A Complete Guide to Using the iPhone 12 Pro

Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. Maximize the use of your iPhone 12 to take great shots A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. The question then becomes, are you making the most of that powerful tool in your pocket? Do the photos you take seem to be from an amateur because of how blurry they look, and very different from the kind of picture you had in mind to take? If this is you and you want to be able to take incredible pictures with your iPhone, then this book is for you. At the end of this book, you should be comfortable taking great shots with your iPhone 12 Pro even in low light conditions. You will also be equipped with the skills needed to capture

awesome portrait pictures of people and nail down your composition such that others can be amazed at how professional your pictures consistently look, as you create jaw-dropping landscapes, food, and travel photos of the events you are involved in. The book starts by covering some of the basic things about the iPhone 12 Pro and the relevance of some of these features on the iPhone and how they affect the quality of the pictures taken with it. In no time after you start using this book, you will begin to start snapping with your camera with far more confidence and dexterity than others who simply go through the motions of pointing their cameras at an object and taking pictures without some of these basic knowledge and skills. Some contents to expect to see in this book include: How to create animojis and even share memoji with other types of phone users How to take stunning pictures for your social media platforms How to take stunning pictures with the portrait mode and lots more With this book in your hands, you can move from being just a mediocre basic iPhone user to an iPhone photography specialist. It will save you the time and energy of stumbling into some of these features by deliberately exposing you to these features and functions. If what you want is a go-to guide on matters surrounding just iPhone photography, then this is a great reference guide for you, very different from what a generic iPhone 12 Pro manual can achieve because of how such books gross over different topics. Not only that, but you can also order this book as a gift for a friend, son, daughter, or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book. Special Bonus That is not all, at the end of this book, we have a special gift for you, something we believe you will love. iPhone 7 Guide: The iPhone Manual for Beginners, Seniors & for All iPhone Users (The Simplified Manual for Kids and Adults) Fehintola Otegbeye
MOJO: The Mobile Journalism Handbook is the first book devoted specifically to training citizens, journalism students and media professionals to produce professional-quality videos with only a mobile device. As journalism becomes increasingly competitive, students and emerging professionals need a broader skillset to make themselves more employable, whether as mainstream or entrepreneurial journalists. This book by Dr. Ivo Burum and Dr. Stephen Quinn, world experts in mobile journalism, provides comprehensive coverage of all the skills and practices needed to be a mobile journalist. Key features: Burum and Quinn underline the importance of story and storytelling, the crucial context journalists always need to keep in mind. Other books and tutorials merely offer step-by-step guidance to mobile technology and apps. The book synthesizes the knowledge and more than 70 years of combined expertise of two of the world's leading mobile journalism practitioners,

offering sage advice and tips from people who have trained mojos in more than 20 countries. Companion Website: How-to videos on the companion website offer powerful ways for learners to absorb the content easily, walking them through the key mojo components of research, shooting, scripting, voice-over, editing and post-production.
www.routledge.com/cw/burum Ivo Burum is an award-winning writer, director and television executive producer. He has more than 30 years' experience working across genres including frontline international current affairs. A pioneer in UGS creation, Dr. Burum lectures in multimedia journalism. This is his second book about mojo. He runs Burum Media, a mojo and web TV consultancy that provides training for journalists, educators and remote communities internationally. Stephen Quinn was a journalist for 20 years before he became a university professor in 1996. Dr. Quinn taught journalism in five countries until he returned to journalism in 2011 in Hong Kong. His UK-based company MOJO Media Insights trains mobile journalists around the world. This is his twenty-first print book. He has also produced 5 eBooks. He co-writes a weekly column syndicated to seven countries.
