Most mothers and fathers are surprised at how different parenthood feels when the second child arrives. Even before the birth, a host of new questions arises: can you possibly love a second child as much as the first? Is it better to have them close in age or farther apart? What about sibling rivalry? In *From One Child to Two*, Judy Dunn gives parents all the information, emotional support, and reassurance they need to handle the stress -- and relish the joys -- of raising two children. An internationally recognized expert in the field of sibling relations, Dunn draws on her own decade-long study of siblings at home, as well as from extensive interviews and observations of parents and children. -- How the second pregnancy differs from the first -- How and when to break the news to the first child -- How to manage the days surrounding the birth, the hospital visit, and the crucial first month -- Being prepared for your firstborn's reaction to the new sibling by age group -- toddlers, preschoolers, or children in early elementary school -- How to cope with the new demands on your marriage -- The major milestones that families face together -- the changing role of fathers and grandparents, managing new schedules, and coping with parental burnout -- Sibling rivalry: what to do about fighting, when to intervene, and when it's supposed to get better! Whether you're contemplating a second child, expecting one any day, or trying to cope with the changing dynamics of your newly expanded family, *From One Child to Two* is an indispensable guide. Filled with common sense, down-to-earth, and eminently practical advice, this is the one parenting book that you will refer to again and again.

So, you're about to welcome the newest addition to the Sony PlayStation device family into your life - the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter (and cheaper!) cloud-based future for console gaming. PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3 and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their parents (and if you're wondering, yes, *Final Fantasy VI* is still just as great as you remember it being). This guide will tell you everything you need to know about the PS TV (and then some). There's plenty of information here for total PlayStation newbies wondering what in the world Dualshock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV. In Chapter 1: Meet the PlayStation TV, we'll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that

make the PlayStation world turn. In Chapter 2: PS TV Basics, we'll help you unpack and set up your PS TV, navigate it, customize it, and take care of it. In Chapter 3: Gaming on PS TV, we'll go into lots of detail about the various ways you can play with PS TV. Chapter 4: Onboard PS TV Applications gives you a detailed tour of every single application on your device, with tips and tricks for getting the most out of each one. Finally, in Chapter 5: Recommended Games, we'll share some of our favorites with you. So tell your significant other and your boss that you're going to be unavailable for the foreseeable future as you explore everything PS TV has to offer, and read on to learn how to get the most out of PlayStation TV!
