Redwood, author of Fisher of Devils.

Proverbs Thomas Nelson

We revisit Lipset ‘ s law, which posits a positive and significant relationship between income and democracy. Using dynamic and heterogeneous panel data estimation techniques, we find a significant and negative relationship between income and democracy: higher/lower incomes per capita hinder/trigger democratization. Decomposing overall income per capita into its resource and non-resource components, we find that the coefficient on the latter is positive and significant while that on the former is significant but negative, indicating that the role of resource income is central to the result.

Ever since Piper walked out of the Redwood Forest, naked and amnesiac, she ‘ s been desperate to find out who she is and why so many people want her dead. Now, engaged to be married to the love of her life, she ‘ s about to discover the truth of her identity. Will it derail her plans, her relationship, and her happiness, or will she finally get her happy ending with a fresh beginning? Surrender in Crime is the fourth and final book in the Partners in Crime Thrillers series. It is a funny international thriller and action adventure romance. “ Elise Sax will win your heart. ” —New York Times bestselling author Jill Shalvis “ Sax will make you laugh. Her larger-than-life characters jump off the page and make crazy seem like a fun place to hang out. ” —New York Times bestselling author Christie Craig “ With quirky characters reminiscent of Janet Evanovich ‘ s Stephanie Plum series and a small-town heroine redolent of Charlaine Harris ‘ Sookie Stackhouse. ” —RT Book Reviews “ Fans of laugh-out-loud romantic suspense will enjoy this new author as she joins the ranks of Janet Evanovich, Katie MacAllister, and Jennifer Crusie. ” —Booklist, on An Affair to Dismember “ A lighthearted and amusing caper with a sexy side order of romance . . . Gladie is an endearing mess of a character, and the book is fast-paced and amusing, with a large cast of quirky, small-town characters. ” —Kirkus Reviews, on Matchpoint “ There ‘ s plenty for fans to enjoy in Sax ‘ s third Matchmaker installment, complete with energetic narration, zany humor and a mystery that ‘ s as engaging as the details of Gladie ‘ s love life. ” —RT Book Reviews, on Love Game

Designed for undergraduate students of set theory, Classic Set Theory presents a modern perspective of the classic work of Georg Cantor and Richard Dedekin and their immediate successors. This includes:The definition of the real numbers in terms of rational numbers and ultimately in terms of natural numbersDefining natural numbers in terms of setsThe potential paradoxes in set theoryThe Zermelo-Fraenkel axioms for set theoryThe axiom of choiceThe arithmetic of ordered setsCantor's two sorts of transfinite number - cardinals and ordinals - and the arithmetic of these.The book is designed for students studying on their own, without access to lecturers and other reading, along the lines of the internationally renowned courses produced by the Open University. There are thus a large number of exercises within the main body of the text designed to help students engage with the subject, many of which have full teaching solutions. In addition, there are a number of exercises without answers so students studying under the guidance of a tutor may be assessed.Classic Set Theory gives students sufficient grounding in a rigorous approach to the revolutionary results of set theory as well as pleasure in being able to tackle significant problems that arise from the theory.
