A Manual of Buddhism John Wiley & Sons
An essential tool for writers, editors, proofreaders, designers, copywriters, production managers, and marketers too. The Christian Writer ' s Manual of Style is an essential tool not only for writers of religious materials, but for their editors, proofreaders, designers, copywriters, production managers, and even marketers. Rather than simply repeating style information commonly available in standard references, this newly updated and expanded edition includes points of grammar, punctuation, usage, book production and design, and written style that are often overlooked in other manuals. It focuses on

information relating to the unique needs and demands of religious publications, such as discussions on how to correctly quote the Bible, how to capitalize and use common religious terms, and how to abbreviate the books of the Bible and other religious words. Also included are rarely found items such as: • an author ' s guide to obtaining permissions • guidelines for using American, British, and Mid-Atlantic styles • discussions of inclusive language, profanity, and ethnic sensitivities • discussions of Internet and computer-related language style • a list of problem words from major world religions • a discussion of handling brand names in text • a list of common interjections • issues of type design, paper, copy-fit This edition has been completely updated since the 1988 edition and contains more than twice as much information as the previous edition. This is the most detailed and comprehensive guide of its kind.

Este no es un libro
de brujería. Es
hora de que la
palabra magia
pierda el halo de
oscuridad y
tenebrosidad del
que parece estar
embebida y recobre
la dignidad que los
antiguos le
otorgaban al
considerarla la más
alta y clara
ciencia que
pudiéramos
practicar. Un mago
no es un brujo y
está lejos de
serlo. Por lo
tanto, en este
libro no
encontrarás
fórmulas,
herramientas o
ninguna otra cosa
con la cual hacer
el mal; por el
contrario, este
libro es un intento
de aportarte los

instrumentos propios (2a. edição)
de la magia con los
que puedas, de
algún modo, hacer
el bien a tus
hermanos y a ti
mismo. Si te
sientes llamado a
hacer el bien, este
libro es para ti.
Como ha dicho el
célebre mago
español Papus: "La
acción social del
mago se condensa en
estas tres
palabras: CURAR,
SEMBRAR, CONSOLAR.
Tal es la triple
misión del
verdadero adepto de
la ciencia de los
Magos".
