A hilarious and witty novel about a Cuban-American woman's search for true love -- and the realization that beauty comes in all shapes and sizes: "Move over, Ugly Betty; Fat B's in town and she's just as bewitching, bodacious and beautiful as the unconventional Latina TV star." -- Publishers Weekly Everyone in the world, it seems, is either prettier or thinner (or both) than Beauty Marie Zavala. And the only thing "B" resents more than her name is the way others judge her for the extra 40 pounds she can't lose. At least she has her career. Or did, until she overhears her boss criticizing her weight and devising a scheme to keep her from being promoted. Enter B's new tax accountant, a modern-day matchmaker determined to boost B's flagging self-esteem by introducing her to rich, successful men who will accept her for who she is. As B's confidence blossoms, so do her fantasies of revenge. But will B find true happiness or true disaster when she unwittingly falls for the one guy she shouldn't?

Stickerbomb 2 The Physiology Coloring Book

As John Casti wrote, "Finally, a book that really does explain consciousness." This groundbreaking work by Denmark's leading science writer draws on psychology, evolutionary biology, information theory, and other disciplines to argue its revolutionary point: that consciousness represents only an infinitesimal fraction of our ability to process information. Although we are unaware of it, our brains sift through and discard billions of pieces of data in order to allow us to understand the world around us. In fact, most of what we call thought is actually the unconscious discarding of information. What our consciousness rejects constitutes the most valuable part of ourselves, the "Me" that the "I" draws on for most of our actions--fluent speech, riding a bicycle, anything involving expertise. No wonder that, in this age of information, so many of us feel empty and dissatisfied. As engaging as it is insightful, this important book encourages us to rely more on what our instincts and our senses tell us so that we can better appreciate the richness of human life.

Beccy Cole's inspirational memoir from the heart of Australian country music. Beccy Cole has country music in her blood. Daughter of a country music star, Carole Sturtzel, she is one of the most popular country singer-songwriters in Australia today. This is the story of her life - in her own words. At fourteen, Beccy was performing in her mother's group, Wild Oats. By her late teens, Beccy had teamed up with the Dead Ringer Band - Kasey Chambers' family band - and had attracted the attention of the country music world by winning the Star Maker quest: the same award that started the careers of Keith Urban, Lee Kernaghan, James Blundell and Gina Jeffreys. It was just the first of many awards and accolades for this multitalented woman with a big heart. With refreshing candour, Beccy shares her story: leaving everything she knew to pursue her dream, making a name for herself with her own band; her marriage and motherhood; her subsequent divorce, becoming a single mother and maintaining the nurturing love of family. Performing for the Australian troops in Afghanistan. Coming out, and what it has meant for her and her fans. Taking control of her own life - and finding love. Heartfelt and honest, Poster Girl is the inspirational memoir of a strong woman who epitomises the authentic spirit of country music, and of Australia.

This book explores the significance of silence within and

beyond pedagogical contexts. Silence is a complex and multidimensional phenomenon for everyday life: since schools mirror society, it is also significant in education. While silence can be experienced in a multitude of different ways, the author reflects on whether silence itself can bear a message: is there an aspect of dialogue in silence, or is it a language all of its own? This book examines a variety of silences essential for education, examining such topics as silence and aspects of power, silent students, and the relationship between listening and silence. Drawing on a range of empirical data, the author elucidates the significance of silence in pedagogical contexts.

How to Heal the Sick Rex Bookstore, Inc.

People need a plumb line for Truth. People need evidence for the true history of spirituality. The crux of the matter is the cross. The resurrection is a reality. The heart of the matter is the condition of people's hearts and we need to be aware of our standing with the Doorman. The Doorman to Heaven sends readers an invitation to the Banquet, emphasizing the importance of responding. A relationship quiz examines the reader's standing with the Doorman, and gives a description of the alternative to accepting the Doorman's offer. Through The Doorman to Heaven, we see a glimpse of the Doorman through His Book and discover His ways as explained therein. What is His Presence like? The Doorman to Heaven gives a comforting description of where our loved ones who have joined His family spend their time after leaving this earth. Share it with friends and relatives whose eternal standing hasn't been clearly decided, and those struggling with everyday realities. The following is taken from the Appendix of The Doorman to Heaven: The Bible says in Romans 10:9, "If you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved." 1. Admit you are a sinner. 2. Be willing to turn from sin (repent). 3. Believe that Jesus Christ died for you, was buried and rose from the dead. 4. Through prayer, invite Jesus into your life to become your personal Savior. Dear God, I am a sinner and need forgiveness. I believe that Jesus Christ shed His precious blood and died for my sin. I am willing to turn from sin. I now invite Christ to come into my heart and life as my personal Savior. If you've accepted Jesus Christ as your own personal Savior, then you will want to do the following: 1. Read your Bible every day to get to know Christ better. 2. Talk to God in prayer every day. 3. Be baptized, worship, fellowship, and serve with other Christians where Christ is preached and the Bible is the final authority. 4. Tell others about Christ.
